Section 6. Lessor's Interest Not Subject to Certain Liens.

(a) It is mutually intended, stipulated and agreed that the Lessor's fee simple interest in the Leased Premises shall not be subjected to liens of any nature arising by reason of the construction of improvements upon the Leased Premises or by reason of any other act or omission of Lessee or any person claiming under, by or through Lessee, including, but not limited to, mechanics' and materialmen's liens. All persons dealing with Lessee are hereby placed on notice that any improvements constructed upon the Leased Premises are the property of Lessee and are constructed for Lessee's use and benefit, and that they should not look to Lessor or to Lessor's credit or assets for payment or satisfaction of any obligations incurred therefore. Lessee has no power, right or authority to subject Lessor's fee simple interest in the Leased Premises to any mechanics' or materialmen's lien or claim of lien. Each of the parties hereto agree that a memorandum of this Amended Ground Lease and any supplements hereto will be recorded in the property records of Putnam County, Florida.

(b) In the event a lien, claim of lien or order for the payment of money shall be imposed against the Leased Premises or the Project resulting from or arising out of any act or omission of Lessee or any person claiming under, by or through Lessee, Lessee shall, within thirty (30) days after receipt of notice of the imposition of such lien, claim or order, cause the same to be discharged, satisfied, canceled or released, and the Leased Premises and the Project to be released therefrom, by the payment of the obligation secured thereby or by the furnishing of a bond or by any other method which may be prescribed or permitted by law, Lessee shall thereupon furnish Lessor with evidence of having done so in form satisfactory and requisite for recording in the Office of the Clerk of the Circuit Court, Putnam County, Florida.

(c) Should Lessee desire to litigate the validity of any lien or claim of lien, nothing herein shall preclude Lessee from doing so, provided that Lessee shall have first posted an appropriate and sufficient bond in favor of claimant and thereby obtained the release of the Leased Premises and the Project from such lien. If judgment is obtained by the claimant of any lien, Lessee agrees to pay the same immediately after such judgment shall have become final and the time for appeal therefrom has expired. Lessee shall, at its own expense, defend the interests

of Lessee and Lessor in any and all such suits. Lessor may, at its own expense, engage its own counsel and assert its own defenses, in which event Lessee agrees to cooperate with Lessor and make available to Lessor all information and data deemed by Lessor to be necessary or desirable for such defense.

Section 7. Insurance.

Lessor shall obtain and maintain, at Lessee's expense, such insurance coverages and limits as agreed to in writing by both Lessor and Lessee.

Section 8. Condition of Leased Premises - Fill, Utilities.

(a) Lessee agrees to accept the Leased Premises in their presently existing condition, "as is."

(b) It is understood and agreed that Lessor has not determined that the Leased Premises will safely or adequately support the type of improvements desired to be erected and maintained by Lessee upon the Leased Premises.

(c) Lessor, at its sole expense, shall bring or cause to be brought to the Leased Premises adequate connections for water, electrical power, storm sewerage and sewerage, and shall arrange with the appropriate utility companies for furnishing such services. Lessee shall have the right, at its own expense, to request and receive telephone and communication services from the utility companies furnishing such services subject to the customary rules and regulations of said utility companies whether the companies deliver such services directly through their own conduits or pipes, or through conduits and pipes owned by Lessor. Lessor agrees to grant such utility companies' rights of access over, under and across the remaining property of Lessor as shall be necessary and convenient for the efficient operation of the housing system facilities, and which do not materially impair the present and future uses of the remaining property of Lessor. Any construction or extension of facilities shall be subject to prior written approval of Lessor, and shall be made without cost to Lessor.

(d) Lessee shall at all times prevent entrance of objectionable quantities of deleterious wastes into Lessor's sewerage system, storm water drainage system and conduit system as required by the applicable governmental authority.

(e) Drains or other facilities provided by Lessee for the purpose of disposing of storm or other waters shall conform to the requirements of all applicable governmental authorities.

Section 9. Fee Unencumbered; No Pledge of Credit of State. Under no circumstances will the fee title to the Leased Premises be encumbered other than by the leasehold interest created herein, or easements created pursuant hereto. No act taken pursuant to or in furtherance of this Amended Ground Lease shall be, or be construed to be, a pledge of the credit of the State of Florida or any agency, department or board thereof.

Section 10. Assignment, Subletting and Mortgaging of Leasehold Interest.

(a) Lessee shall not have the right to assign this Amended Ground Lease, or any portion thereof, or to sublease all or any portion of the Leased Premises without the prior written consent of Lessor. Any assignment of this Amended Ground Lease or subletting of all or any portion of the Leased Premises shall be subject to Lessor's prior written consent, which consent Lessor shall not unreasonably withhold. Except as expressly permitted herein, any purported assignment, partial assignment or sublease without Lessor's prior written consent in violation of this paragraph (a) shall be null and void, and the attempt to so assign or sublease, shall constitute a default under this Amended Ground Lease.

(b) It is expressly understood and agreed that any such assignment, sublease, sale or transfer shall not relieve Lessee of any of its responsibilities and obligations under this Amended Ground Lease and that any and all assignees, sublessees or transferees shall be subject to, and bound by all of the applicable terms, covenants and conditions contained in this Amended Ground Lease except that Lessee shall be relieved from any and all obligations hereunder if Lessee shall sell or assign all of its interest in the Leased Premises with Lessor's prior written consent.

Section 11. Utility Easements. Lessor reserves the right to grant nonexclusive utility easements, licenses, rights-of-way and other rights or privileges in the nature of easements to others over, under, through, across or on the Leased Premises; provided, however, that such grant is not detrimental to the use or operation of the Project, will not damage or disrupt the physical facilities of said Project, and will not impose any cost upon Lessee.

Section 12. Approval of Height of Structures. Lessee shall, with the cooperation of Lessor but at Lessee's sole expense, secure any required approvals as to the height of any buildings, structures or objects proposed to be erected upon the Leased Premises from all governmental agencies having jurisdiction.

Section 13. Indemnification of Lessor. Lessee shall defend, protect, save, hold harmless and indemnify Lessor and its officers, directors, agents, servants, employees and assigns of each, from and against any and all claims, demands, losses, costs, damages, liens, suits, judgments, penalties, expenses, and liabilities of any kind or nature whatsoever (including attorneys' fees) which are caused by any acts or omissions of Lessee, its employees, servants or agents except where such are caused by the tortious, unlawful or negligent conduct of those indemnified hereunder.

Section 14. Taxes and Fees.

(a) Lessee agrees to pay any applicable taxes, assessments, license fees and charges on goods, merchandise, fixtures, appliances, equipment and property in or about the Leased Premises.

(b) It is understood that Lessor is exempt from ad valorem taxation with respect to its facilities that are used for its purposes. However, should the Leased Premises or any interest therein or improvement (including the Project) thereon ever become subject to any taxes of any kind, Lessee agrees to pay any and all such lawful taxes, assessments or charges which at any time may be levied by any federal, state, county, city, or any tax or assessment levying body upon the

Leased Premises, or any interest in this Amended Ground Lease, or any possessory right which Lessee may have in or to the Leased Premises or the Project thereon by reason of its use or occupancy thereof or otherwise.

(c) Notwithstanding the foregoing provision, Lessor shall, after notifying Lessee of its intention to do so, have the right to contest in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment, and in connection with such contest Lessor may refrain from paying such tax or assessment so long as such contest will not, in the opinion of Lessor's attorney, subject any part of the Leased Premises or the Project to forfeiture or loss, in which event such taxes, assessments or charges shall be paid promptly. Lessee shall, upon request by Lessor, assist and cooperate with Lessor in any such proceedings and Lessee shall bear any costs or expenses of Lessee in connection with the rendering of such assistance. This provision shall in no way be construed as restricting Lessee from contesting, at its own expense, the legality of such tax or assessment if it so desires.

Section 15. Default by Lessee.

(a) Each of the following events shall be deemed a default by Lessee hereunder and a breach of this Amended Ground Lease:

1. If Lessee shall fail to pay, when due, any rent or portion thereof, or any other sum which Lessee is obligated to pay under the terms of this Amended Ground Lease, and such sums remain unpaid for a period of thirty (30) days after receipt of written notice by Lessee from Lessor;
2. If Lessee shall attempt to assign this Amended Ground Lease, or any portion thereof, in violation of the terms of this Amended Ground Lease, or to sublease any portion of the Leased Premises in violation of Section 10 hereof;
3. If Lessee shall use the Leased Premises and/or the Project for any purposes not expressly permitted by this Amended Ground Lease, and such use shall continue for a period of fifteen (15) days after Lessor shall have given written notice to Lessee to desist from such use;
4. If Lessee shall abandon the Leased Premises and/or the Project;
5. If Lessee shall otherwise fail to comply with any other covenant or condition of this Amended Ground Lease and such failure to comply shall continue for a period of fifteen (15) days after receipt of written notice thereof by Lessee from Lessor.

(b) In the event that any of the items of default set forth in subparagraphs (a) 3. or (a) 5. above is of such nature that it cannot be remedied within the time limits therein set forth, then Lessee shall have such additional time as is reasonably necessary to cure such default, provided Lessee commences the curing of such default within said time limits and proceeds to completely cure the same in a timely and diligent manner.

(c) Lessor will send to the Lender all notices of default it sends to Lessee at the same time it sends such notice to Lessee.

Section 16. Remedies of Lessor.

(a) Upon the occurrence of any event of default Lessor may then terminate this Amended Ground Lease by written notice to Lessee and re-enter upon and take possession of the Leased Premises and the Project. In the event Lessor elects to avail itself of the rights and remedies contained in this Section, then such election by Lessor shall entitle Lessor to assume all of Lessee's right, title and interest in and to the Project, as well as all structures and improvements on the Leased Premises, and the furniture, furnishings, fixtures and equipment therein or thereon all subject to the interests of the Sublessee under its sublease, and Lessee shall surrender and deliver possession of the same to Lessor. In addition to the foregoing remedy, Lessor shall be entitled to collect from Lessee any and all costs, including reasonable attorney's fees, which Lessor may incur by reason of Lessee's default hereunder. All of Lessor's rights and remedies shall be subject to Sublessee's rights and interests under the terms of its sublease.

(b) In no event shall the Lessor terminate this Amended Ground Lease prior to the payment in full of the indebtedness of Sublessee under its sublease with Lessee without the prior written consent of the Sublessee's lender.

Section 17. Waivers. No waiver by Lessor at any time of any of the terms, conditions, covenants or agreements of this Amended Ground Lease, or non-compliance therewith, shall be deemed or taken as a waiver at any time thereafter of the same, nor of any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by Lessee. No delay, failure or omission of Lessor to re-enter the Leased Premises, nor to exercise any right, power, privilege or option arising from any default shall impair such right, power, privilege or option, or be construed to be a waiver of any such default, relinquishment thereof or acquiescence therein, and no notice by Lessor shall be required to restore or revive time as being of the essence hereof after waiver by Lessor of default in one or more instances. No option, right, power, remedy or privilege of Lessor shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options or remedies given to Lessor by this Amended Ground Lease are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law.

Section 18. Waiver of Claims. Lessee hereby waives any claim against Lessor and all of its officers, agents or employees thereof for loss of anticipated profits or other damages caused by any suit or proceeding by any third party directly or indirectly attacking the validity of this Amended Ground Lease or any part hereof, or by any judgment or award in any suit or proceeding declaring this Amended Ground Lease null, void or voidable, or delaying the same, or any part hereof by any third party, from being carried out. In the event a suit or other proceeding results in this Amended Ground Lease or any part hereof being declared void or invalid the parties hereto agree to enter into renegotiation efforts to arrive at a valid agreement which will be satisfactory to both parties and the Lender. Lessor hereby represents and warrants that Lessor is duly authorized to enter into this Amended Ground Lease.

Section 19. Quiet Enjoyment. Lessor agrees that Lessee, upon the payment of the rent and all other payments and charges to be paid by Lessee under the terms of this Amended Ground Lease, and observing and keeping the agreements and covenants of this Amended Ground Lease on its part to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Leased Premises during the term of this Amended Ground Lease, without hindrance or molestation.

Section 20. Terms Binding Upon Successors. All the terms, conditions and covenants of this Amended Ground Lease shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

Section 21. Condemnation.

(a) In the event that any person or corporation, public or private, shall by virtue of eminent domain or condemnation proceedings, or by purchase in lieu thereof, at any time during the term of this Amended Ground Lease acquire title to the Leased Premises (which for the purpose of this Section only shall include not only the land hereby demised but also the Project and other improvements erected thereon by Lessee) or acquire title to such substantial portion thereof that Lessee cannot make use of the residue for the purposes intended by this Amended Ground Lease, such acquisition of title shall terminate this Amended Ground Lease, effective as of the date on which the condemning party takes possession thereof. Lessor and Lessee shall be entitled to separate awards with Lessor entitled to the value of the land taken and all damages to the remainder property, including, without limitation, severance damages, and Lessee entitled to the cost of the improvements taken and any damages relating thereto.

(b) If the condemning party acquires title to a portion of the Leased Premises only, and Lessee can make beneficial use of the residue thereof for the purposes intended by this Amended Ground Lease, then this Amended Ground Lease shall continue in full force and effect and the total proceeds of condemnation after payment of reasonable attorney's fees and other necessary expenses incurred by either party in connection therewith shall be applied first to the repair or restoration of the housing system facilities by Lessee in accordance with plans and specifications approved by Lessor. Any remaining balance of the condemnation proceeds shall be for the benefit of Lessor.

(c) It is understood that the foregoing provisions of this Section shall not in any way restrict the right of Lessor or Lessee to appeal the award made by any court or other public agency in any condemnation proceeding.

Section 22. Estoppel Certificates. Lessor, at any time and from time to time, upon not less than thirty (30) days' prior written notice from Lessee, will execute, acknowledge and deliver to Lessee or to whomsoever Lessee may direct or to the Lender on the request of the Lender, a certificate of Lessor certifying that this Amended Ground Lease is unmodified (or, if there have been any modifications, identifying the same); that this Amended Ground Lease is in full force and effect; and that there is no default hereunder (or, if so, specifying the default).

Section 23. Miscellaneous.

(a) Laws of Florida Govern. This Amended Lease shall be governed by and be construed in accordance with the laws of the State of Florida without regard to conflict of laws principles.

(b) Force Majeure. Except as otherwise expressly provided herein, neither party shall be responsible for any delay in their respective performances called for under this Amended Ground Lease which is caused by acts of God, war, national emergency, labor strike, shortages of material, or governmental regulations or control.

NOW, THEREFORE, in consideration of the respective representations and agreements hereinafter contained, the parties hereto agree to adopt this Amended Ground Lease:

Section 1. Leased Premises. Lessor hereby leases to Lessee that certain unimproved real property lying in the City of Palatka, Florida, all as more particularly described in Exhibit "A" Parcel A attached hereto and made a part hereof by reference (the same constituting the "Leased Premises").

Section 2. Term. The term of this Amended Ground Lease shall commence on the Effective Date and terminate on June 30, 2065 .

Section 3. Use of Leased Premises.

(a) Student Housing. The Leased Premises shall be used by Lessee solely for the purpose of constructing the Project to be operated and managed by Sublessee or SubLessee's designee. The Project shall further consist of such other support facilities, necessities and amenities related to such Project.

(b) Compliance with Rules and Regulations. Lessee shall not use or permit the Leased Premises to be used in violation of any valid present or future laws, ordinances, rules or

regulations of any public or governmental authority at any time applicable thereto relating to sanitation or the public health, safety or welfare, or relating to the construction and operation activities in, and use of, the Leased Premises or the Project.

(c) Commercial Facilities Prohibited. It is understood and agreed by the parties hereto that no part of the Leased Premises may be used for construction or operation of any commercial facilities whatsoever, provided that concessions, franchises, coin operated equipment and machines of a similar nature, to provide services such as food, beverage, laundry, telecommunication or other services that are installed and maintained for the convenience of users of the Project shall not be considered commercial facilities for purposes of this section.

Section 4. Rental. Throughout the term of this Amended Ground Lease, Lessee covenants and agrees to pay to Lessor, as base rent, an amount equal \$1.00 per annum as additional consideration for the Amended Lease.

Section 5. Ownership of Improvements and Surrender of Leased Premises.

(a) Ownership. Lessee shall at all times during the term of this Amended Ground Lease have title to all improvements made to the Leased Premises by Lessee and shall own all personal property acquired by the Lessee and placed on the Leased Premises during the term of this Amended Ground Lease. Upon the termination of this Amended Ground Lease with respect to any portion of the Leased Premises (whether by expiration of the term hereof or prior termination for any cause set forth herein) title to all improvements and ownership of all personal property on that portion of the Leased Premises shall thereupon vest in Lessor or its successor in interest. Lessee shall, nonetheless, thereafter execute and deliver to Lessor such evidence of title as Lessor may reasonably request.

(b) Surrender of Leased Premises. Lessee shall, on or before the last day of the term hereof or upon the sooner termination hereof for any cause set forth herein with respect to any portion of the Leased Premises, peaceably and quietly surrender to Lessor the Leased Premises together with all improvements and all furniture, furnishings, and equipment (except for any commercial or other equipment not owned by Lessee) located in or upon that portion of the Leased Premises, free and clear of any liens and encumbrances other than permitted encumbrances.

(c) Lessee's Obligations. Contemporaneously with the expiration of the term hereof or sooner termination of this Amended Ground Lease for any cause set forth herein with respect to any portion of the Leased Premises, Lessee shall immediately execute and/or deliver to Lessor the following (but nothing contained herein shall in any way limit or impair the rights of Lessor in the event of a default by Lessee):

1. Such documents of title and other instruments as Lessor may request to enable Lessor's ownership of all improvements and all furniture, furnishings and equipment located on that portion of the Leased Premises to be reflected of record; and

2. All books, records, construction plans, surveys, permits and other documents relating to, and necessary or convenient for the operation of, the Project constructed on that portion of the Leased Premises.

(d) Abandonment. Any personal property of Lessee or any sublessee or of any other person (except for vending machines or other commercial equipment) that remains on the Leased Premises after expiration of the term of this Amended Ground Lease and for thirty (30) days after request by Lessor for removal, shall, at the option of Lessor, be deemed to have been abandoned and may be retained by Lessor as its property or be disposed of without accountability, in such manner as Lessor may see fit.

Section 6. Lessor's Interest Not Subject to Certain Liens.

(a) It is mutually intended, stipulated and agreed that the Lessor's fee simple interest in the Leased Premises shall not be subjected to liens of any nature arising by reason of the construction of improvements upon the Leased Premises or by reason of any other act or omission of Lessee or any person claiming under, by or through Lessee, including, but not limited to, mechanics' and materialmen's liens. All persons dealing with Lessee are hereby placed on notice that any improvements constructed upon the Leased Premises are the property of Lessee and are constructed for Lessee's use and benefit, and that they should not look to Lessor or to Lessor's credit or assets for payment or satisfaction of any obligations incurred therefore. Lessee has no power, right or authority to subject Lessor's fee simple interest in the Leased Premises to any mechanics' or materialmen's lien or claim of lien. Each of the parties hereto agree that a memorandum of this Amended Ground Lease and any supplements hereto will be recorded in the property records of Putnam County, Florida.

