

The A.S. degree in Nursing prepares students for careers as registered nurses. The program is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta GA 30326, (404) 975-5000, www.acenursing.org, and is approved by the Florida Board of Nursing and may be applied toward a Bachelor of Science degree in Nursing at Florida's state colleges and universities. Graduates are eligible to apply to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

PROGRAM MISSION STATEMENT

The Department of Nursing Education supports the mission of St. Johns River State College. The Department of Nursing Education prepares students to enter the workforce with the ability to think critically about actual or potential self-care deficits, and demonstrate caring behaviors while practicing within the legal and ethical scope of professional nursing practice. Nursing students are prepared to function competently as entry level nurses upon graduation.

END OF PROGRAM STUDENT LEARNING OUTCOMES

1. Provide competent nursing care at the entry level to diverse populations
2. Establish ethical relationships in order to act within the context of the Nurse Practice Act
3. Provide nursing care which promotes individuals, families, and communities self-care agency
4. Deliver culturally competent care that reflects sensitivity to racial, ethnic and cultural diversity
5. Employ evidence based research to guide the delivery of nursing care
6. Participate in coordinated care by practicing shared decision-making, delegating aspects of care, and working intercollaboratively with teams
7. Utilize multiple sources of information, which include computer-based data, to critique and improve clinical decisions

For additional information, visit our website at SJRstate.edu or call the Palatka nursing office at (386) 312-4176 or the Orange Park nursing office at (904) 276-6863.

Note that students who are only taking prerequisites for admission into the program and who are not pursuing other degree programs are not considered regular, admitted students and are therefore not eligible for either federal or state forms of financial aid.

The program consists of 72 credit hours of general education, nursing-related and nursing core courses.

APPLICANTS MAY APPLY: August enrollment (Fall) June 1 - June 30

The nursing core courses will be offered on the St. Augustine campus with selected clinical experiences in health care facilities within and around the tri-county service area of SJR State. A student must earn a grade of "C" or above in all courses required in the program.

ADMISSION REQUIREMENTS

The ASN program is a limited access program.

To apply for admission to the nursing program a student must have completed all of the following:

1. Application process to SJR State;
2. Application to LPN Bridge program; Students from the college service district of Clay, Putnam and St. Johns county will be ranked first in the selection process.
3. Proof of valid current unencumbered Florida licensure as a practical nurse;
4. LPNs admitted to the program will receive 10 credits as defined by the Florida State Articulation Plan.

STUDENT SELECTION PROCESS

To be considered for admission, the student is to be cleared by Admissions / Records to indicate that all external college transcripts have been received and that the student has a cleared admission file. Students from the college service district of Clay, Putnam and St. Johns county will be ranked first in the selection process.

St. Johns River State College's Associate in Science degree in Nursing program does not accept the transfer of NUR core courses.

- Successful completion of all required nursing requisite courses with a GPA of 3.0 or above by the end of the application period:

*BSC	2085 & 2085L	Human Anatomy and Physiology I and Lab
*BSC	2086 & 2086L	Human Anatomy and Physiology II and Lab
DEP	2004	Human Growth and Development
ENC	1101	Composition I
		General Education Humanities
HUN	1201	Human Nutrition
MCB	2010 & 2010L	Microbiology* and Microbiology Lab*
PSY	2012	General Psychology
MAC	1105	College Algebra

OR

- Complete the A2 HESI Assessment Exam, by the end of the application period, with an English Language composite score (comprised of: Reading Comprehension, Grammar, Vocabulary and General Knowledge) of 90% or better with a score of 90% or better in reading comprehensive and a score of 90% or better in essential mathematics.

*A&P courses more than 7 years old must be repeated with a grade of "C" or better.

POST ADMISSION REQUIREMENTS:

Following acceptance into the program, ASN students must complete/attend the following requirements. Failure to comply with these requirements may result in administrative withdrawal from the nursing program.

1. All students are asked to sign a consent and waiver to perform a criminal and professional background check and drug screen. Failure to provide consent will render the applicant ineligible for admission to the program. Admission to the program is conditional upon the results of the criminal and professional background check and drug screen. Additionally, second-year students are required and financially responsible to submit an annual drug rescreen as a clinical requirement. Additional random and scheduled drug screening may be required at any time during the program.
2. Attend nursing student orientation on the specified date.
3. Prior to the first day of class, students must complete the American Heart Association Basic Life Support for Health Care Providers (CPR & AED) program - good for 2 years.
4. Have an annual physical examination verifying acceptable health status and completing all the requirements for the nursing program. Requirements for the physical are included on the form provided to each student after admission to the nursing program.
5. Have liability/malpractice insurance of \$1,000,000 per incident and \$3,000,000 per aggregate. (Payment included with lab fees during registration)
6. Initiate and maintain an annual subscription to myClinicalExchange as a clinical requirement. The initial payment is included with course fees during registration and is submitted by the Nursing Workforce Specialist. The annual renewal is the financial responsibility of the student and is submitted individually.