(b) In the event a lien, claim of lien or order for the payment of money shall be imposed against the Leased Premises or the Project resulting from or arising out of any act or omission of Lessee or any person claiming under, by or through Lessee, Lessee shall, within thirty (30) days after receipt of notice of the imposition of such lien, claim or order, cause the same to be discharged, satisfied, canceled or released, and the Leased Premises and the Project to be released therefrom, by the payment of the obligation secured thereby or by the furnishing of a bond or by any other method which may be prescribed or permitted by law, Lessee shall thereupon furnish Lessor with evidence of having done so in form satisfactory and requisite for recording in the Office of the Clerk of the Circuit Court, Putnam County, Florida.

(c) Should Lessee desire to litigate the validity of any lien or claim of lien, nothing herein shall preclude Lessee from doing so, provided that Lessee shall have first posted an appropriate and sufficient bond in favor of claimant and thereby obtained the release of the Leased Premises and the Project from such lien. If judgment is obtained by the claimant of any lien, Lessee agrees to pay the same immediately after such judgment shall have become final and the time for appeal therefrom has expired. Lessee shall, at its own expense, defend the interests of Lessee and Lessor in any and all such suits. Lessor may, at its own expense, engage its own counsel and assert its own defenses, in which event Lessee agrees to cooperate with Lessor and make available to Lessor all information and data deemed by Lessor to be necessary or desirable for such defense.

Section 7. Insurance.

Lessor shall obtain and maintain, at Lessee's expense, such insurance coverages and limits as agreed to in writing by both Lessor and Lessee.

Section 8. Condition of Leased Premises - Fill, Utilities.

(a) Lessee agrees to accept the Leased Premises in their presently existing condition, "as is."

(b) It is understood and agreed that Lessor has not determined that the Leased Premises will safely or adequately support the type of improvements desired to be erected and maintained by Lessee upon the Leased Premises.

(c) Lessor, at its sole expense, shall bring or cause to be brought to the Leased Premises adequate connections for water, electrical power, storm sewerage and sewerage, and shall arrange with the appropriate utility companies for furnishing such services. Lessee shall have the right, at its own expense, to request and receive telephone and communication services from the utility companies furnishing such services subject to the customary rules and regulations of said utility companies whether the companies deliver such services directly through their own conduits or pipes, or through conduits and pipes owned by Lessor. Lessor agrees to grant such utility companies' rights of access over, under and across the remaining property of Lessor as shall be necessary and convenient for the efficient operation of the housing system facilities, and which do not materially impair the present and future uses of the remaining property of Lessor. Any construction or extension of facilities shall be subject to prior written approval of Lessor, and shall be made without cost to Lessor.

(d) Lessee shall at all times prevent entrance of objectionable quantities of deleterious wastes into Lessor's sewerage system, storm water drainage system and conduit system as required by the applicable governmental authority.

(e) Drains or other facilities provided by Lessee for the purpose of disposing of storm or other waters shall conform to the requirements of all applicable governmental authorities.

Section 9. Fee Unencumbered; No Pledge of Credit of State. Under no circumstances will the fee title to the Leased Premises be encumbered other than by the leasehold interest created herein, or easements created pursuant hereto. No act taken pursuant to or in furtherance of this Amended Ground Lease shall be, or be construed to be, a pledge of the credit of the State of Florida or any agency, department or board thereof.

Section 10. Assignment, Subletting and Mortgaging of Leasehold Interest.

(a) Lessee shall not have the right to assign this Amended Ground Lease, or any portion thereof, or to sublease all or any portion of the Leased Premises without the prior written consent of Lessor. Any assignment of this Amended Ground Lease or subletting of all or any portion of the Leased Premises shall be subject to Lessor's prior written consent, which consent Lessor shall not unreasonably withhold. Except as expressly permitted herein, any purported

assignment, partial assignment or sublease without Lessor's prior written consent in violation of this paragraph (a) shall be null and void, and the attempt to so assign or sublease, shall constitute a default under this Amended Ground Lease.

(b) It is expressly understood and agreed that any such assignment, sublease, sale or transfer shall not relieve Lessee of any of its responsibilities and obligations under this Amended Ground Lease and that any and all assignees, sublessees or transferees shall be subject to, and bound by all of the applicable terms, covenants and conditions contained in this Amended Ground Lease except that Lessee shall be relieved from any and all obligations hereunder if Lessee shall sell or assign all of its interest in the Leased Premises with Lessor's prior written consent.

Section 11. Utility Easements. Lessor reserves the right to grant nonexclusive utility easements, licenses, rights-of-way and other rights or privileges in the nature of easements to others over, under, through, across or on the Leased Premises; provided, however, that such grant is not detrimental to the use or operation of the Project, will not damage or disrupt the physical facilities of said Project, and will not impose any cost upon Lessee.

Section 12. Approval of Height of Structures. Lessee shall, with the cooperation of Lessor but at Lessee's sole expense, secure any required approvals as to the height of any buildings, structures or objects proposed to be erected upon the Leased Premises from all governmental agencies having jurisdiction.

Section 13. Indemnification of Lessor. Lessee shall defend, protect, save, hold harmless and indemnify Lessor and its officers, directors, agents, servants, employees and assigns of each, from and against any and all claims, demands, losses, costs, damages, liens, suits, judgments, penalties, expenses, and liabilities of any kind or nature whatsoever (including attorneys' fees) which are caused by any acts or omissions of Lessee, its employees, servants or agents except where such are caused by the tortious, unlawful or negligent conduct of those indemnified hereunder.

Section 14. Taxes and Fees.

(a) Lessee agrees to pay any applicable taxes, assessments, license fees and charges on goods, merchandise, fixtures, appliances, equipment and property in or about the Leased Premises.

(b) It is understood that Lessor is exempt from ad valorem taxation with respect to its facilities that are used for its purposes. However, should the Leased Premises or any interest therein or improvement (including the Project) thereon ever become subject to any taxes of any kind, Lessee agrees to pay any and all such lawful taxes, assessments or charges which at any time may be levied by any federal, state, county, city, or any tax or assessment levying body upon the Leased Premises, or any interest in this Amended Ground Lease, or any possessory right which Lessee may have in or to the Leased Premises or the Project thereon by reason of its use or occupancy thereof or otherwise.

(c) Notwithstanding the foregoing provision, Lessor shall, after notifying Lessee of its intention to do so, have the right to contest in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment, and in connection with such contest Lessor may refrain from paying such tax or assessment so long as such contest will not, in the opinion of Lessor's attorney, subject any part of the Leased Premises or the Project to forfeiture or loss, in which event such taxes, assessments or charges shall be paid promptly. Lessee shall, upon request by Lessor, assist and cooperate with Lessor in any such proceedings and Lessee shall bear any costs or expenses of Lessee in connection with the rendering of such assistance. This provision shall in no way be construed as restricting Lessee from contesting, at its own expense, the legality of such tax or assessment if it so desires.

Section 15. Default by Lessee.

(a) Each of the following events shall be deemed a default by Lessee hereunder and a breach of this Amended Ground Lease:

1. If Lessee shall fail to pay, when due, any rent or portion thereof, or any other sum which Lessee is obligated to pay under the terms of this Amended Ground Lease, and such sums remain unpaid for a period of thirty (30) days after receipt of written notice by Lessee from Lessor;

2. If Lessee shall attempt to assign this Amended Ground Lease, or any portion thereof, in violation of the terms of this Amended Ground Lease, or to sublease any portion of the Leased Premises in violation of Section 10 hereof;

3. If Lessee shall use the Leased Premises and/or the Project for any purposes not expressly permitted by this Amended Ground Lease, and such use shall continue for a period of fifteen (15) days after Lessor shall have given written notice to Lessee to desist from such use;

4. If Lessee shall abandon the Leased Premises and/or the Project;

5. If Lessee shall otherwise fail to comply with any other covenant or condition of this Amended Ground Lease and such failure to comply shall continue for a period of fifteen (15) days after receipt of written notice thereof by Lessee from Lessor.

(b) In the event that any of the items of default set forth in subparagraphs (a) 3. or (a) 5. above is of such nature that it cannot be remedied within the time limits therein set forth, then Lessee shall have such additional time as is reasonably necessary to cure such default, provided Lessee commences the curing of such default within said time limits and proceeds to completely cure the same in a timely and diligent manner.

(c) Lessor will send to the Lender all notices of default it sends to Lessee at the same time it sends such notice to Lessee.

Section 16. Remedies of Lessor.

(a) Upon the occurrence of any event of default Lessor may then terminate this Amended Ground Lease by written notice to Lessee and re-enter upon and take possession of the Leased Premises and the Project. In the event Lessor elects to avail itself of the rights and remedies contained in this Section, then such election by Lessor shall entitle Lessor to assume all of Lessee's right, title and interest in and to the Project, as well as all structures and improvements on the Leased Premises, and the furniture, furnishings, fixtures and equipment therein or thereon all subject to the interests of the Sublessee under its sublease, and Lessee shall surrender and deliver possession of the same to Lessor. In addition to the foregoing remedy, Lessor shall be entitled to collect from Lessee any and all costs, including reasonable attorney's fees, which Lessor may incur by reason of Lessee's default hereunder. All of Lessor's rights and remedies shall be subject to Sublessee's rights and interests under the terms of its sublease.

(b) In no event shall the Lessor terminate this Amended Ground Lease prior to the payment in full of the indebtedness of Sublessee under its sublease with Lessee without the prior written consent of the Sublessee's lender.

Section 17. Waivers. No waiver by Lessor at any time of any of the terms, conditions, covenants or agreements of this Amended Ground Lease, or non-compliance therewith, shall be deemed or taken as a waiver at any time thereafter of the same, nor of any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by Lessee. No delay, failure or omission of Lessor to re-enter the Leased Premises, nor to exercise any right, power, privilege or option arising from any default shall impair such right, power, privilege or option, or be construed to be a waiver of any such default, relinquishment thereof or acquiescence therein, and no notice by Lessor shall be required to restore or revive time as being of the essence hereof after waiver by Lessor of default in one or more instances. No option, right, power, remedy or privilege of Lessor shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options or remedies given to Lessor by this Amended Ground Lease are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law.

Section 18. Waiver of Claims. Lessee hereby waives any claim against Lessor and all of its officers, agents or employees thereof for loss of anticipated profits or other damages caused by any suit or proceeding by any third party directly or indirectly attacking the validity of this Amended Ground Lease or any part hereof, or by any judgment or award in any suit or proceeding declaring this Amended Ground Lease null, void or voidable, or delaying the same, or any part hereof by any third party, from being carried out. In the event a suit or other proceeding results in this Amended Ground Lease or any part hereof being declared void or invalid the parties hereto agree to enter into renegotiation efforts to arrive at a valid agreement which will be satisfactory to both parties and the Lender. Lessor hereby represents and warrants that Lessor is duly authorized to enter into this Amended Ground Lease.

Section 19. Quiet Enjoyment. Lessor agrees that Lessee, upon the payment of the rent and all other payments and charges to be paid by Lessee under the terms of this Amended Ground Lease, and observing and keeping the agreements and covenants of this Amended Ground Lease

on its part to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Leased Premises during the term of this Amended Ground Lease, without hindrance or molestation.

Section 20. Terms Binding Upon Successors. All the terms, conditions and covenants of this Amended Ground Lease shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

Section 21. Condemnation.

(a) In the event that any person or corporation, public or private, shall by virtue of eminent domain or condemnation proceedings, or by purchase in lieu thereof, at any time during the term of this Amended Ground Lease acquire title to the Leased Premises (which for the purpose of this Section only shall include not only the land hereby demised but also the Project and other improvements erected thereon by Lessee) or acquire title to such substantial portion thereof that Lessee cannot make use of the residue for the purposes intended by this Amended Ground Lease, such acquisition of title shall terminate this Amended Ground Lease, effective as of the date on which the condemning party takes possession thereof. Lessor and Lessee shall be entitled to separate awards with Lessor entitled to the value of the land taken and all damages to the remainder property, including, without limitation, severance damages, and Lessee entitled to the cost of the improvements taken and any damages relating thereto.

(b) If the condemning party acquires title to a portion of the Leased Premises only, and Lessee can make beneficial use of the residue thereof for the purposes intended by this Amended Ground Lease, then this Amended Ground Lease shall continue in full force and effect and the total proceeds of condemnation after payment of reasonable attorney's fees and other necessary expenses incurred by either party in connection therewith shall be applied first to the repair or restoration of the housing system facilities by Lessee in accordance with plans and specifications approved by Lessor. Any remaining balance of the condemnation proceeds shall be for the benefit of Lessor.

(c) It is understood that the foregoing provisions of this Section shall not in any way restrict the right of Lessor or Lessee to appeal the award made by any court or other public agency in any condemnation proceeding.

Section 22. Estoppel Certificates. Lessor, at any time and from time to time, upon not less than thirty (30) days' prior written notice from Lessee, will execute, acknowledge and deliver to Lessee or to whomsoever Lessee may direct or to the Lender on the request of the Lender, a certificate of Lessor certifying that this Amended Ground Lease is unmodified (or, if there have been any modifications, identifying the same); that this Amended Ground Lease is in full force and effect; and that there is no default hereunder (or, if so, specifying the default).

Section 23. Miscellaneous.

(a) Laws of Florida Govern. This Amended Lease shall be governed by and be construed in accordance with the laws of the State of Florida without regard to conflict of laws principles.

(b) Force Majeure. Except as otherwise expressly provided herein, neither party shall be responsible for any delay in their respective performances called for under this Amended Ground Lease which is caused by acts of God, war, national emergency, labor strike, shortages of material, or governmental regulations or control.

On or before commencement of construction at the Property, Tenant shall cause each Contractor to deliver to Landlord, in a form reasonably acceptable to Landlord and its counsel, a waiver and release, the substance of which shall be a waiver of any right such Contractor may have to a claim of lien of any kind or nature upon any part of Landlord’s interest in the Property, and a release of Landlord and the Board from all claims that such Contractor might at any time have arising out of or relating to the applicable Construction Contract or the Project.

(f) Construction and Testing. Tenant is required to make or arrange for all site inspections and to be responsible for monitoring or arranging for quality assurance, quality control, sampling, testing and reporting relating to the design, demolition and construction work. Tenant shall keep Landlord informed of the schedule of such inspections, sampling and tests in order that representatives of Landlord may observe them and receive any test results or reports prepared on the basis thereof.

(g) Disruption to Adjacent Properties. Tenant shall take all reasonable action and precaution to avoid and minimize disruption to traffic, parking and activities on or in the vicinity of the Campus during performance of work relating to the Project. Landlord shall cooperate with Tenant upon Tenant's reasonable request to provide access over portions of the Campus to the Property which is necessary for performance of any such work. During the course of the work, Tenant shall cause all Contractors, subcontractors and personnel performing work on or making deliveries or pick-ups at the Property to park trucks and vehicles solely on the Property or in a designated parking or staging site reasonably agreed upon by Landlord and Tenant. All tools, equipment, supplies, materials and other items used in the performance of the work shall be stored on the Property or a designated staging area at the cost and risk of Tenant, Contractors and subcontractors. Any such repair or restoration shall be performed at the sole cost and expense of Tenant in accordance with generally accepted construction practices and the Standards.

(h) Insurance Requirements.

(i) Prior to commencing any activities on the Property, Tenant shall deliver to Landlord a certificate verifying the insurance coverage required hereunder. Tenant shall require each Contractor to procure and maintain the insurance coverages and shall require all Contractors to require all subcontractors and vendors providing labor, services, equipment or material in relation to the Project to carry any and all insurance coverage that adequately covers each subcontractor's exposure based on the type of labor, work or services each will provide. All policies shall be with insurance companies authorized to do business in the State of Florida and meeting the requirements for insurance companies set forth in this Amended Lease. Tenant agrees to furnish a current certificate(s) of insurance to Landlord prior to commencement of the construction work and thereafter upon written request of Landlord as evidence that the coverages remain in effect.

(ii) It is the responsibility of Tenant, each Contractor and each subcontractor to secure and maintain all insurance policies that may be necessary or advisable in connection with the respective Construction Contracts and the work related to the Project. The absence of a requirement herein for any type of insurance policy or insurance coverage, or for higher coverage limits shall not be construed as a waiver of Tenant's, Contractors' and all subcontractor's obligations to carry and maintain the types of insurances at limits that are appropriate to the liability exposure associated with design, equipping and construction of the Project. Landlord makes no representation or warranty, express or implied, that the coverage and limits accepted will be adequate to cover Tenant's, Contractors' and all subcontractors' liability and otherwise satisfy Tenant's other obligations under this Amended Lease. Tenant waives and shall cause insurers of each Contractor and subcontractors to waive all rights and claims against Landlord and the Board for all claims, losses or damages covered by such policies of insurance, and all rights of subrogation of its insurers. (i) Tenant shall use all commercially reasonable efforts to prosecute the Project design and construction work with diligence. The Tenant shall provide Landlord prompt notice of the occurrence of a delay that will have or potentially have an adverse effect on the completion following such time as Tenant has knowledge of the same. Such notice shall provide a sufficiently detailed description of the event or cause that constitutes the delay and the proposed number of days that the delay will affect work on the path to completion.

(ii) Tenant shall provide access, information and documents reasonably requested by Landlord to enable Landlord to monitor the performance, progress and status of the development activities, design work, permitting, procurement and the construction work and compliance with the Project Baseline Schedule. Landlord shall be notified in advance of and shall have the right to attend development team meetings relating to the Project and the performance, progress and status of the design and construction work. Tenant shall promptly notify Landlord in the event of the occurrence of any fact, event, condition or circumstance reasonably likely to adversely impact the cost or schedule for performance of development activities, design work, construction work or the completion of any Improvement, element or component of the Project or the occurrence of a Permitted Delay upon Tenant obtaining knowledge thereof.

(iii) If Tenant has not received a temporary or permanent certificate of occupancy or its equivalent permitting the use and occupancy of the Project for the Permitted Uses no later than August 1, ~~2025~~2024] or if after completion of the Project, all or any portion thereof is not habitable, then Tenant shall provide temporary housing for Eligible Residents who have executed housing contracts or agreements with respect to the project (“**Affected Residents**”). Tenant will endeavor to provide temporary housing of a quality and condition comparable to the Project within the area within a radius of approximately five miles of the Project.

(j) Outside Completion Deadline. If Tenant has not achieved Substantial Completion of the Project on or before the Substantial Completion Deadline, then Landlord may, in addition to its other rights and remedies, (i) perform or procure performance of the work to complete construction of all or any portion of the Project as Landlord determines in its absolute and sole discretion; and (ii) execute on any payment and/or performance bond or other security. Landlord will reasonably refrain from the potential exercise of the right to perform or procure performance of the work through completion of the Project subject to the diligent and continuous effort by any Lender and payment and performance sureties to step-in, perform and complete the design work and the construction work and to achieve Substantial Completion, final acceptance and occupancy and use of the Project on a timely basis. If Tenant or Landlord reasonably determines that Tenant will not achieve Substantial Completion of any Improvement or portion of the Project by the applicable Scheduled Substantial Completion Date, Tenant shall provide Landlord with a remedial plan to re-sequence and/or accelerate performance of the work to achieve completion of each Improvement and the Project in accordance with the Project Baseline Schedule.

(k) Substantial Completion. The term “**Substantial Completion**” means with respect to the Project (i) the Architect executes and delivers, for the benefit of Tenant and Landlord, a Certificate of Substantial Completion in the form of the American Institute of Architects document G704, certifying substantial completion of the Project and each of the Improvements in accordance with the Plans and Specifications; and (ii) Tenant has obtained from the applicable Governing Authority a temporary or permanent certificate of occupancy or its equivalent allowing occupancy of the Project and each of the Improvements exclusive of immaterial “punch list” work that does not prevent Tenant from safely possessing, occupying and using, on a continuous and uninterrupted basis, the Improvements for the

intended purposes and uses permitted by this Amended Lease. The term “**Substantial Completion Date**” means with respect to each Improvement, as applicable, the date on which Substantial Completion occurs. Tenant shall diligently accomplish performance and completion of all punch list work and achieve final completion of the Project within ninety (90) days after the applicable Substantial Completion Date. Within ninety (90) days after the Substantial Completion Date, Tenant shall provide Landlord with a complete set of the “as built” Plans and Specifications in the form and medium reasonably requested by Landlord. To the extent such rights may be granted/assigned by Tenant, Landlord shall be granted and shall have and possess an absolute, perpetual, non-exclusive, royalty-free, assignable and sub-licensable license and right to use the “as-built” Plans and Drawings solely in connection with the Project located on the Campus.

(1) Landlord Step-In. In the event of the breach, failure, non-performance or default by any Architect or any Contractor in connection with the performance of design work or construction work, Tenant shall diligently exercise its rights and remedies available to Tenant under the applicable agreement in consultation with Landlord. If Tenant shall be in breach or default under a Construction Contract or an Architect’s Agreement, and a breach is not cured with the applicable cure period, if any, under the applicable agreement or contract, and the Lender, Leasehold Mortgagee and/or the performance bond surety fail to promptly commence performance of the affected work and diligently prosecute the work to completion Landlord may elect by notice to Tenant, the Lender and the Leasehold Mortgagee, at Landlord’s absolute and sole discretion, and at the cost and expense of the Tenant, to exercise and assert the rights and remedies of Tenant under the terms of the Construction Contracts or the Architect’s Agreements without assuming the obligations of Tenant thereunder, as applicable.

Section 5.4 Utility Lines

(a) The Project includes the installation of new infrastructure and facilities and may include the enhancement, extension, replacement, removal, relocation, upsizing, repairing, interconnecting to or improving portions of Landlord’s existing infrastructure and facilities to the extent necessary for the construction and operation of the Project, for utility service, fire protection, information technology systems, access control, security monitoring, emergency notifications, telephone, wireless, cable television and/or other communications facilities, servicing the Project and other portions of the Campus affected by the construction of the Project, for which Tenant is responsible during the construction of the Project (collectively, the “**Utility Lines**”). Tenant shall pay for the costs of all labor, services, equipment, machinery, conduits, pipes, valves, fiber, wires, materials, supplies, systems and items related thereto, including any concurrency obligations, and on-site infrastructure improvements, payable with respect to the Utility Lines, except as agreed to by Landlord or College .

(b) Tenant shall be solely responsible for the cost of all reservation charges, capacity charges, connection fees, tap fees and any other rents, rates, assessments, surcharges, fees, taxes and charges incurred in connecting the Project to existing utility infrastructure and receiving utility service at the Project, except as expressly agreed to by Landlord or College.

(c) Tenant will design, install and construct the Project and Utility Lines such that the required capacity for all utilities necessary to service the Project will be installed using all commercially reasonable efforts to limit any reductions, curtailments or disruptions in service to other improvements, buildings and facilities on or in the vicinity of the Campus. Tenant will at its cost (i) relocate existing utility facilities and lines serving the Campus as necessary to maintain continuity of service; (ii) install and connect new Utility Lines, facilities, meters and infrastructure for delivery of service to the Property; and (iii) procure and maintain delivery of utility service to the Project throughout the Lease Term.

If Tenant intends to receive any utility service from Landlord instead of contracting with a third party utility, Tenant shall compensate Landlord for any capacity, resources, credits or other entitlements which would be utilized in order for Landlord to provide such utility service, in addition to all rents, deposits, charges, surcharges, fees and other amounts charged by Landlord for delivery, consumption or use of service at standard rates charged for similarly situated users located on the Campus.

Section 5.6 Construction Access.

(a) Access. Landlord shall reasonably cooperate with Tenant in defining and coordinating the specific ingress and egress routes that all construction traffic must use to access the Property. Until the construction of the Project has been finally completed, at the reasonable request of Tenant, Landlord shall provide to Tenant non-exclusive licenses and rights of ways over designated sidewalks, parking lots and roadways on the Campus in order to provide ingress and egress of pedestrians and vehicles to and from the Property and/or to and from a duly open public street. Landlord has the right to change the locations of any such licenses or rights of way at any time and from time to time in its sole discretion as long as a change does not unreasonably interfere with the performance of the construction work or prohibit Tenant's access to an open public street.

(b) Construction Related Parking. Tenant's employees, representatives, vendors, invitees, guests, agents, and contractors (including contractors, subcontractors and vendors of all tiers, performing work or supplying any goods, supplies or materials related to the Project) must comply with all rules and regulations of Landlord and the College Standards with regard to operation and parking of vehicles and mobile equipment on the Campus.

Section 5.7 Other Easements, Licenses or Rights of Way.

(a) The Project may require easements, licenses or rights of way for utility infrastructure and surface water drainage, detention and retention over and on portions of the Campus, in order to comply with requirements of the Landlord and Governmental Authorities having jurisdiction over the Property and the Campus or as necessary for the use, access or operation of the Project. Landlord shall grant (or cause to be granted by the Board) temporary construction easements, licenses, rights of way, or easements for utilities or surface water drainage, detention and retention or as necessary for the use, access or operation of the Project, co-terminus with this Amended Lease, upon the reasonable request by Tenant and on terms reasonably acceptable to the Parties, consistent with this Amended Lease and any other existing easements, licenses or rights of way.

(b) Landlord shall have the right at any time and from time to time to grant, modify or cancel licenses, easements and rights of way to third parties and to change the locations of any easements, licenses or rights of way granted to Tenant, as it sees fit, in its reasonable discretion after consultation with Tenant and at no cost to Tenant, as long as such grants, modification or cancellations do not interrupt, interfere with and/or materially impair Tenant's ability to construct, access, operate, maintain, repair, rehabilitate and use the Project. Subject to the applicable terms of the Financing Documents, Tenant agrees to cooperate with Landlord in connection with any such grant, modification or cancellation of any license, easement or right of way.

Section 5.8 Changes to Plans and Specifications.

(a) No Significant Changes shall be made to the Plans and Specifications or any Improvements without the prior written consent of Landlord. The Project as constructed in accordance with the Plans and Specifications must comply in all material respects with the requirements of this Amended Lease. Within five (5) Business Days after written request from Tenant (or such longer period reasonable under the circumstances with respect to Significant Changes), accompanied by (i) the proposed changes to the Plans and Specifications; (ii) information regarding the impact of the proposed changes on the affected Improvement and the Project, including the cost and schedule for performance of any related work, the structural integrity, useful life, functionality, maintenance, capital asset repair, replacement, and sustainability of the affected Improvements; as well as (iii) other documents and information requested by Landlord, Landlord shall either reject or approve the proposed changes to the Plans and Specifications. If Landlord rejects the proposed changes, Landlord shall specify the reason for Landlord's rejection or any particular changes which must be made to such document(s) for them to be reasonably acceptable to Landlord, in which case Tenant shall have the right to re-submit its request at any time thereafter.

(b) For the purposes hereof "**Significant Changes**" shall mean a change in: (1) any material respect with regard to (i) with respect to buildings, structures and facilities, any change affecting exterior walls and elevations, building bulk, coverage or floor area ratio or number of floors from the Plans and Specifications, as applicable; (ii) the colors, size or design or use of exterior finishing materials substantially affecting architectural appearance from those shown and specified in the Plans and Specifications, as applicable; (2) any material adverse respect with regard to (i) the functionality, use and operation, useful life or cost of operation, maintenance, repair or rehabilitation of the Improvement from those shown and specified in the Plans and Specifications; or (ii) the placement, capacity, size or rating of any Building System or service facilities or in the number of elevators, or stairs or changes in general pedestrian, bicycle or vehicular circulation in, around or through the Project from the Plans and Specifications, as applicable.

In the event that notwithstanding the efforts of the Parties to have all Tax bills delivered directly to Tenant a Tax bill is delivered to Landlord, Landlord agrees to forward to Tenant any such Tax bill received by Landlord, provided that the failure or delay by Landlord in delivery of such bill shall not be a breach by Landlord hereunder. Tenant shall provide Landlord, upon Landlord's request, with evidence of payment of all Taxes which may be due. Tenant shall have the right, at its sole cost and expense, following consultation with Landlord, to contest or review by legal, administrative, appellate or other proceedings the validity and amount of any Taxes relating to the Project. All amounts so

paid by Landlord shall bear interest at the Default Rate from the date Landlord makes such payment, and such amounts with all interest accrued thereon shall become Additional Sums and be payable promptly upon written demand by Landlord.

(c) Tenant's obligation under this Section 6.6 shall terminate with respect to Taxes which accrue after the expiration or termination of the Lease Term, provided that Tenant does not hold over and timely vacates the Property and the Project and executes all agreements, deeds, instruments and documents requested by Landlord in connection with transfer of ownership of the Project and Tenant's Personalty in accordance with this Amended Lease. Landlord may make such challenge upon the conditions that, during the pendency of such challenge, (i) Tenant shall not be at risk of any civil or criminal fine, fees, penalty, interest, charge, sanction or liability; and (ii) the Property and the Project shall not be subject to the imposition of any lien as a result of such noncompliance. Tenant may elect to intervene and join in such proceedings, at its sole cost and expense. If Landlord fails to pay any Landlord Taxes prior to delinquency unless Landlord is contesting in accordance with this Amended Lease, Tenant may pay the Landlord Taxes, together with any and all interest, fees, charges and penalties, at its option in its sole discretion if Landlord fails to make such payment prior to the expiration of a ten (10) day cure period following written notice by Tenant. ARTICLE 11. ALL MAINTENANCE AND REPAIRS BY TENANT

Section 11.1 General Obligations. Tenant shall be responsible for performing the Tenant Services, at its expense, during the Lease Term. Tenant will have the right at any time to self-perform or contract with Landlord and/or third parties for the performance of any of the Tenant Services.

The cost of the facilities condition assessment report shall be paid from the Repair and Replacement Account unless Landlord has requested the report without identifying a material concern, in which event the report shall be at Landlord’s cost and expense. The Management Committee, will determine the nature and scope of services and deliverables to be provided by the independent engineer and the schedule, budget and funding by Tenant of its implementation of remedial action in accordance with the requirements of this Amended Lease to address any defects or deficiencies identified by the independent engineer with respect to any Improvement or the Project; provided, however, that defects or deficiencies identified in the report shall not be addressed in the event the same (a) are scheduled to be addressed during the next Annual Period pursuant to the Repair and Replacement Schedule and (b) are non-essential items that may improve usability of the Improvements but do not impact life safety, security, the welfare of residents, code compliance, or building functionality. The report shall detail the nature, scope, schedule and cost of all work and procurement necessary to assure that such structural elements and Building Systems of the Improvements meet or exceed the condition required by this Amended Lease for handback to Landlord at the end of the Lease Term. The Management Committee shall coordinate the engagement of the independent engineer, the funding of a handback reserve account (“**Handback Reserve Account**”), the scope and schedule of any repairs and other work identified in the report of the independent engineer and procurement to be performed in accordance with this Amended Lease during the last three (3) Annual Periods of the Lease Term and the schedule for disbursing funds from the Handback Reserve Account, if necessary. (b) **Landlord.** Landlord shall not have the right at any time to assign (whether by operation of law or otherwise) any rights granted by this Amended Lease or sublet any interest of Landlord in all or any portion of the Property, or any Improvements, facility or building comprising the Project, without the prior written consent of Tenant, except as otherwise expressly set forth herein or in connection with an assignment or transfer of all or substantially all of Landlord's interests in the Property, the Improvements and any facility or building comprising the Project.

Section 15.2 Change in Ownership of Tenant. Tenant and its Tenant Members shall have the right at any time to make a Permitted Ownership Transfer without the prior consent of Landlord. Except with respect to a Permitted Ownership Transfer, each of the following shall be deemed an Ownership Transfer which shall be prohibited and an Event of Default without the prior written consent of Landlord within thirty (30) days following receipt of written request from Tenant: (a) the Tenant Member ceases to own, either directly or indirectly the majority of the membership interests in Tenant; (b) the Tenant Member is dissolved; (c) the Tenant Member or Tenant is merged, consolidated, liquidated, or sells all or substantially all of its assets; (d) there is a Change in Control of Tenant Member or Tenant, (e) the occurrence of an assignment, transfer or conveyance of assets, properties, rights or interests of Tenant or Tenant Member for the benefit of creditors or by operation of law; or (f) in connection with a proposed Ownership Transfer, Tenant Member or Tenant will not be owned or managed by a Person meeting the requirements of a Qualified Purchaser after giving effect to such Ownership Transfer. In the event that Landlord fails to give notice to Tenant that Landlord withholds consent to the Ownership Transfer within said 30-day period, Landlord shall be deemed to have consented to such proposed Ownership Transfer. Unless Tenant has obtained Landlord's written consent or deemed consent prior to such an Ownership Transfer, such an Ownership Transfer shall be null and void and an Event of Default.

Section 15.3 Qualified Purchaser Right of First Refusal. Subject to Landlord's right of first refusal set forth in this Section 15.3, Tenant shall have the right to sell its interest in this Amended Lease to a Qualified Purchaser effective as of (i) with Landlord's prior written consent, not to be unreasonably withheld, conditioned or delayed, during the period following Stabilization of the Project and prior to the fifth (5th) anniversary of the date of Substantial Completion of the Project (the "Post-Stabilization Period"), and (ii) without Landlord's consent, following the fifth (5th) anniversary of the date of Substantial Completion of the Project. In the event that, Tenant receives a term sheet or letter of intent to purchase its interest in this Amended Lease with closing to occur either following Stabilization or the fifth (5th) anniversary of the date of Substantial Completion of the Project, as applicable, and if Tenant desires to accept such term sheet or letter of intent, Tenant shall provide Landlord in writing with all material terms and conditions of the term sheet or letter of intent and, all documentation necessary to confirm the proposed transferee's status as a Qualified Purchaser (collectively, the "**Transfer Notice**"). If Landlord (i) reasonably disputes whether the proposed transferee is a Qualified Purchaser, and/or (ii) solely with respect to the Post-Stabilization Period, Landlord reasonably refuses to consent to the proposed Transfer, then Landlord must notify Tenant thereof within forty-five (45) days after receiving the Transfer Notice or the proposed transferee will be deemed a Qualified Purchaser (and Landlord's required consent shall be deemed given if the Transfer Notice relates to a Post-Stabilization Period Transfer). In the event Landlord determines that the proposed transferee is a Qualified Purchaser, and, during the Post-Stabilization Period, if applicable, gives its consent to such Qualified Purchaser as a proposed transferee, Landlord shall have forty-five (45) days after receiving the Transfer Notice during which to (i) notify Tenant in writing whether it will agree to purchase the interest described in the Transfer Notice on the terms and conditions stated therein (except as to the closing date, which shall be as set forth herein) and (ii) deliver to Tenant a letter in

which the chief financial officer of Landlord certifies that (a) the purchase of the interest described in the Transfer Notice on the terms and conditions stated therein will be in accordance with debt guidelines of Landlord and (b) Landlord has the bond capacity or other financial capability to purchase and finance the interest described in the Transfer Notice for the price set forth therein (collectively, the “**Initial Required Notices**”). If Landlord fails to timely deliver the Initial Required Notices to Tenant or declines to exercise its purchase right under this Section 15.3, then Landlord shall be deemed to have waived its purchase right under this Section 15.3 with respect to the applicable Transfer Notice and Tenant may proceed with the proposed Transfer for a price not less than the price set forth in the Transfer Notice and upon terms not materially more favorable to the transferee than the terms set forth in the Transfer Notice and upon the closing of such transfer, Tenant shall provide Landlord copies of the documents relating to the transfer including a written assumption by the proposed transferee of all of Tenant’s obligations under this Amended Lease arising from and after the effective date of the transfer. If Landlord timely delivers the Required Notices to Tenant, Landlord and Tenant shall close such purchase on a mutually agreeable date no later than one hundred twenty (120) days following Landlord’s receipt of approval by the Board of Trustees. In the event that Landlord shall fail to close on such purchase for any reason other than an Event of Default by Tenant hereunder, Tenant shall be entitled to proceed with the proposed Transfer or pursue the right of specific performance with respect to the Landlord. If Landlord waives (or is deemed to waive) its right of first refusal pursuant to this Section 15.3 with respect to a proposed Transfer, Landlord shall provide a recordable release of such right of first refusal as to the Transfer in a form generally acceptable to title insurers in the State of Florida.

Section 15.4 Notice of Intent to Market. Without limitation of the foregoing, Tenant shall provide written courtesy notice to Landlord of Tenant’s intent to market and sell the Project prior to initially publicly listing the Project for sale.

ARTICLE 16. MECHANICS AND MATERIALMEN'S LIENS

Section 16.1 Liens. Tenant shall not create, permit or suffer any mechanics or materialmen's liens or other liens to be filed against any Improvement or area of the Project, the Property or any portion of the Campus by reason of any work, labor, services, equipment, supplies, materials or items performed or furnished or related to the design, construction, maintenance, repair or replacement of the Project during the Term by Tenant or its Contractors or vendors. If any such lien, other lien or any notice of intention to file a lien shall at any time be filed or recorded against all or any portion of the Property, Tenant’s Leasehold interest in the Property or the Project, Tenant shall at Tenant’s cost, within ten (10) days after the Tenant obtains knowledge (including by notice to Landlord) that such lien or other document has been filed or recorded, commence and diligently pursue the removal or discharge of record of such lien or notice by payment, bond, order of a court of competent jurisdiction or otherwise; provided that Tenant shall have the right to contest any such lien in accordance with Florida law.

Section 16.2 Landlord Rights. If Tenant fails to remove or discharge any such lien or any notice of intention to file a lien within the prescribed time set forth herein, then in addition to any other right or remedy of Landlord, Landlord shall have the right in its discretion to procure the removal or discharge of the same by payment or bond or otherwise. Any cost, expense, fee or other amount paid by Landlord for such purpose, including reasonable attorneys’ fees, together with interest thereon at the Default Rate, shall be due and payable by Tenant to Landlord as Additional Sums upon Landlord’s written demand.

Section 16.3 No Waiver. Nothing contained in this Amended Lease shall be construed as a waiver, consent or agreement on the part of Landlord to subject Landlord’s estate in the Property or interest in the Project or any Improvement to any lien, encumbrance or liability arising out of construction,

operation, maintenance, repair, rehabilitation, replacement, alteration, use or occupancy of the Project by Tenant, its contractors and its subtenants. Tenant covenants and agrees to give any required notices or disclosures to Tenant's contractors advising that Landlord's interest in the Property and Project is not subject to liens arising from Tenant's design, construction, operation, maintenance, repair, replacement, alteration, use or occupancy of Improvements, facilities, buildings or structures on the Property or arising from any goods or services furnished, provided or performed by any contractor.

ARTICLE 17. LEASEHOLD ENCUMBRANCES

Section 17.1 Leasehold Encumbrances. During the Lease Term, subject to the terms of this Amended Lease, Tenant has the right to pledge, hypothecate or otherwise encumber from time to time its Leasehold interest under this Amended Lease as security for one or more Funding Agreements the proceeds of which are used for the purpose of funding the performance and satisfaction by Tenant of its obligations under this Amended Lease and/or to refinance prior Project Debt. Except to the extent expressly agreed to in writing by Landlord, no such Funding Agreement or any extension, renewal, re-financing or replacement thereof obtained by or on behalf of Tenant shall impose any obligation or liability whatsoever on Landlord or attach to, encumber or otherwise affect Landlord's interest in the Project, the Campus or the Property. The sole recourse of any Leasehold Mortgagee shall be against Tenant and Tenant's interest in the Project and Tenant's Leasehold interest under this Amended Lease. The underlying fee simple title to the Property and Landlord's reversionary interest in the Project shall not be mortgaged or encumbered by Tenant. All loans secured by Tenant's interest in the Project and this Amended Lease shall be paid in full, and any Leasehold Mortgage shall be cancelled, released and discharged at or before the expiration or earlier termination of the Term, including in connection with Landlord's exercise of the Buyout Option.

Section 17.2 Secured Party. If, from time to time, Tenant or Tenant's successors and assigns shall either encumber the leasehold estate created by this Amended Lease and/or Tenant's interest in the Project with a **Leasehold Mortgage** and if the **Leasehold Mortgage** delivers to Landlord an executed counterpart of such Leasehold Mortgage, together with each assignment thereof certified by such Leasehold Mortgage to be true, together with written notice specifying the name and address of such holder and the pertinent recording data with respect to such Leasehold Mortgage, if applicable, Landlord agrees that, anything in this Amended Lease to the contrary notwithstanding, from and after the date of receipt by Landlord of such notice and for the term (duration) of such Leasehold Mortgage the following provisions shall apply:

(a) **Consent to Amendment.** Except as provided below, there shall be no cancellation, surrender or modification of this Amended Lease by Landlord or Tenant without the prior written consent of any Leasehold Mortgagee, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing (but, in any event, subject to the cure rights granted to a Leasehold Mortgagee set forth in Sections 17.2(c) and (d)), nothing herein shall be deemed to prohibit or impair the rights of Landlord to terminate this Amended Lease in accordance with its terms or to exercise its Buyout Option or its other rights as provided for in this Lease. There shall be no material amendment, modification, change, extension, or restatement of the Leasehold Mortgage which is inconsistent with the Base Case Financial Model without Landlord's prior express written consent.

(b) **Notices to Secured Parties.** Landlord, upon sending Tenant any notice of an Event of Default, breach of a covenant or failure to perform, or termination of this Amended Lease, shall simultaneously send a copy of such notice to any Leasehold Mortgagee who has provided notice to Landlord thereof. In the event Landlord sends Tenant any such notice, the Leasehold Mortgagee shall then have the same period commencing after a copy of such notice is received by it (which period may be contemporaneous with cure efforts by Tenant) as is given to Tenant hereunder to remedy such failure, and

Landlord shall accept performances by or at the direction of any Leasehold Mortgagee as if it had been done by Tenant. Any notice required to be given to any Leasehold Mortgagee hereunder shall be posted in the United States mail, postage prepaid, certified, return receipt requested or sent by recognized overnight courier or delivery service and addressed to the Leasehold Mortgagee at the address and to the attention of the person designated by such Leasehold Mortgagee to receive copies of such notices. Except with respect to the right of Landlord to temporarily step-in and cure any breach, Default or delay or failure in performance by Tenant as provided in Section 13.3 and 13.4, Landlord shall not exercise any rights or remedies granted to it under this Amended Lease following an Event of Default by Tenant under this Amended Lease until the expiration of all notice and cure periods in favor of Leasehold Mortgagee as set forth in Sections 17.2(b), (c) and (d), to the extent applicable; provided that Leasehold Mortgagee commences effort to remedy such Event of Default within the initial time period available to Leasehold Mortgagee under Section 17.2(b) or commences effort to obtain possession of the Project, if necessary, and Leasehold Mortgagee diligently pursues such remedy or effort to obtain possession, as applicable.

(c) Curative Rights of Secured Parties. In addition to the rights granted to any Leasehold Mortgagee under Section 17.2(b), a Leasehold Mortgagee shall have an additional period of ninety (90) days commencing upon the expiration of the cure periods offered to Tenant (including cure periods under Section 13.6, if applicable) within which to remedy or cause to be remedied any Event of Default (or thirty (30) days with respect to an Event of Default for failure to pay amounts due and owing Landlord), provided that Leasehold Mortgagee commences efforts to remedy such Event of Default within the initial time period available to Leasehold Mortgagee under Section 17.2(b) or commences effort to obtain possession of the Project, if necessary, and Leasehold Mortgagee diligently pursues such remedy or effort to obtain possession, as applicable.

(d) Limitation Upon Termination Rights of Landlord. If Landlord elects to terminate this Amended Lease or re-enter upon the occurrence of an Event of Default for reasons other than a failure to pay amounts due and owing Landlord to the extent permitted in Section 13.2, the Leasehold Mortgagee shall also have the right to postpone and extend the date of termination or re-entry as fixed by the provisions of this Amended Lease for a period of not more than [six (6)] months from the expiration of the cure period specified in Section 17.2(c), provided that the Leasehold Mortgagee shall forthwith take steps necessary to acquire Tenant's interest and estate in this Amended Lease by foreclosure of its Leasehold Mortgage, or otherwise, and shall prosecute such action to completion with due diligence and thereafter upon obtaining such possession or control, as applicable, commence the curing of the Event of Default with due diligence; or (ii) if applicable, shall cause the Tenant to provide Landlord with a remedial plan acceptable to Landlord setting forth in reasonable detail how the Leasehold Mortgagee shall cure the Event of Default and thereafter perform Tenant's obligations, covenants and agreements under this Amended Lease. If at the end of the six (6) month period, the Leasehold Mortgagee is actively engaged in steps to acquire or sell Tenant's leasehold interest in this Amended Lease and the Project or to replace the management of the Project, the time for Leasehold Mortgagee to comply with the provisions of this Section 17.2(d) shall be extended for a period, acceptable in the sole discretion of the Landlord, as shall be reasonably necessary to complete the acquisition or sale or the remedial plan with reasonable diligence and continuity.

(e) Assignment. Landlord agrees that in the event of any foreclosure under any Leasehold Mortgage, either by judicial proceedings or under power of sale contained therein or transfer made in lieu of foreclosure (collectively, a "**Leasehold Mortgage Transfer**"), all right, title and interest encumbered by such Leasehold Mortgage may, without the consent of Landlord, be assigned to and vested in (x) the purchaser at such foreclosure sale or transferee of a transfer made in lieu of foreclosure, and such purchaser need not be a Qualified Purchaser or (y) a Leasehold Mortgagee or any Affiliate or designee of such Leasehold Mortgagee (a "**Mortgage Acquirer**"), subject and subordinate, however, to the rights, title and interests of Landlord; and, notwithstanding that Landlord's consent to said assignment shall not have been

obtained, any such purchaser or Mortgagee Acquirer shall be vested by virtue of such assignment with any and all rights of the party whose estate was encumbered by such Leasehold Mortgage as though Landlord had consented thereto. Within sixty (60) days of such Leasehold Mortgage Transfer: (i) with respect to any continuing Event(s) of Default which are susceptible of being cured, the assignee or purchaser at such foreclosure sale shall be required to provide a remedial plan that sets out in reasonable detail such party's plan, schedule and budget to cure such continuing Event(s) of Default which caused the foreclosure and to perform Tenant's obligations, covenants and agreements under this Amended Lease accruing after the date on which such assignee or purchaser obtains Tenant's leasehold interest in the Project; and (ii) any purchaser (other than a Mortgagee Acquirer), that has been deemed a "Qualified Purchaser" only by virtue of having acquired the Project pursuant to a Leasehold Mortgage Transfer, shall either engage a Qualified Manager, or take such actions as may be necessary to become a Qualified Purchaser. Any continuing Events of Default which are not susceptible of being cured by such assignee or purchaser shall, as to such assignee or purchaser, be deemed waived by Landlord upon the assignee or purchaser obtaining Tenant's leasehold interest in the Project under this Section 17.2, subject to the full reservation by Landlord of all claims, rights and remedies which Landlord may have against any other Person relating thereto. For purposes of clarity, Landlord's rights of first refusal, consent rights with respect to Transfers during the Post-Substantial Completion Period, and restrictions on Transfer prior to Substantial Completion, all as set forth in Section 15.3 of this Amended Lease, shall not be deemed to apply to (i) any Leasehold Mortgage Transfer, or (ii) following any Leasehold Mortgage Transfer to a Mortgagee Acquirer, the subsequent sale of the Project by such Mortgagee Acquirer to a Qualified Purchaser.

(f) Secured Party Leases. Landlord agrees that in the event of a termination of this Amended Lease or re-entry without termination by reason of any Event of Default, and subject to the rights herein granted to Leasehold Mortgagee, the Leasehold Mortgagee shall have the option, but not the obligation, to enter into a ground lease agreement directly with Landlord on the same terms and conditions for the remainder of the Lease Term (a "**Secured Party Lease**"); provided:

(i) the Leasehold Mortgagee shall enter into a Secured Party Lease within the required period specified in Section 17.2(d);

(ii) the Leasehold Mortgagee shall pay, perform and observe all obligations, covenants and agreements contained in the Secured Party Lease on Tenant's part to be paid and performed during such period of time commencing with the date of the execution of the Secured Party Lease and terminating upon the abandonment or surrender of possession of the Project under the Secured Party Lease;

(iii) the Leasehold Mortgagee terminates any management agreement with the then current manager, if other than the Landlord and appoints a substitute manager approved by Landlord; and

(iv) the Leasehold Mortgagee, as the tenant under the Secured Party Lease, shall have the same right, title and interest in and to the Project and the right to use the Project as Tenant had under this Amended Lease, subject to the terms and conditions of this Amended Lease.

(g) Agreement Between Landlord and Secured Party. Landlord, upon reasonable written request by Leasehold Mortgagee, shall execute, acknowledge, and deliver to Leasehold Mortgagee an agreement, in form reasonably satisfactory to the Leasehold Mortgagee and Landlord, by and among Landlord, Tenant, and the Leasehold Mortgagee (provided the same has been previously executed by Tenant and Leasehold Mortgagee) agreeing to the provisions of this Article.

(h) Limitation on Liability of Secured Party. Notwithstanding any other provision of this Amended Lease, Landlord agrees that any Leasehold Mortgagee permitted under this Amended Lease shall in no manner or respect solely as a result of such status whatsoever be (i) liable or responsible for any of Tenant's obligations or covenants under this Amended Lease (nor shall any rights of such Leasehold Mortgagee be contingent on the Tenant's satisfaction of such obligations or covenants); or (ii) required to cure any Event of Default, provided; however, that if such Leasehold Mortgagee becomes the owner of the Leasehold estate created hereunder or becomes the tenant under a Secured Party Lease obtains then such Leasehold Mortgagee shall be responsible and liable for all obligations and covenants accruing during the period of time that the Leasehold Mortgagee is the owner of such leasehold estate or tenant under a Secured Party Lease, or obtains management control of Tenant, as applicable. Notwithstanding the foregoing, the liability of a Leasehold Mortgagee with respect to its obligations under this Amended Lease or any Secured Party Lease shall be "non-recourse" and, accordingly, Landlord's source of satisfaction of such obligations from the Leasehold Mortgagee shall be limited to Landlord's rights to terminate this Amended Lease as provided herein and execution upon, receipt and collection of and/or enforcement of all rights of Landlord or Tenant under or with respect to the Project, reserves, accounts and any insurance policy or surety bond or other payment or performance security proceeds, and Landlord shall not seek to obtain payment through any judicial process or otherwise from any person or entity comprising such Leasehold Mortgagee or from any assets of such Leasehold Mortgagee other than the Project, reserves, accounts, insurance policy or surety bond or other payment or performance security proceeds.

(i) Notice to Landlord. Tenant shall cause each Leasehold Mortgagee to provide Landlord notice of the occurrence of any event of default under the related Leasehold Mortgagee.

ARTICLE 18. WAIVER

No waiver of any obligation, covenant or condition or of any right shall be implied by the failure, delay or partial exercise by Landlord or Tenant to take action or for any other reason, and no waiver of any obligation, covenant or condition shall be valid unless it is in writing signed by the Party against whom the waiver is asserted. The mention in this Amended Lease of any specific right or remedy shall not preclude Landlord or Tenant from exercising any other right or remedy or from commencing and maintaining any action to which it may be otherwise entitled either at law or in equity except to the extent such right or remedy is expressly waived herein. For the purpose of any suit, action or proceeding by Landlord brought or based on this Amended Lease, this Amended Lease shall be construed to be a divisible contract, to the end that successive actions may be maintained as successive periodic sums shall mature under this Amended Lease and it is further agreed that failure to include in any suit, action or proceeding any sums or sums then matured shall not be a bar to the maintenance of any suit, action or proceeding for the recovery of said sum or sums so omitted.

ARTICLE 19. WAIVER OF LIABILITY/INDEMNIFICATION

Section 19.1 Limitation of Liability. Notwithstanding anything herein to the contrary, Landlord is not and shall not be liable for any claims for damage to the Property or the Project or damage to property or injuries to persons in, on or about the Property or elsewhere occurring during the Term, except to the extent caused by or attributable to the material breach of this Amended Lease by Landlord or the gross negligence or willful misconduct of Landlord or its contractors, agents and representatives and its and their employees and agents. This limitation on liability shall apply without limitation to claims by Tenant, its funding parties, Lenders, Leasehold Mortgagees, affiliates, related parties, contractors, agents and representatives and its and their employees, agents, invitees, licensees, customers, guests, or related entities and successors or permitted assigns. Furthermore, in no event shall Landlord have any liability to

Tenant or its funding parties, Lenders, Leasehold Mortgagees, affiliates or contractors on account of any consequential, incidental, special, punitive, exemplary or any other indirect damages, whether in contract, tort (including negligence and strict liability) or under any other legal or equitable principles whatsoever, or for any loss of profits, opportunity, reputation or revenue. The Parties intend that except as expressly provided herein any damages awarded to either Party shall be limited to actual, direct damages sustained by the aggrieved Party and each Party's liability shall be limited to its respective interest in the Property, the Project.

Section 19.2 Indemnification by Tenant. Tenant agrees that, from and after the date of execution of this Amended Lease, Tenant shall indemnify, defend (with counsel reasonably acceptable to the Indemnified Parties) and hold harmless Landlord and the Board and their respective officers, officials, employees, trustees, and governors (collectively, the "**Indemnified Parties**") from and against any suits, actions, proceedings, investigations, damages, claims, liability, costs and expense, including reasonable attorneys' fees and costs, which may be threatened or asserted against, imposed upon or incurred by the Indemnified Parties (collectively, "Claims") (a) to the extent arising from or out of any occurrence at, in, or from the Project or any part thereof during the Term by reason of the site investigation, design, demolition, construction, operation, maintenance, repair, rehabilitation, occupancy, or use of the Project by or at the direction of the Tenant, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees; (b) by reason of Tenant's breach, nonperformance or default under any provision hereof during the Term; (c) by reason of any lien, violation of Law or any Governmental Authority, injury to any person or damage to any property, infringement of intellectual property rights, releases of Hazardous Materials or liens occurring during the Term and caused by Tenant, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees; or (d) by reason of any act or omission by Tenant, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees during the Term. Tenant's indemnification obligation under this Section 19.2 shall not extend to Claims to the extent resulting from or out of any act or omission by Landlord, its employees, representatives, agents, contractors, partners, servants licensees, or invitees during the Term, (iii) the gross negligence or willful misconduct by any Indemnified Party or (iv) any material breach of this Amended Lease by Landlord.

Section 19.3 Indemnification by Landlord. Subject to the provisions of Florida Statute 768.28, Landlord agrees that, from and after the date of execution of this Amended Lease, Landlord shall indemnify, defend (with counsel reasonably acceptable to the Indemnified Parties) and hold harmless Tenant and their respective officers, officials, employees, trustees, and governors (collectively, the "**Indemnified Parties**") from and against any suits, actions, proceedings, investigations, damages, claims, liability, costs and expense, including reasonable attorneys' fees and costs, which may be threatened or asserted against, imposed upon or incurred by the Indemnified Parties (collectively, "Claims") (a) by reason of Landlord's breach, nonperformance or default under any provision hereof during the Term; (b) by reason of any lien, violation of Law or any Governmental Authority, injury to any person or damage to any property, infringement of intellectual property rights, releases of Hazardous Materials or liens occurring during the Term and caused by Landlord, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees; or (c) by reason of any act or omission by Landlord, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees during the Term. Landlord's indemnification obligation under this Section 19.3 shall not extend to Claims to the extent resulting from or out of any act or omission by Tenant, its employees, representatives, agents, contractors, partners, servants licensees, or invitees during the Term, (i) the gross negligence or willful misconduct by any Indemnified Party or (ii) any material breach of this Amended Lease by Tenant. The provisions of this Section 19.3 shall not operate to waive, limit, or negate in any manner, the provisions of Florida Statute 768.28.

Section 19.4 Tenant Personalty. Tenant shall locate Personalty at and occupy and use the Project at its own risk. The Indemnified Parties are not responsible or liable at any time and Tenant expressly releases them from any loss or damage to Tenant’s Personalty except to the extent resulting from or arising out of the gross negligence or willful misconduct of any Indemnified Party.

Section 19.5 Violation of Requirements. Tenant shall indemnify, defend (with counsel reasonably acceptable to Landlord) and hold Landlord and the Board harmless from and against any and all suits, actions, cost, damages or claims, liability, cost or expense, including reasonable attorney’s fees and costs arising during the Term out of (a) the failure of any portion of the Project to comply with all requirements of applicable Law (including applicable terms of the Americans With Disabilities Act of 1990 (excluding any alterations, modifications or replacements to the Project performed by the Landlord or a third party contractor for the Landlord)); or (b) any violation by or order or duty imposed upon Landlord or Tenant arising from or out of, or in connection with Tenant’s operation, maintenance, repair, rehabilitation, alteration, occupancy or use of any portion of the Property or the Project (including any occupancy, use or manner of use that constitutes a “place of public accommodation” under the Americans With Disabilities Act), or any installations in or on the Property or Project by reason of a breach of any of Tenant’s obligations, covenants or agreements under this Amended Lease. Tenant’s indemnification obligation under this Section 19.4 shall not extend to the gross negligence or willful misconduct by Landlord or any of its employees, trustees, or agents.

Section 19.6 Survival. This Article 19 will survive the early termination of, or the expiration of the Term of this Amended Lease.

**ARTICLE 20.
SURRENDER AND HOLDING OVER**

Tenant shall deliver up and surrender to Landlord possession of the Property and the Project in compliance with the requirements of this Amended Lease, and shall execute mutually agreeable transfer documentation of transfer and assignment in connection therewith, upon the expiration or earlier termination of this Amended Lease and transfer of the Project from Tenant to Landlord. Should Tenant or any party claiming under Tenant remain in possession of the Project or Property, or any part thereof (excluding, however, any Eligible Residents in the Project), after any expiration or termination of this Amended Lease, no tenancy or interest in the Project or the Property shall result therefrom, but such holding over shall be an unlawful detainer and all such parties shall be subject to immediate eviction and removal, and Tenant shall, upon demand, pay to Landlord on monthly demand, as liquidated damages, a sum equal to one hundred fifty percent (150%) of the prevailing market rent (as reasonably determined by Landlord) with respect to the affected portion of the Property and the Project for any period during which Tenant shall hold the Property after the stipulated term of this Amended Lease may have expired or terminated, in addition to any other costs, charges, expenses or fees incurred by Landlord to enforce its rights hereunder.

**ARTICLE 21.
CONDEMNATION**

Section 21.1 Condemnation. In the event of a Taking or the commencement during the Term of this Amended Lease of any proceedings, negotiations or threats which might result in a Taking, Landlord and Tenant shall give notice thereof to the other upon the President of the College or the Tenant obtaining knowledge of the same. Landlord, Tenant and any Leasehold Mortgagee shall each have the right to appear and intervene in any such proceedings and be represented by their respective counsel. Tenant shall be authorized to collect, settle and compromise, in its discretion, the amount of Tenant’s award related to the leasehold estate created by this Amended Lease and Tenant’s interest in the Project including, without limitation, any claim for loss of business goodwill, relocation expenses, Tenant’s or any other claims that

Tenant is permitted to make). The Parties will cooperate in good faith in all such proceedings, and agree to execute any and all documents that may be reasonably required in order to facilitate the collection of the maximum award to which each Party is entitled under applicable laws. Notwithstanding anything to the contrary set forth in this Article 21, to the maximum extent permissible by law, Landlord is prohibited from exercising any power of condemnation it may now or hereafter have with respect to condemning the Property, the leasehold estate created by this Amended Lease or any Improvement, element, facility or component of the Project. “**Taking**” means any condemnation, requisition or other taking or sale of the use or occupancy of or title to all or any part of the Property, the Tenant’s leasehold estate and/or any Improvement, element, facility or component of the Project owned by Tenant in, by or on account of any actual or threatened eminent domain proceeding or other action by any Governmental Authority or other person or entity under the power of eminent domain or otherwise. A Taking shall be deemed to have occurred on the earliest to occur of the dates that use, occupancy or title of the affected property is taken. As of the date hereof, Landlord represents and warrants that to the actual knowledge of the President of the College, no portion of the Property is subject to any pending proceeding for Taking.

Section 21.2 Lease Termination. If at any time during the Term of this Amended Lease there shall be a Taking of the whole or substantially all of the Property and/or the Project by any Governmental Authority, then, this Amended Lease shall terminate and expire on the date title is transferred to such Taking entity. No Base Rent shall be apportioned in connection with such Taking. For the purpose of this Section 21.2, “substantially all” of the Property and/or an Improvement, element or component of the Project located on the Property shall be deemed to have been taken if the remaining part thereof, as applicable, not so taken cannot be adequately restored, repaired or reconstructed, , so as to constitute a complete, architecturally sound facility of substantially the same usefulness, design and construction as prior to the Taking. No termination of this Amended Lease in connection with a Taking of substantially all of the Property and/or the Project shall be deemed to have occurred, unless and until Tenant affirmatively elects to terminate this Amended Lease in writing after making the determination contemplated in the prior sentence.

Section 21.3 Demolition of Project Improvements. If this Amended Lease is terminated with respect to a portion of the Property and/or an Improvement, element or component of the Project as a result of such Taking, then Tenant shall either restore the portion of the Property that remains following the Taking to complete, architecturally sound buildings with the proceeds of the award, or demolish and remove any Improvements on the Property which are affected by the Taking, provided Landlord shall have the right, at its option, to receive ownership of the remaining Improvements in their as-is, where-is condition, with all faults.

Section 21.4 Award. If this Amended Lease is terminated with respect to a portion of the Property and/or an Improvement, element or component of the Project as result of such Taking by any Governmental Authority, then as between Landlord and Tenant, the Parties agree that each shall be entitled to its fair and equitable share of any award or awards which such awards shall be allocated as follows: (a) to Tenant in an amount equal to the fair market value of the portion of the leasehold estate and the Improvements and use of the Project thereon owned by Tenant apportioned to the remaining Lease Term and any Personalty of Tenant so taken; the costs incurred by Tenant in connection with the collection of such proceeds and awards (including, without limitation, all fees for experts, counsel fees, costs of surveys and appraisals, and court costs), and costs incurred or to be incurred by Tenant in demolishing or restoring the remaining portion of the Project to a complete, architecturally sound facility of substantially the same usefulness, design and construction as prior to the Taking, and (b) to Landlord in an amount necessary to compensate it for the fair market value of the portion of the Property (subject to, and burdened by, this Amended Lease for the Term) and the Improvements after the remaining Term and the costs incurred by Landlord in connection with the collection of such proceeds and awards (including, without limitation, all

fees for experts, counsel fees, costs of surveys and appraisals, and court costs). The portion of the Leasehold estate award and the portion of the Project award shall be deemed to be that part of the award which shall be specifically attributable by the condemnation court (or condemnation commissioner or other body authorized to make the award) to the affected portions of the Leasehold estate and the Improvement, element or component of the Project. Except as otherwise expressly set forth in this Amended Lease, the Parties agree that no individual and/or entity is intended to have, nor shall any individual and/or entity be deemed to have, any rights, benefits, privileges, causes of action, rights of action or remedies as a third party beneficiary to or under this Amended Lease or otherwise.

Section 39.12 Anti-Bribery Provision. Each of Landlord and Tenant represents and warrants to and agrees with the other Party that it: (a) will comply with all anti-bribery and anti-corruption laws applicable to its business and operations; (b) has not and will not offer, promise, give or authorize the payment of anything of value (including cash or cash equivalents, gifts, travel and entertainment, stock or offers of employment), directly or indirectly, to any Government Official or others in a position of authority with a Governmental Authority with the intention of inducing any such person to engage in improper or unlawful conduct or to secure an improper business advantage; (c) has not and will not make facilitation payments or "grease payments" to Government Officials or others in a position of authority with a Governmental Authority to expedite routine non-discretionary government or lawful actions; and (d) has not and will not offer, promise, give, request, receive or accept anything of value, directly or indirectly, to or from any person for the purpose of influencing, inducing or rewarding the improper performance of an act or decision. A "Government Official" means any (i) officer or employee of a Governmental Authority; (ii) officer or employee of a public international organization; (iii) political party or party official; (iv) candidate for political office; or (v) other person acting in an official capacity. Landlord and Tenant agree that failure to comply with this Section 39.12 will constitute a material breach of this Amended Lease.

This Amended Lease becomes effective only upon execution and delivery thereof by Landlord and Tenant and receipt of the Board's consent.

Section 39.14 Survival. Tenant's obligations, covenants and agreements which by their nature should survive the expiration or earlier termination of this Amended Lease and other provisions of this Amended Lease, including with respect to accrued obligations and liabilities of Tenant hereunder, and provisions which this Amended Lease expressly states will survive, will remain in full force and effect following the early termination or expiration of this Amended Lease.

Section 39.15 No Guarantees. Tenant acknowledges that it has conducted due diligence with respect to the costs, risks and uncertainties of developing, constructing, operating and maintaining the

Project and evaluated the demand for, and the financial prospects of the Project utilizing its personnel, advisors, contractors, resources, experience and expertise and without reliance on any statement, description or analysis made or information, document or data furnished by Landlord or its officials, employees, representatives, agents, contractors, consultants and advisors. Tenant acknowledges and agrees that Landlord does not and will not guarantee or otherwise support or backstop in any way any obligations incurred by Tenant in the performance of its obligations, covenants and agreements under this Amended Lease, or other contract or agreement relating to the Project. Section 39.17 Future Development. Landlord agrees not to add additional beds on Campus for a period of five (5) years following Substantial Completion of the Project. Section 39.18 Sovereign Immunity This Amended Lease does not affect the rights, privileges, immunities, exemptions, limitations of liability and defenses of Landlord or the Board under Florida Statute Section 768.28 and other applicable Laws of the State of Florida. Nothing in this Amended Lease shall be deemed to affect the rights, privileges, benefits, immunities, exemptions and defenses afforded the Board or Landlord by law. No term, condition or provision of this Amended Lease shall be construed as consent by Landlord or the Board to be sued by third parties in any manner based upon, arising out of or relating to this Amended Lease.

Section 39.19 No Pledge. Tenant acknowledges and agrees that it has no right, power or authority under this Amended Lease, any Binding Agreement or otherwise to pledge the credit of the Landlord, the Board, the State of Florida or any subdivision or agency thereof or other Governmental Authority, or to obligate the Landlord, the Board, the State of Florida or any subdivision or agency thereof or any other Governmental Authority as a guarantor, indemnitor, surety or insurer of the Tenant's under this Amended Lease, any Binding Agreement or other agreement in any way arising out of, relating to or in connection with the Property or the Project. Each of the parties hereto agree that a memorandum of this Amended Ground Lease and any supplements hereto will be recorded in the property records of Putnam County, Florida.
- (b) In the event a lien, claim of lien or order for the payment of money shall be imposed against the Leased Premises or the Project resulting from or arising out of any act or omission of Lessee or any person claiming under, by or through Lessee, Lessee shall, within thirty (30) days after receipt of notice of the imposition of such lien, claim or order, cause the same to be discharged, satisfied, canceled or released, and the Leased Premises and the Project to be released therefrom, by the payment of the obligation secured thereby or by the furnishing of a bond or by any other method which may be prescribed or permitted by law, Lessee shall thereupon furnish Lessor with evidence of having done so in form satisfactory and requisite for recording in the Office of the Clerk of the Circuit Court, Putnam County, Florida.
- (c) Should Lessee desire to litigate the validity of any lien or claim of lien, nothing herein shall preclude Lessee from doing so, provided that Lessee shall have first posted an appropriate and sufficient bond in favor of claimant and thereby obtained the release of the Leased Premises and the Project from such lien. If judgment is obtained by the claimant of any lien, Lessee agrees to pay the same immediately after such judgment shall have become final and the time for appeal therefrom has expired. Lessee shall, at its own expense, defend the interests of Lessee and Lessor in any and all such suits. (c) Lessor, at its sole expense, shall bring or cause to be brought to the Leased Premises adequate connections for water, electrical power, storm sewerage and sewerage, and shall arrange with the appropriate utility companies for furnishing such services. Lessee shall have the right, at its own expense, to request and receive telephone and communication services from the utility companies furnishing such services subject to the customary rules and regulations of said utility companies whether the companies deliver such services directly through their own conduits or pipes, or through conduits and pipes owned by Lessor. Lessor agrees to grant such utility companies' rights of access over, under and across the remaining property of Lessor as shall be necessary and convenient for the efficient operation of the housing system facilities, and which do not materially impair the present and future uses of the remaining property of Lessor. Any construction or extension of facilities shall be subject to prior written approval of Lessor, and shall be made without cost to Lessor.

(d) Lessee shall at all times prevent entrance of objectionable quantities of deleterious wastes into Lessor's sewerage system, storm water drainage system and conduit system as required by the applicable governmental authority.

(e) Drains or other facilities provided by Lessee for the purpose of disposing of storm or other waters shall conform to the requirements of all applicable governmental authorities.

Under no circumstances will the fee title to the Leased Premises be encumbered other than by the leasehold interest created herein, or easements created pursuant hereto. (a) Lessee shall not have the right to assign this Amended Ground Lease, or any portion thereof, or to sublease all or any portion of the Leased Premises without the prior written consent of Lessor. Any assignment of this Amended Ground Lease or subletting of all or any portion of the Leased Premises shall be subject to Lessor's prior written consent, which consent Lessor shall not unreasonably withhold. Except as expressly permitted herein, any purported assignment, partial assignment or sublease without Lessor's prior written consent in violation of this paragraph (a) shall be null and void, and the attempt to so assign or sublease, shall constitute a default under this Amended Ground Lease.

(b) It is expressly understood and agreed that any such assignment, sublease, sale or transfer shall not relieve Lessee of any of its responsibilities and obligations under this Amended Ground Lease and that any and all assignees, sublessees or transferees shall be subject to, and bound by all of the applicable terms, covenants and conditions contained in this Amended Ground Lease except that Lessee shall be relieved from any and all obligations hereunder if Lessee shall sell or assign all of its interest in the Leased Premises with Lessor's prior written consent.

Section 11. Utility Easements. Lessor reserves the right to grant nonexclusive utility easements, licenses, rights-of-way and other rights or privileges in the nature of easements to

others over, under, through, across or on the Leased Premises; provided, however, that such grant is not detrimental to the use or operation of the Project, will not damage or disrupt the physical facilities of said Project, and will not impose any cost upon Lessee.

Section 12. Approval of Height of Structures. Lessee shall, with the cooperation of Lessor but at Lessee's sole expense, secure any required approvals as to the height of any buildings, structures or objects proposed to be erected upon the Leased Premises from all governmental agencies having jurisdiction.

Section 13. Indemnification of Lessor. Lessee shall defend, protect, save, hold harmless and indemnify Lessor and its officers, directors, agents, servants, employees and assigns of each, from and against any and all claims, demands, losses, costs, damages, liens, suits, judgments, penalties, expenses, and liabilities of any kind or nature whatsoever (including attorneys' fees) which are caused by any acts or omissions of Lessee, its employees, servants or agents except where such are caused by the tortious, unlawful or negligent conduct of those indemnified hereunder.

Section 14. Taxes and Fees.

(a) Lessee agrees to pay any applicable taxes, assessments, license fees and charges on goods, merchandise, fixtures, appliances, equipment and property in or about the Leased Premises.

(b) It is understood that Lessor is exempt from ad valorem taxation with respect to its facilities that are used for its purposes. However, should the Leased Premises or any interest therein or improvement (including the Project) thereon ever become subject to any taxes of any kind, Lessee agrees to pay any and all such lawful taxes, assessments or charges which at any time may be levied by any federal, state, county, city, or any tax or assessment levying body upon the Leased Premises, or any interest in this Amended Ground Lease, or any possessory right which Lessee may have in or to the Leased Premises or the Project thereon by reason of its use or occupancy thereof or otherwise.

(c) Notwithstanding the foregoing provision, Lessor shall, after notifying Lessee of its intention to do so, have the right to contest in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment, and in connection with such contest Lessor may refrain from paying such tax or assessment so long as such contest will not, in the opinion of Lessor's attorney, subject any part of the Leased Premises or the Project to forfeiture or loss, in which event such taxes, assessments or charges shall be paid promptly. Lessee shall, upon request by Lessor, assist and cooperate with Lessor in any such proceedings and Lessee shall bear any costs or expenses of Lessee in connection with the rendering of such assistance. This provision shall in no way be construed as restricting Lessee from contesting, at its own expense, the legality of such tax or assessment if it so desires.

Section 15. Default by Lessee.

(a) Each of the following events shall be deemed a default by Lessee hereunder and a breach of this Amended Ground Lease:

1. If Lessee shall fail to pay, when due, any rent or portion thereof, or any other sum which Lessee is obligated to pay under the terms of this Amended Ground Lease, and such sums remain unpaid for a period of thirty (30) days after receipt of written notice by Lessee from Lessor;

2. If Lessee shall attempt to assign this Amended Ground Lease, or any portion thereof, in violation of the terms of this Amended Ground Lease, or to sublease any portion of the Leased Premises in violation of Section 10 hereof;

3. If Lessee shall use the Leased Premises and/or the Project for any purposes not expressly permitted by this Amended Ground Lease, and such use shall continue for a period of fifteen (15) days after Lessor shall have given written notice to Lessee to desist from such use;

4. If Lessee shall abandon the Leased Premises and/or the Project;

5. If Lessee shall otherwise fail to comply with any other covenant or condition of this Amended Ground Lease and such failure to comply shall continue for a period of fifteen (15) days after receipt of written notice thereof by Lessee from Lessor.

(b) In the event that any of the items of default set forth in subparagraphs (a) 3. or (a) 5. above is of such nature that it cannot be remedied within the time limits therein set forth, then Lessee shall have such additional time as is reasonably necessary to cure such default, provided Lessee commences the curing of such default within said time limits and proceeds to completely cure the same in a timely and diligent manner.

(c) Lessor will send to the Lender all notices of default it sends to Lessee at the same time it sends such notice to Lessee.

Section 16. Remedies of Lessor.

(a) Upon the occurrence of any event of default Lessor may then terminate this Amended Ground Lease by written notice to Lessee and re-enter upon and take possession of the Leased Premises and the Project. In the event Lessor elects to avail itself of the rights and remedies contained in this Section, then such election by Lessor shall entitle Lessor to assume all of Lessee's right, title and interest in and to the Project, as well as all structures and improvements on the Leased Premises, and the furniture, furnishings, fixtures and equipment therein or thereon all subject to the interests of the Sublessee under its sublease, and Lessee shall surrender and deliver possession of the same to Lessor. In addition to the foregoing remedy, Lessor shall be entitled to collect from Lessee any and all costs, including reasonable attorney's fees, which Lessor may incur by reason of Lessee's default hereunder. All of Lessor's rights and remedies shall be subject to Sublessee's rights and interests under the terms of its sublease.

(b) In no event shall the Lessor terminate this Amended Ground Lease prior to the payment in full of the indebtedness of Sublessee under its sublease with Lessee without the prior written consent of the Sublessee's lender.

Section 17. Waivers. No waiver by Lessor at any time of any of the terms, conditions, covenants or agreements of this Amended Ground Lease, or non-compliance therewith, shall be deemed or taken as a waiver at any time thereafter of the same, nor of any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by Lessee. No delay, failure or omission of Lessor to re-enter the Leased Premises, nor to exercise any right, power, privilege or option arising from any default shall impair such right, power, privilege or option, or be construed to be a waiver of any such default, relinquishment thereof or acquiescence therein, and no notice by Lessor shall be required to restore or revive time as being of the essence hereof after waiver by Lessor of default in one or more instances. No option, right, power, remedy or privilege of Lessor shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options or remedies given to Lessor by this Amended Ground Lease are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law.

Section 18. Waiver of Claims. Lessee hereby waives any claim against Lessor and all of its officers, agents or employees thereof for loss of anticipated profits or other damages caused by any suit or proceeding by any third party directly or indirectly attacking the validity of this Amended Ground Lease or any part hereof, or by any judgment or award in any suit or proceeding declaring this Amended Ground Lease null, void or voidable, or delaying the same, or any part hereof by any third party, from being carried out. In the event a suit or other proceeding results in this Amended Ground Lease or any part hereof being declared void or invalid the parties hereto agree to enter into renegotiation efforts to arrive at a valid agreement which will be satisfactory to both parties and the Lender. Lessor hereby represents and warrants that Lessor is duly authorized to enter into this Amended Ground Lease.

Section 19. Quiet Enjoyment. Lessor agrees that Lessee, upon the payment of the rent and all other payments and charges to be paid by Lessee under the terms of this Amended Ground Lease, and observing and keeping the agreements and covenants of this Amended Ground Lease on its part to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Leased Premises during the term of this Amended Ground Lease, without hindrance or molestation.

Section 20. Terms Binding Upon Successors. All the terms, conditions and covenants of this Amended Ground Lease shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

Section 21. Condemnation.

(a) In the event that any person or corporation, public or private, shall by virtue of eminent domain or condemnation proceedings, or by purchase in lieu thereof, at any time during the term of this Amended Ground Lease acquire title to the Leased Premises (which for the purpose of this Section only shall include not only the land hereby demised but also the Project and other improvements erected thereon by Lessee) or acquire title to such substantial portion

thereof that Lessee cannot make use of the residue for the purposes intended by this Amended Ground Lease, such acquisition of title shall terminate this Amended Ground Lease, effective as of the date on which the condemning party takes possession thereof. Lessor and Lessee shall be entitled to separate awards with Lessor entitled to the value of the land taken and all damages to the remainder property, including, without limitation, severance damages, and Lessee entitled to the cost of the improvements taken and any damages relating thereto.

(b) If the condemning party acquires title to a portion of the Leased Premises only, and Lessee can make beneficial use of the residue thereof for the purposes intended by this Amended Ground Lease, then this Amended Ground Lease shall continue in full force and effect and the total proceeds of condemnation after payment of reasonable attorney's fees and other necessary expenses incurred by either party in connection therewith shall be applied first to the repair or restoration of the housing system facilities by Lessee in accordance with plans and specifications approved by Lessor. Any remaining balance of the condemnation proceeds shall be for the benefit of Lessor.

(c) It is understood that the foregoing provisions of this Section shall not in any way restrict the right of Lessor or Lessee to appeal the award made by any court or other public agency in any condemnation proceeding.

Section 22. Estoppel Certificates. Lessor, at any time and from time to time, upon not less than thirty (30) days' prior written notice from Lessee, will execute, acknowledge and deliver to Lessee or to whomsoever Lessee may direct or to the Lender on the request of the Lender, a certificate of Lessor certifying that this Amended Ground Lease is unmodified (or, if there have been any modifications, identifying the same); that this Amended Ground Lease is in full force and effect; and that there is no default hereunder (or, if so, specifying the default).

Section 23. Miscellaneous.

(a) Laws of Florida Govern. This Amended Lease shall be governed by and be construed in accordance with the laws of the State of Florida without regard to conflict of laws principles.

(b) Force Majeure. Except as otherwise expressly provided herein, neither party shall be responsible for any delay in their respective performances called for under this Amended Ground Lease which is caused by acts of God, war, national emergency, labor strike, shortages of material, or governmental regulations or control.

(c) Notice and Delivery. Any notice required or desired to be given hereunder, or any items required or desired to be delivered hereunder, may be served or delivered personally or by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

consideration hereof, hereby waives all claims against Lessor for rescission, damages or any other form of relief by reason of any alleged covenant, warranty, representation, agreement or understanding not contained in this Amended Ground Lease; and that any purported change, modification, release, discharge or waiver of any provision contained herein shall be of no force, effect, or value, unless set forth in writing and signed by the party to be bound.

EXHIBIT C-1

Construction Period Insurance

Tenant agrees to furnish a current Certificate(s) of Insurance to Landlord as evidence that the following coverages remain in effect:

- **Builders Risk Insurance.** Tenant shall obtain and maintain builder's risk insurance on a completed value form, at replacement cost, covering the full value of the construction being performed, including where applicable, the existing structure. Such policy shall be written on an all-risk coverage form including flood and windstorm coverage, only containing exclusions acceptable to Landlord in writing, and shall include coverage for reasonable compensation for professional services and expenses required as a result of such insured loss. This insurance shall insure the interests of Tenant, subcontractors, and sub-subcontractors in the work. Property covered by the insurance shall include temporary buildings or structures at the Project site and portions of the work, materials, and equipment stored offsite or in transit. The Landlord and BTITF shall be named as "Additional Insureds", and the policy shall include a waiver of subrogation endorsement.
- **Worker's Compensation and Employer's Liability Insurance.** Worker's Compensation insurance shall be obtained in accordance with Chapter 440 Florida Statutes with the prescribed limits of liability for all employees who will be working at the project site whether working for contractor or any subcontractor. Tenant and its insurance carrier waive all subrogation rights against Landlord.
- **Public Liability Insurance.** Comprehensive general liability (broad form) including Property-operations, products/completed operations, contractual liability, and explosion, collapse and underground (XCU) coverages. The limits of liability must be at least \$1,000,000 each occurrence, \$5,000,000.00 annual aggregate combined single limits for bodily injury and property damage liability. The limit may include umbrella or excess liability insurance. The Landlord and the Board shall be named as "Additional Insureds." Tenant's insurance coverage shall be primary insurance with respect to Landlord, its officials, and employees. Tenant's insurance shall protect from claims which may arise whether such claims may arise out of operations of the Tenant or by anyone directly or indirectly employed by Tenant.
- **Comprehensive Automobile Liability Insurance.** All owned, hired, leased or non-owned vehicles used on the construction project shall be covered. Policy limits shall be at least \$500,000 each occurrence, \$1,000,000 annual aggregate combined single limit for bodily injury and property damage liability. This limit may include umbrella or excess liability insurance. Landlord and the Board shall be named as a "Additional Insureds."
- **Professional Liability Insurance.** All architects, engineers and consultants providing design services for the Project shall maintain professional liability insurance of \$1,000,000 per claim, \$5,000,000 aggregate, naming Tenant, Landlord and the Board as "Additional Insureds." This insurance shall be written on a claims-made form, and it shall continue for five (5) years following completion of the performance or the attempted performance of the provisions of the contract for construction.

All of the above policies shall be issued by insurance companies authorized to do business in the State of Florida and with general policy holder's rating of not less than A- and a financial rating of not less than Class VIII as rated in the most current available "Best's" insurance reports.

The above paragraphs establish minimum insurance requirements. It remains the responsibility of the Tenant and/or the contractor to secure and maintain any additional insurance that may be necessary in connection with the construction contract.

Tenant's procuring of insurance policies required hereunder shall not relieve Tenant of any obligation or liability assumed under this Amended Ground Lease, including indemnity obligations.

Tenant waives and shall cause insurers of each Contractor and subcontractors to waive all rights and claims against Landlord and the Board for all claims, losses or damages covered by such policies of insurance, and all rights of subrogation of its insurers.

EXHIBIT C-2

Operating Period Insurance

Tenant shall, after the Project is constructed, obtain and maintain at its expense, the following policies of insurance covering activities performed under and contractual obligations undertaken during the Lease Term. Insurance requirements established hereafter shall be increased by Tenant, if necessary, to meet any statutory insurance requirements which may be established by Florida Statutes, rules, or regulations.

- **Commercial Property Insurance:** Project and Improvements shall be insured against loss by fire, windstorm, lightning, vandalism, malicious mischief and other hazards customarily insured by extended coverage, all risk (now known as causes of loss-special form), for their full replacement value, which shall be adjusted from time to time to reflect current replacement value. Landlord shall be named as an Additional Insured as its interests may appear.

- **Worker's Compensation and Employer's Liability Insurance:** Worker's Compensation insured shall be obtained in accordance with Chapter 440 Florida Statutes with the prescribed limits of liability for all employees who will be working at the project site whether working for Landlord or any subcontractor.

- **Commercial General Liability Insurance:** Broad form comprehensive general liability insurance including Property-operations, products, completed operations and contractual liability, and explosion, collapse and underground (XCU) coverages. Limits of coverage shall be at least \$2,000,000.00 combined single limits for bodily injury and property damage liability, and \$5,000,000 excess umbrella coverage. Landlord shall be named as an "Additional Insured." Tenant's insurance coverage shall be primary insurance with respect to Landlord, its officials, and employees. Tenant's insurance shall protect from claims which may arise whether such claims may arise out of operations of the Tenant or by anyone directly or indirectly employed by Tenant.

- **Comprehensive Automobile Liability Insurances:** All owned, hired, leased or non-owned vehicles used by the Tenant shall be covered. Policy limits shall be at least \$1,000,000 each occurrence combined single limit for bodily injury and property damage liability.

The above policies of insurance must be with insurance companies authorized to do business in the State of Florida and with general policy holder's rating of not less than A and a financial rating of not less than Class X as rated in the most current available "Best's" insurance reports and locally qualified to do business. Tenant shall furnish a current Certificate(s) of Insurance to the Landlord as evidence that the above required insurance coverages remain in effect. Executed copies of such policies of insurance shall be delivered to Landlord within ten (10) days after delivery of possession of the Property, and thereafter Tenant shall endeavor in good faith to deliver executed copies of renewal policies to Landlord within thirty (30) days prior to the expiration of the term of each existing policy. All public liability and property damage policies shall contain a provision that Landlord, although named as an insured, shall nevertheless be entitled to recover under such policies for any loss occasioned to it, its servants, agents and employees by reason of the negligence of Tenant. As often as any such policy shall expire or terminate, renewal or additional policies shall be procured and maintained by Tenant in like manner and to like extent.

The policies of insurance described in Exhibit C-2 are minimum insurance requirements. It remains the responsibility of Tenant, each Contractor and each subcontractor to secure and maintain any additional

insurance policies that may be necessary or advisable in connection with the work related to the Project. The absence of a requirement herein for any type of insurance policy or insurance coverage, or for higher coverage limits shall not be construed as a waiver of Tenant's, Contractors' and all subcontractor's obligations to carry and maintain the types of insurances at limits that are appropriate to the liability exposure associated with design, equipping and operating the Project.

Tenant waives and shall cause insurers of each Contractor and subcontractors to waive all rights and claims against Landlord and the Board for all claims, losses or damages covered by such policies of insurance, and all rights of subrogation of its insurers.

Tenant hereby represents and warrants that Tenant's insurance policies and those of contractors and subcontractors shall be endorsed so that such waiver of subrogation shall not affect Tenant's rights to recover thereunder.

Landlord's security interests in the Development Work Product are subordinate to the security rights in favor of any Leasehold Mortgagee. Tenant shall grant or cause to be granted to Landlord a perpetual, non-exclusive, irrevocable, royalty-free and transferrable right and license to use the Development Work Product and sublicense it only in connection with the Project, without further approval or compensation, and Tenant hereby authorizes Landlord's use of same subject in connection with the Project. The P&P Bonds shall cover the faithful performance of each Construction Contract by the applicable Contractor and any subcontractors performing a portion of the construction work, strict compliance of the construction work with the Plans and Specifications, completion of the Project in accordance with the Project Baseline Schedule, completion of Tenant’s obligation to repair and restore the Property in the event this Amended Lease is terminated as provided herein, and payment of all costs, fees, charges and amounts for labor, work, services, supplies, materials, equipment or other items incorporated into or used in construction of the Project. On or before commencement of construction at the Property, Tenant shall cause each Contractor to deliver to Landlord, in a form reasonably acceptable to Landlord and its counsel, a waiver and release, the substance of which shall be a waiver of any right such Contractor may have to a claim of lien of any kind or nature upon any part of Landlord’s interest in the Property, and a release of Landlord and the Board from all claims that such Contractor might at any time have arising out of or relating to the applicable Construction Contract or the Project.

Tenant shall keep Landlord informed of the schedule of such inspections, sampling and tests in order that representatives of Landlord may observe them and receive any test results or reports prepared on the basis thereof.

(g) Disruption to Adjacent Properties. Tenant shall take all reasonable action and precaution to avoid and minimize disruption to traffic, parking and activities on or in the vicinity of the Campus during performance of work relating to the Project. Landlord shall cooperate with Tenant upon Tenant’s reasonable request to provide access over portions of the Campus to the Property which is necessary for performance of any such work. During the course of the work, Tenant shall cause all Contractors, subcontractors and personnel performing work on or making deliveries or pick-ups at the Property to park trucks and vehicles solely on the Property or in a designated parking or staging site reasonably agreed upon by Landlord and Tenant. All tools, equipment, supplies, materials and other items used in the performance of the work shall

be stored on the Property or a designated staging area at the cost and risk of Tenant, Contractors and subcontractors. Any such repair or restoration shall be performed at the sole cost and expense of Tenant in accordance with generally accepted construction practices and the Standards.

(h) Insurance Requirements.

(i) Prior to commencing any activities on the Property, Tenant shall deliver to Landlord a certificate verifying the insurance coverage required hereunder. Tenant shall require each Contractor to procure and maintain the insurance coverages and shall require all Contractors to require all subcontractors and vendors providing labor, services, equipment or material in relation to the Project to carry any and all insurance coverage that adequately covers each subcontractor's exposure based on the type of labor, work or services each will provide. All policies shall be with insurance companies authorized to do business in the State of Florida and meeting the requirements for insurance companies set forth in this Amended Lease. Tenant agrees to furnish a current certificate(s) of insurance to Landlord prior to commencement of the construction work and thereafter upon written request of Landlord as evidence that the coverages remain in effect.

(ii) It is the responsibility of Tenant, each Contractor and each subcontractor to secure and maintain all insurance policies that may be necessary or advisable in connection with the respective Construction Contracts and the work related to the Project. The absence of a requirement herein for any type of insurance policy or insurance coverage, or for higher coverage limits shall not be construed as a waiver of Tenant's, Contractors' and all subcontractor's obligations to carry and maintain the types of insurances at limits that are appropriate to the liability exposure associated with design, equipping and construction of the Project. Landlord makes no representation or warranty, express or implied, that the coverage and limits accepted will be adequate to cover Tenant's, Contractors' and all subcontractors' liability and otherwise satisfy Tenant's other obligations under this Amended Lease. Tenant waives and shall cause insurers of each Contractor and subcontractors to waive all rights and claims against Landlord and the Board for all claims, losses or damages covered by such policies of insurance, and all rights of subrogation of its insurers. Tenant hereby represents and warrants that Tenant's insurance policies and those of contractors and subcontractors shall be endorsed so that such waiver of subrogation shall not affect Tenant's rights to recover thereunder.

The Tenant shall provide Landlord prompt notice of the occurrence of a delay that will have or potentially have an adverse effect on the completion following such time as Tenant has knowledge of the same. Such notice shall provide a sufficiently

detailed description of the event or cause that constitutes the delay and the proposed number of days that the delay will affect work on the path to completion.

(ii) Tenant shall provide access, information and documents reasonably requested by Landlord to enable Landlord to monitor the performance, progress and status of the development activities, design work, permitting, procurement and the construction work and compliance with the Project Baseline Schedule. Landlord shall be notified in advance of and shall have the right to attend development team meetings relating to the Project and the performance, progress and status of the design and construction work. Tenant shall promptly notify Landlord in the event of the occurrence of any fact, event, condition or circumstance reasonably likely to adversely impact the cost or schedule for performance of development activities, design work, construction work or the completion of any Improvement, element or component of the Project or the occurrence of a Permitted Delay upon Tenant obtaining knowledge thereof.

(iii) If Tenant has not received a temporary or permanent certificate of occupancy or its equivalent permitting the use and occupancy of the Project for the Permitted Uses no later than August 1, 2025] or if after completion of the Project, all or any portion thereof is not habitable, then Tenant shall provide temporary housing for Eligible Residents who have executed housing contracts or agreements with respect to the project (“**Affected Residents**”). Tenant will endeavor to provide temporary housing of a quality and condition comparable to the Project within the area within a radius of approximately five miles of the Project.

(j) Outside Completion Deadline. If Tenant has not achieved Substantial Completion of the Project on or before the Substantial Completion Deadline, then Landlord may, in addition to its other rights and remedies, (i) perform or procure performance of the work to complete construction of all or any portion of the Project as Landlord determines in its absolute and sole discretion; and (ii) execute on any payment and/or performance bond or other security. Landlord will reasonably refrain from the potential exercise of the right to perform or procure performance of the work through completion of the Project subject to the diligent and continuous effort by any Lender and payment and performance sureties to step-in, perform and complete the design work and the construction work and to achieve Substantial Completion, final acceptance and occupancy and use of the Project on a timely basis. If Tenant or Landlord reasonably determines that Tenant will not achieve Substantial Completion of any Improvement or portion of the Project by the applicable Scheduled Substantial Completion Date, Tenant shall provide Landlord with a remedial plan to re-sequence and/or accelerate performance of the work to achieve completion of each Improvement and the Project in accordance with the Project Baseline Schedule.

(k) Substantial Completion. The term “**Substantial Completion**” means with respect to the Project (i) the Architect executes and delivers, for the benefit of Tenant and Landlord, a Certificate of Substantial Completion in the form of the American Institute of Architects document G704, certifying substantial completion of the Project and each of the Improvements in accordance with the Plans and Specifications; and (ii) Tenant has obtained from the applicable Governing Authority a temporary or permanent certificate of occupancy or its equivalent allowing occupancy of the Project and each of the Improvements exclusive of immaterial “punch list” work that does not prevent Tenant from safely possessing, occupying and using, on a continuous and uninterrupted basis, the Improvements for the intended purposes and uses permitted by this Amended Lease. The term “**Substantial Completion Date**” means with respect to each Improvement, as applicable, the date on which Substantial Completion occurs. Tenant shall diligently accomplish performance and completion of all punch list work and achieve final completion of the Project within ninety (90) days after the applicable Substantial Completion Date. Within ninety (90) days after the Substantial Completion Date, Tenant shall provide Landlord with a complete set of the “as built” Plans and Specifications in the form and medium reasonably requested by Landlord. To

the extent such rights may be granted/assigned by Tenant, Landlord shall be granted and shall have and possess an absolute, perpetual, non-exclusive, royalty-free, assignable and sub-licensable license and right to use the “as-built” Plans and Drawings solely in connection with the Project located on the Campus.

(l) Landlord Step-In. In the event of the breach, failure, non-performance or default by any Architect or any Contractor in connection with the performance of design work or construction work, Tenant shall diligently exercise its rights and remedies available to Tenant under the applicable agreement in consultation with Landlord. If Tenant shall be in breach or default under a Construction Contract or an Architect’s Agreement, and a breach is not cured with the applicable cure period, if any, under the applicable agreement or contract, and the Lender, Leasehold Mortgagee and/or the performance bond surety fail to promptly commence performance of the affected work and diligently prosecute the work to completion Landlord may elect by notice to Tenant, the Lender and the Leasehold Mortgagee, at Landlord’s absolute and sole discretion, and at the cost and expense of the Tenant, to exercise and assert the rights and remedies of Tenant under the terms of the Construction Contracts or the Architect’s Agreements without assuming the obligations of Tenant thereunder, as applicable.

Section 5.4 Utility Lines.

(a) The Project includes the installation of new infrastructure and facilities and may include the enhancement, extension, replacement, removal, relocation, upsizing, repairing, interconnecting to or improving portions of Landlord’s existing infrastructure and facilities to the extent necessary for the construction and operation of the Project, for utility service, fire protection, information technology systems, access control, security monitoring, emergency notifications, telephone, wireless, cable television and/or other communications facilities, servicing the Project and other portions of the Campus affected by the construction of the Project, for which Tenant is responsible during the construction of the Project (collectively, the “**Utility Lines**”). Tenant shall pay for the costs of all labor, services, equipment, machinery, conduits, pipes, valves, fiber, wires, materials, supplies, systems and items related thereto, including any concurrency obligations, and on-site infrastructure improvements, payable with respect to the Utility Lines, except as agreed to by Landlord or College .

(b) Tenant shall be solely responsible for the cost of all reservation charges, capacity charges, connection fees, tap fees and any other rents, rates, assessments, surcharges, fees, taxes and charges incurred in connecting the Project to existing utility infrastructure and receiving utility service at the Project, except as expressly agreed to by Landlord or College.

(c) Tenant will design, install and construct the Project and Utility Lines such that the required capacity for all utilities necessary to service the Project will be installed using all commercially reasonable efforts to limit any reductions, curtailments or disruptions in service to other improvements, buildings and facilities on or in the vicinity of the Campus. Tenant will at its cost (i) relocate existing utility facilities and lines serving the Campus as necessary to maintain continuity of service; (ii) install and connect new Utility Lines, facilities, meters and infrastructure for delivery of service to the Property; and (iii) procure and maintain delivery of utility service to the Project throughout the Lease Term.

Section 5.5 Utility Charges. Tenant shall pay for all rates, fees, charges and surcharges for utility, information technology, communication, cable, telephone and data service for any Improvement located on the Project, including all utility service used in the construction of the Project and the operation, maintenance, repair and rehabilitation of the Project. If Tenant intends to receive any utility service from Landlord instead of contracting with a third party utility, Tenant shall compensate Landlord for any capacity, resources, credits or other entitlements which would be utilized in order for Landlord to provide such utility service, in addition to all rents, deposits, charges, surcharges, fees and other amounts charged

by Landlord for delivery, consumption or use of service at standard rates charged for similarly situated users located on the Campus.

Section 5.6 Construction Access.

(a) Access. Landlord shall reasonably cooperate with Tenant in defining and coordinating the specific ingress and egress routes that all construction traffic must use to access the Property. Until the construction of the Project has been finally completed, at the reasonable request of Tenant, Landlord shall provide to Tenant non-exclusive licenses and rights of ways over designated sidewalks, parking lots and roadways on the Campus in order to provide ingress and egress of pedestrians and vehicles to and from the Property and/or to and from a duly open public street. Landlord has the right to change the locations of any such licenses or rights of way at any time and from time to time in its sole discretion as long as a change does not unreasonably interfere with the performance of the construction work or prohibit Tenant's access to an open public street.

(b) Construction Related Parking. Tenant's employees, representatives, vendors, invitees, guests, agents, and contractors (including contractors, subcontractors and vendors of all tiers, performing work or supplying any goods, supplies or materials related to the Project) must comply with all rules and regulations of Landlord and the College Standards with regard to operation and parking of vehicles and mobile equipment on the Campus.

Section 5.7 Other Easements, Licenses or Rights of Way.

(a) The Project may require easements, licenses or rights of way for utility infrastructure and surface water drainage, detention and retention over and on portions of the Campus, in order to comply with requirements of the Landlord and Governmental Authorities having jurisdiction over the Property and the Campus or as necessary for the use, access or operation of the Project. Landlord shall grant (or cause to be granted by the Board) temporary construction easements, licenses, rights of way, or easements for utilities or surface water drainage, detention and retention or as necessary for the use, access or operation of the Project, co-terminus with this Amended Lease, upon the reasonable request by Tenant and on terms reasonably acceptable to the Parties, consistent with this Amended Lease and any other existing easements, licenses or rights of way.

(b) Landlord shall have the right at any time and from time to time to grant, modify or cancel licenses, easements and rights of way to third parties and to change the locations of any easements, licenses or rights of way granted to Tenant, as it sees fit, in its reasonable discretion after consultation with Tenant and at no cost to Tenant, as long as such grants, modification or cancellations do not interrupt, interfere with and/or materially impair Tenant's ability to construct, access, operate, maintain, repair, rehabilitate and use the Project. Subject to the applicable terms of the Financing Documents, Tenant agrees to cooperate with Landlord in connection with any such grant, modification or cancellation of any license, easement or right of way.

Section 5.8 Changes to Plans and Specifications.

(a) No Significant Changes shall be made to the Plans and Specifications or any Improvements without the prior written consent of Landlord. The Project as constructed in accordance with the Plans and Specifications must comply in all material respects with the requirements of this Amended Lease. Within five (5) Business Days after written request from Tenant (or such longer period reasonable under the circumstances with respect to Significant Changes), accompanied by (i) the proposed changes to the Plans and Specifications; (ii) information regarding the impact of the proposed changes on the affected

Improvement and the Project, including the cost and schedule for performance of any related work, the structural integrity, useful life, functionality, maintenance, capital asset repair, replacement, and sustainability of the affected Improvements; as well as (iii) other documents and information requested by Landlord, Landlord shall either reject or approve the proposed changes to the Plans and Specifications. If Landlord rejects the proposed changes, Landlord shall specify the reason for Landlord's rejection or any particular changes which must be made to such document(s) for them to be reasonably acceptable to Landlord, in which case Tenant shall have the right to re-submit its request at any time thereafter.

The “**Required Remainder**” of the Repair and Replacement Account, shall be an amount equal to the difference, if positive, of (1) the actual then-current balance of the Repair and Replacement Account, and (2) the amount required to pay for the costs to meet the capital expenses set forth in the then current the Repair and Replacement Schedule for the next [three] subsequent Annual Periods following expiration or early termination of the Lease Term.

Section 11.3 Facilities Condition Report. Commencing in the fifth (5th) Annual Period following Substantial Completion of the Project, then again every five (5) years thereafter and at any time upon reasonable request by Landlord based upon evidence of a material concern, Tenant will, as a Project cost, cause a comprehensive facilities condition assessment report to be performed on the Improvements by an independent engineer agreed upon by Tenant and Landlord. The cost of the facilities condition assessment report shall be paid from the Repair and Replacement Account unless Landlord has requested the report without identifying a material concern, in which event the report shall be at Landlord’s cost and expense. The Management Committee, will determine the nature and scope of services and deliverables to be provided by the independent engineer and the schedule, budget and funding by Tenant of its implementation of remedial action in accordance with the requirements of this Amended Lease to address any defects or deficiencies identified by the independent engineer with respect to any Improvement or the Project; provided, however, that defects or deficiencies identified in the report shall not be addressed in the event the same (a) are scheduled to be addressed during the next Annual Period pursuant to the Repair and Replacement Schedule and (b) are non-essential items that may improve usability of the Improvements but do not impact life safety, security, the welfare of residents, code compliance, or building functionality. Tenant shall, at its cost and expense, promptly fund and perform the work necessary to remedy all such defects or deficiencies, but in any event commence the work within thirty (30) days from the date recommended in the report or on a date as agreed upon by Landlord and Tenant.

Section 11.4 Handback Reserve. Not less than three (3) years prior to the expiration of the term of this Amended Lease, a facilities condition report shall be prepared by an independent engineer evaluating the condition of the structural elements and Building Systems of the Improvements. The report shall detail the nature, scope, schedule and cost of all work and procurement necessary to assure that such structural elements and Building Systems of the Improvements meet or exceed the condition required by this Amended Lease for handback to Landlord at the end of the Lease Term. The Management Committee shall coordinate the engagement of the independent engineer, the funding of a handback reserve account (“**Handback Reserve Account**”), the scope and schedule of any repairs and other work identified in the report of the independent engineer and procurement to be performed in accordance with this Amended Lease during the last three (3) Annual Periods of the Lease Term and the schedule for disbursing funds from the Handback Reserve Account, if necessary. In the event such structural elements and Building Systems do not meet the condition required by Section 2.3 for handback to Landlord at the expiration of the Lease Term, Landlord shall have the right to perform any repairs, replacements, rehabilitations, and renovations with respect to such structural elements and Building Systems, Landlord shall be reimbursed for all costs and expenses incurred in connection with the completion of such work. Any remaining balance

If Tenant becomes aware of any such violations, the presence of Hazardous Materials or other circumstances or conditions which present a foreseeable risk of injury or harm to persons or damage to property on or near the Property, it shall promptly inform and confirm by written notice to Landlord. Subject to the terms of Section 32, Tenant shall prepare and submit to Landlord a remedial plan to address any such violation or condition and prevent the re-occurrence of similar violations.

**ARTICLE 13.

Section 13.1 Events of Default. This Amended Lease is made upon the condition that Tenant shall fully, punctually and faithfully perform all of the obligations, covenants and agreements to be performed by it as set forth herein. If any of the following events shall occur, Tenant is deemed to be in default of this Amended Lease ("**Default**" or an "**Event of Default**"):

(d) Tenant fails to operate, maintain, repair, rehabilitate and renovate all or any portion of the Project such that it is safe and secure for occupancy by Eligible Residents and other tenants, lessees or licensees and any such condition, occurrence or failure continues for a period of ten (10) days after written notice by Landlord to Tenant;

(e) Tenant fails to maintain all Governmental Authorizations necessary for the construction, management, use, maintenance, repair or rehabilitation of the Project and such breach or default continues for thirty (30) days after written notice thereof by Landlord in writing to Tenant; provided, however, that if such failure is of a nature that it cannot reasonably be cured within such thirty (30) day period, then Tenant shall have such time (but without a modification of the Project Baseline Schedule) as is reasonably required to cure such breach or default; provided that the time period to cure shall not exceed one hundred twenty (120) days and, provided further, that Tenant commences the cure within such thirty (30) day period following notice thereof and continues thereafter to diligently pursue completion of such cure;

(f) Tenant fails to timely procure and maintain and cause its contractors to procure and maintain at all times the policies of insurance, surety bonds and any other payment or performance security required by this Amended Lease, and such failure continues for thirty (30) days after written notice thereof by Landlord in writing to Tenant;

(k) Abandonment of the construction or operation of the Project for fifteen (15) consecutive days and the failure of Tenant to resume construction or operation of the Project within five (5) days after notice by Landlord.

Section 13.2 Notice and Remedies During Tenant's Default. Upon the occurrence and during the continuance of an Event of Default by Tenant, Landlord shall be entitled to exercise any one or more or all of the following remedies at its discretion: (i) commence proceedings against Tenant for damages and collect all sums or amounts with respect to which Tenant may then be in default and are accrued up to the date of termination of this Amended Lease (including amounts due under the provisions which survive such termination); (ii) commence proceedings against Tenant under the provisions of this Amended Lease for holdover obligations of Tenant, if any; (iii) bring an action for specific performance, including to require Tenant to document the conveyance and transfer set forth in this Amended Lease; (iv) terminate this Amended Lease subject to the provisions of Section 13.6, and reenter the Project and take possession thereof; or (v) exercise any other right or remedy available at law or in equity. In addition to other rights of Landlord upon an Event of Default, Landlord shall have the right, but not the obligation, to cure the act or failure constituting such Event of Default for the account and at the expense of Tenant. All reasonable costs or expenses incurred by Landlord, including reasonable attorneys' fees, shall be considered Additional Sums and shall be paid by Tenant to Landlord upon written demand. To the extent practicable Landlord shall provide Tenant with five (5) days written notice prior to commencing the cure of any Default, provided, however no such notice shall be required (i) for action to address an emergency, any relief, safety or security concern or exigent circumstances; or (ii) if Tenant's Default would potentially result in the imposition of a lien or the issuance of a tax sale certificate. If Landlord has already terminated this Amended Lease, Landlord's cure, or attempt to cure, any act or failure constituting a Default by Tenant shall not require notice and shall not result in a waiver of such termination or any other right or remedy by Landlord.

Section 13.4 Performance by Landlord of Tenant's Obligation; Interest. In addition to other rights of Landlord upon an Event of Default, if Tenant at any time fails to pay any Taxes or fails to make any payment or perform any act required by this Amended Lease to be made or performed by it or which results in an Event of Default, Landlord, without waiving or releasing Tenant from any obligation, liability or Default under this Amended Lease, shall have the right at its discretion (but shall not be obligated to) at any time thereafter make such payment or perform such act for the account and at the expense of Tenant. All sums paid by Landlord and all costs and expenses incurred by Landlord in connection therewith, including reasonable attorneys fees, shall accrue interest at the Default Rate from the date paid or incurred by Landlord and shall constitute Additional Sums payable by Tenant under this Amended Lease and shall be paid by Tenant to Landlord upon written demand.

Section 13.5 Waiver. Each Party waives and releases the other Party hereto from any claims and/or liability for any special, consequential, incidental, indirect or punitive damages arising out of or in connection with the Project or this Amended Lease, excepting to the extent that it might be characterized as special, consequential, indirect or punitive damages, any express remedy set forth herein for the payment of liquidated damages or other amounts.

Section 13.6 No Damages. Tenant shall not seek an award of damages or the return of any amounts paid by Tenant in connection with Landlord's exercise of any of its rights or remedies.

Section 13.7 Landlord Events of Default. If any of the following events shall occur, Landlord is deemed to be in default of this Amended Lease ("**Landlord Default**" or a "**Landlord Event of Default**"):

(a) Any breach or default on the part of Landlord in the observance or performance of any of the other material terms, covenants, agreements, conditions or provisions of this Amended Lease, and such breach or default continues for sixty (60) days after written notice thereof by Tenant in writing to Landlord; provided, however, that if such breach or default is of a nature that it cannot reasonably be cured within such sixty (60) day period, then Landlord shall have such time as is reasonably required to cure such breach or default; provided that Landlord commences the cure within sixty (60) days following notice thereof and continues thereafter to diligently pursue completion of such cure.

Section 13.8 Notice and Remedies During Landlord's Default. Landlord shall have the time period set forth in Section 13.7, to cure such Landlord Default after Tenant delivers a notice of the Landlord

Default. Upon the occurrence and during the continuance of an Event of Default by Landlord, Tenant shall be entitled to exercise any one or more or all of the following remedies: (i) Tenant may terminate this Amended Lease; (ii) exercise Tenant's right to have any leases between Landlord and Eligible Residents and any other Person assigned from Landlord to Tenant; (iii) bring an action for specific performance or (iv) take whatever steps are necessary in Tenant's reasonable opinion to cure the default, and the costs of any such actions taken by Tenant shall be payable by Landlord to Tenant upon demand. If Landlord fails to reimburse Tenant upon demand for any amount paid for the account of Landlord hereunder within fifteen (15) days after receipt from Tenant written notice of claim for reimbursement, then, without limitation, said amount may be set off and deducted by Tenant from the next or any succeeding installment payments of Additional Sums due and payable hereunder by Tenant to Landlord.

ARTICLE 14. DAMAGE AND DESTRUCTION

Section 14.1 Damage. Tenant agrees to provide and maintain all insurance coverage as required in this Amended Lease. In the event that any Improvement, element or component of the Project is damaged ("**Damage**"), Tenant shall give notice to Landlord within five (5) Business Days following the date of such Damage. Within ninety (90) days, or such shorter period as is reasonable under the circumstances, following any Damage, Tenant shall commence work necessary to repair all Damage at its cost and expense; provided that Tenant may elect, in its sole discretion, to utilize other means of financing such work prior to receipt of the insurance proceeds. In addition, Tenant may use any funds then on deposit in the Repair and Replacement Account to fund the repairs; provided, however, to the extent such funds are used to fund the repairs, such funds shall be reimbursed in full from the insurance proceeds upon receipt thereof. Repairs, restoration, rebuilding, rehabilitation, and replacements to address Damage shall be made in accordance with the requirements of this Amended Lease relating to design and construction work and Plans and Specifications approved by Landlord. Tenant shall be entitled to adjust, collect and compromise, in its sole discretion, all claims under any applicable insurance policies carried by Tenant and to execute and deliver all necessary proofs of loss, receipts, vouchers and releases required by the insurers consistent with its obligation to repair, restore and rebuild the Project. Tenant shall use any such proceeds exclusively for repair of Damage, with any excess paid to Tenant or the Leasehold Mortgagee. Notwithstanding the foregoing, if (i) the cost of repairing or reconstructing any Improvement, element or component of the Project to substantially the same condition as existed prior to such damage or destruction is in excess of forty percent (40%) of the replacement cost of the Project and (ii) such damage or destruction occurs at any time after the commencement of the twenty-fifth (25th) Annual Period, either Party shall have the right to terminate this Amended Lease upon written notice to Landlord within sixty (60) days following the date of such Damage, in which event both Parties shall be relieved of and from any liability hereunder, except those which accrued up to the time of such termination, including the obligation of Tenant to provide Landlord with any insurance proceeds for the repair of the Damage or demolition of any Improvement that is not repaired and the removal of debris related to the Damage, and any obligations which expressly survive such termination.

ARTICLE 15. ASSIGNMENT AND SUBLETTING; CHANGE IN OWNERSHIP

Section 15.1 General Prohibition.

(a) **Tenant.** Tenant shall have the right at any time to make a Permitted Transfer and a Permitted Project Transfer without the prior consent of Landlord. Other than with respect to a Permitted Transfer and a Permitted Project Transfer, Tenant shall not have the right to transfer any interest in the Project or in or under this Amended Lease without the prior written consent of Landlord. Unless Tenant

has obtained Landlord's written consent prior to a transfer other than a Permitted Project Transfer and a Permitted Transfer, such transfer shall be null and void and an Event of Default.

(b) **Landlord.** Landlord shall not have the right at any time to assign (whether by operation of law or otherwise) any rights granted by this Amended Lease or sublet any interest of Landlord in all or any portion of the Property, or any Improvements, facility or building comprising the Project, without the prior written consent of Tenant, except as otherwise expressly set forth herein or in connection with an assignment or transfer of all or substantially all of Landlord's interests in the Property, the Improvements and any facility or building comprising the Project.

Section 15.2 Change in Ownership of Tenant. Tenant and its Tenant Members shall have the right at any time to make a Permitted Ownership Transfer without the prior consent of Landlord. Except with respect to a Permitted Ownership Transfer, each of the following shall be deemed an Ownership Transfer which shall be prohibited and an Event of Default without the prior written consent of Landlord within thirty (30) days following receipt of written request from Tenant: (a) the Tenant Member ceases to own, either directly or indirectly the majority of the membership interests in Tenant; (b) the Tenant Member is dissolved; (c) the Tenant Member or Tenant is merged, consolidated, liquidated, or sells all or substantially all of its assets; (d) there is a Change in Control of Tenant Member or Tenant, (e) the occurrence of an assignment, transfer or conveyance of assets, properties, rights or interests of Tenant or Tenant Member for the benefit of creditors or by operation of law; or (f) in connection with a proposed Ownership Transfer, Tenant Member or Tenant will not be owned or managed by a Person meeting the requirements of a Qualified Purchaser after giving effect to such Ownership Transfer. In the event that Landlord fails to give notice to Tenant that Landlord withholds consent to the Ownership Transfer within said 30-day period, Landlord shall be deemed to have consented to such proposed Ownership Transfer. Unless Tenant has obtained Landlord's written consent or deemed consent prior to such an Ownership Transfer, such an Ownership Transfer shall be null and void and an Event of Default.

Section 15.3 Qualified Purchaser Right of First Refusal. Subject to Landlord's right of first refusal set forth in this Section 15.3, Tenant shall have the right to sell its interest in this Amended Lease to a Qualified Purchaser effective as of (i) with Landlord's prior written consent, not to be unreasonably withheld, conditioned or delayed, during the period following Stabilization of the Project and prior to the fifth (5th) anniversary of the date of Substantial Completion of the Project (the "Post-Stabilization Period"), and (ii) without Landlord's consent, following the fifth (5th) anniversary of the date of Substantial Completion of the Project. In the event that, Tenant receives a term sheet or letter of intent to purchase its interest in this Amended Lease with closing to occur either following Stabilization or the fifth (5th) anniversary of the date of Substantial Completion of the Project, as applicable, and if Tenant desires to accept such term sheet or letter of intent, Tenant shall provide Landlord in writing with all material terms and conditions of the term sheet or letter of intent and, all documentation necessary to confirm the proposed transferee's status as a Qualified Purchaser (collectively, the "**Transfer Notice**"). If Landlord (i) reasonably disputes whether the proposed transferee is a Qualified Purchaser, and/or (ii) solely with respect to the Post-Stabilization Period, Landlord reasonably refuses to consent to the proposed Transfer, then Landlord must notify Tenant thereof within forty-five (45) days after receiving the Transfer Notice or the proposed transferee will be deemed a Qualified Purchaser (and Landlord's required consent shall be deemed given if the Transfer Notice relates to a Post-Stabilization Period Transfer). In the event Landlord determines that the proposed transferee is a Qualified Purchaser, and, during the Post-Stabilization Period, if applicable, gives its consent to such Qualified Purchaser as a proposed transferee, Landlord shall have forty-five (45) days after receiving the Transfer Notice during which to (i) notify Tenant in writing whether it will agree to purchase the interest described in the Transfer Notice on the terms and conditions stated therein (except as to the closing date, which shall be as set forth herein) and (ii) deliver to Tenant a letter in which the chief financial officer of Landlord certifies that (a) the purchase of the interest described in the

Transfer Notice on the terms and conditions stated therein will be in accordance with debt guidelines of Landlord and (b) Landlord has the bond capacity or other financial capability to purchase and finance the interest described in the Transfer Notice for the price set forth therein (collectively, the “**Initial Required Notices**”). If Landlord fails to timely deliver the Initial Required Notices to Tenant or declines to exercise its purchase right under this Section 15.3, then Landlord shall be deemed to have waived its purchase right under this Section 15.3 with respect to the applicable Transfer Notice and Tenant may proceed with the proposed Transfer for a price not less than the price set forth in the Transfer Notice and upon terms not materially more favorable to the transferee than the terms set forth in the Transfer Notice and upon the closing of such transfer, Tenant shall provide Landlord copies of the documents relating to the transfer including a written assumption by the proposed transferee of all of Tenant’s obligations under this Amended Lease arising from and after the effective date of the transfer. If Landlord timely delivers the Required Notices to Tenant, Landlord and Tenant shall close such purchase on a mutually agreeable date no later than one hundred twenty (120) days following Landlord’s receipt of approval by the Board of Trustees. In the event that Landlord shall fail to close on such purchase for any reason other than an Event of Default by Tenant hereunder, Tenant shall be entitled to proceed with the proposed Transfer or pursue the right of specific performance with respect to the Landlord. If Landlord waives (or is deemed to waive) its right of first refusal pursuant to this Section 15.3 with respect to a proposed Transfer, Landlord shall provide a recordable release of such right of first refusal as to the Transfer in a form generally acceptable to title insurers in the State of Florida.

Section 15.4 Notice of Intent to Market. Without limitation of the foregoing, Tenant shall provide written courtesy notice to Landlord of Tenant’s intent to market and sell the Project prior to initially publicly listing the Project for sale.

ARTICLE 16. MECHANICS AND MATERIALMEN'S LIENS

Section 16.1 Liens. Tenant shall not create, permit or suffer any mechanics or materialmen's liens or other liens to be filed against any Improvement or area of the Project, the Property or any portion of the Campus by reason of any work, labor, services, equipment, supplies, materials or items performed or furnished or related to the design, construction, maintenance, repair or replacement of the Project during the Term by Tenant or its Contractors or vendors. If any such lien, other lien or any notice of intention to file a lien shall at any time be filed or recorded against all or any portion of the Property, Tenant’s Leasehold interest in the Property or the Project, Tenant shall at Tenant’s cost, within ten (10) days after the Tenant obtains knowledge (including by notice to Landlord) that such lien or other document has been filed or recorded, commence and diligently pursue the removal or discharge of record of such lien or notice by payment, bond, order of a court of competent jurisdiction or otherwise; provided that Tenant shall have the right to contest any such lien in accordance with Florida law.

Section 16.2 Landlord Rights. If Tenant fails to remove or discharge any such lien or any notice of intention to file a lien within the prescribed time set forth herein, then in addition to any other right or remedy of Landlord, Landlord shall have the right in its discretion to procure the removal or discharge of the same by payment or bond or otherwise. Any cost, expense, fee or other amount paid by Landlord for such purpose, including reasonable attorneys’ fees, together with interest thereon at the Default Rate, shall be due and payable by Tenant to Landlord as Additional Sums upon Landlord’s written demand.

Section 16.3 No Waiver. Nothing contained in this Amended Lease shall be construed as a waiver, consent or agreement on the part of Landlord to subject Landlord’s estate in the Property or interest in the Project or any Improvement to any lien, encumbrance or liability arising out of construction, operation, maintenance, repair, rehabilitation, replacement, alteration, use or occupancy of the Project by

Tenant, its contractors and its subtenants. Tenant covenants and agrees to give any required notices or disclosures to Tenant's contractors advising that Landlord's interest in the Property and Project is not subject to liens arising from Tenant's design, construction, operation, maintenance, repair, replacement, alteration, use or occupancy of Improvements, facilities, buildings or structures on the Property or arising from any goods or services furnished, provided or performed by any contractor.

ARTICLE 17.
LEASEHOLD ENCUMBRANCES

Section 17.1 Leasehold Encumbrances. During the Lease Term, subject to the terms of this Amended Lease, Tenant has the right to pledge, hypothecate or otherwise encumber from time to time its Leasehold interest under this Amended Lease as security for one or more Funding Agreements the proceeds of which are used for the purpose of funding the performance and satisfaction by Tenant of its obligations under this Amended Lease and/or to refinance prior Project Debt. Except to the extent expressly agreed to in writing by Landlord, no such Funding Agreement or any extension, renewal, re-financing or replacement thereof obtained by or on behalf of Tenant shall impose any obligation or liability whatsoever on Landlord or attach to, encumber or otherwise affect Landlord's interest in the Project, the Campus or the Property. The sole recourse of any Leasehold Mortgagee shall be against Tenant and Tenant's interest in the Project and Tenant's Leasehold interest under this Amended Lease. The underlying fee simple title to the Property and Landlord's reversionary interest in the Project shall not be mortgaged or encumbered by Tenant. All loans secured by Tenant's interest in the Project and this Amended Lease shall be paid in full, and any Leasehold Mortgage shall be cancelled, released and discharged at or before the expiration or earlier termination of the Term, including in connection with Landlord's exercise of the Buyout Option.

Section 17.2 Secured Party. If, from time to time, Tenant or Tenant's successors and assigns shall either encumber the leasehold estate created by this Amended Lease and/or Tenant's interest in the Project with a **Leasehold Mortgage** and if the **Leasehold Mortgage** delivers to Landlord an executed counterpart of such Leasehold Mortgage, together with each assignment thereof certified by such Leasehold Mortgage to be true, together with written notice specifying the name and address of such holder and the pertinent recording data with respect to such Leasehold Mortgage, if applicable, Landlord agrees that, anything in this Amended Lease to the contrary notwithstanding, from and after the date of receipt by Landlord of such notice and for the term (duration) of such Leasehold Mortgage the following provisions shall apply:

(a) **Consent to Amendment.** Except as provided below, there shall be no cancellation, surrender or modification of this Amended Lease by Landlord or Tenant without the prior written consent of any Leasehold Mortgagee, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing (but, in any event, subject to the cure rights granted to a Leasehold Mortgagee set forth in Sections 17.2(c) and (d)), nothing herein shall be deemed to prohibit or impair the rights of Landlord to terminate this Amended Lease in accordance with its terms or to exercise its Buyout Option or its other rights as provided for in this Lease. There shall be no material amendment, modification, change, extension, or restatement of the Leasehold Mortgage which is inconsistent with the Base Case Financial Model without Landlord's prior express written consent.

(b) **Notices to Secured Parties.** Landlord, upon sending Tenant any notice of an Event of Default, breach of a covenant or failure to perform, or termination of this Amended Lease, shall simultaneously send a copy of such notice to any Leasehold Mortgagee who has provided notice to Landlord thereof. In the event Landlord sends Tenant any such notice, the Leasehold Mortgagee shall then have the same period commencing after a copy of such notice is received by it (which period may be contemporaneous with cure efforts by Tenant) as is given to Tenant hereunder to remedy such failure, and Landlord shall accept performances by or at the direction of any Leasehold Mortgagee as if it had been

done by Tenant. Any notice required to be given to any Leasehold Mortgagee hereunder shall be posted in the United States mail, postage prepaid, certified, return receipt requested or sent by recognized overnight courier or delivery service and addressed to the Leasehold Mortgagee at the address and to the attention of the person designated by such Leasehold Mortgagee to receive copies of such notices. Except with respect to the right of Landlord to temporarily step-in and cure any breach, Default or delay or failure in performance by Tenant as provided in Section 13.3 and 13.4, Landlord shall not exercise any rights or remedies granted to it under this Amended Lease following an Event of Default by Tenant under this Amended Lease until the expiration of all notice and cure periods in favor of Leasehold Mortgagee as set forth in Sections 17.2(b), (c) and (d), to the extent applicable; provided that Leasehold Mortgagee commences effort to remedy such Event of Default within the initial time period available to Leasehold Mortgagee under Section 17.2(b) or commences effort to obtain possession of the Project, if necessary, and Leasehold Mortgagee diligently pursues such remedy or effort to obtain possession, as applicable.

(c) Curative Rights of Secured Parties. In addition to the rights granted to any Leasehold Mortgagee under Section 17.2(b), a Leasehold Mortgagee shall have an additional period of ninety (90) days commencing upon the expiration of the cure periods offered to Tenant (including cure periods under Section 13.6, if applicable) within which to remedy or cause to be remedied any Event of Default (or thirty (30) days with respect to an Event of Default for failure to pay amounts due and owing Landlord), provided that Leasehold Mortgagee commences efforts to remedy such Event of Default within the initial time period available to Leasehold Mortgagee under Section 17.2(b) or commences effort to obtain possession of the Project, if necessary, and Leasehold Mortgagee diligently pursues such remedy or effort to obtain possession, as applicable.

(d) Limitation Upon Termination Rights of Landlord. If Landlord elects to terminate this Amended Lease or re-enter upon the occurrence of an Event of Default for reasons other than a failure to pay amounts due and owing Landlord to the extent permitted in Section 13.2, the Leasehold Mortgagee shall also have the right to postpone and extend the date of termination or re-entry as fixed by the provisions of this Amended Lease for a period of not more than [six (6)] months from the expiration of the cure period specified in Section 17.2(c), provided that the Leasehold Mortgagee shall forthwith take steps necessary to acquire Tenant's interest and estate in this Amended Lease by foreclosure of its Leasehold Mortgage, or otherwise, and shall prosecute such action to completion with due diligence and thereafter upon obtaining such possession or control, as applicable, commence the curing of the Event of Default with due diligence; or (ii) if applicable, shall cause the Tenant to provide Landlord with a remedial plan acceptable to Landlord setting forth in reasonable detail how the Leasehold Mortgagee shall cure the Event of Default and thereafter perform Tenant's obligations, covenants and agreements under this Amended Lease. If at the end of the six (6) month period, the Leasehold Mortgagee is actively engaged in steps to acquire or sell Tenant's leasehold interest in this Amended Lease and the Project or to replace the management of the Project, the time for Leasehold Mortgagee to comply with the provisions of this Section 17.2(d) shall be extended for a period, acceptable in the sole discretion of the Landlord, as shall be reasonably necessary to complete the acquisition or sale or the remedial plan with reasonable diligence and continuity.

(e) Assignment. Landlord agrees that in the event of any foreclosure under any Leasehold Mortgage, either by judicial proceedings or under power of sale contained therein or transfer made in lieu of foreclosure (collectively, a "**Leasehold Mortgage Transfer**"), all right, title and interest encumbered by such Leasehold Mortgage may, without the consent of Landlord, be assigned to and vested in (x) the purchaser at such foreclosure sale or transferee of a transfer made in lieu of foreclosure, and such purchaser need not be a Qualified Purchaser or (y) a Leasehold Mortgagee or any Affiliate or designee of such Leasehold Mortgagee (a "**Mortgage Acquirer**"), subject and subordinate, however, to the rights, title and interests of Landlord; and, notwithstanding that Landlord's consent to said assignment shall not have been obtained, any such purchaser or Mortgagee Acquirer shall be vested by virtue of such assignment with any

and all rights of the party whose estate was encumbered by such Leasehold Mortgage as though Landlord had consented thereto. Within sixty (60) days of such Leasehold Mortgage Transfer: (i) with respect to any continuing Event(s) of Default which are susceptible of being cured, the assignee or purchaser at such foreclosure sale shall be required to provide a remedial plan that sets out in reasonable detail such party's plan, schedule and budget to cure such continuing Event(s) of Default which caused the foreclosure and to perform Tenant's obligations, covenants and agreements under this Amended Lease accruing after the date on which such assignee or purchaser obtains Tenant's leasehold interest in the Project; and (ii) any purchaser (other than a Mortgagee Acquirer), that has been deemed a "Qualified Purchaser" only by virtue of having acquired the Project pursuant to a Leasehold Mortgage Transfer, shall either engage a Qualified Manager, or take such actions as may be necessary to become a Qualified Purchaser. Any continuing Events of Default which are not susceptible of being cured by such assignee or purchaser shall, as to such assignee or purchaser, be deemed waived by Landlord upon the assignee or purchaser obtaining Tenant's leasehold interest in the Project under this Section 17.2, subject to the full reservation by Landlord of all claims, rights and remedies which Landlord may have against any other Person relating thereto. For purposes of clarity, Landlord's rights of first refusal, consent rights with respect to Transfers during the Post-Substantial Completion Period, and restrictions on Transfer prior to Substantial Completion, all as set forth in Section 15.3 of this Amended Lease, shall not be deemed to apply to (i) any Leasehold Mortgage Transfer, or (ii) following any Leasehold Mortgage Transfer to a Mortgagee Acquirer, the subsequent sale of the Project by such Mortgagee Acquirer to a Qualified Purchaser.

(f) Secured Party Leases. Landlord agrees that in the event of a termination of this Amended Lease or re-entry without termination by reason of any Event of Default, and subject to the rights herein granted to Leasehold Mortgagee, the Leasehold Mortgagee shall have the option, but not the obligation, to enter into a ground lease agreement directly with Landlord on the same terms and conditions for the remainder of the Lease Term (a "**Secured Party Lease**"); provided:

(i) the Leasehold Mortgagee shall enter into a Secured Party Lease within the required period specified in Section 17.2(d);

(ii) the Leasehold Mortgagee shall pay, perform and observe all obligations, covenants and agreements contained in the Secured Party Lease on Tenant's part to be paid and performed during such period of time commencing with the date of the execution of the Secured Party Lease and terminating upon the abandonment or surrender of possession of the Project under the Secured Party Lease;

(iii) the Leasehold Mortgagee terminates any management agreement with the then current manager, if other than the Landlord and appoints a substitute manager approved by Landlord; and

(iv) the Leasehold Mortgagee, as the tenant under the Secured Party Lease, shall have the same right, title and interest in and to the Project and the right to use the Project as Tenant had under this Amended Lease, subject to the terms and conditions of this Amended Lease.

(g) Agreement Between Landlord and Secured Party. Landlord, upon reasonable written request by Leasehold Mortgagee, shall execute, acknowledge, and deliver to Leasehold Mortgagee an agreement, in form reasonably satisfactory to the Leasehold Mortgagee and Landlord, by and among Landlord, Tenant, and the Leasehold Mortgagee (provided the same has been previously executed by Tenant and Leasehold Mortgagee) agreeing to the provisions of this Article.

(h) Limitation on Liability of Secured Party. Notwithstanding any other provision of this Amended Lease, Landlord agrees that any Leasehold Mortgagee permitted under this Amended Lease shall in no manner or respect solely as a result of such status whatsoever be (i) liable or responsible for any of Tenant's obligations or covenants under this Amended Lease (nor shall any rights of such Leasehold Mortgagee be contingent on the Tenant's satisfaction of such obligations or covenants); or (ii) required to cure any Event of Default, provided; however, that if such Leasehold Mortgagee becomes the owner of the Leasehold estate created hereunder or becomes the tenant under a Secured Party Lease obtains then such Leasehold Mortgagee shall be responsible and liable for all obligations and covenants accruing during the period of time that the Leasehold Mortgagee is the owner of such leasehold estate or tenant under a Secured Party Lease, or obtains management control of Tenant, as applicable. Notwithstanding the foregoing, the liability of a Leasehold Mortgagee with respect to its obligations under this Amended Lease or any Secured Party Lease shall be "non-recourse" and, accordingly, Landlord's source of satisfaction of such obligations from the Leasehold Mortgagee shall be limited to Landlord's rights to terminate this Amended Lease as provided herein and execution upon, receipt and collection of and/or enforcement of all rights of Landlord or Tenant under or with respect to the Project, reserves, accounts and any insurance policy or surety bond or other payment or performance security proceeds, and Landlord shall not seek to obtain payment through any judicial process or otherwise from any person or entity comprising such Leasehold Mortgagee or from any assets of such Leasehold Mortgagee other than the Project, reserves, accounts, insurance policy or surety bond or other payment or performance security proceeds.

(i) Notice to Landlord. Tenant shall cause each Leasehold Mortgagee to provide Landlord notice of the occurrence of any event of default under the related Leasehold Mortgage.

ARTICLE 18. WAIVER

No waiver of any obligation, covenant or condition or of any right shall be implied by the failure, delay or partial exercise by Landlord or Tenant to take action or for any other reason, and no waiver of any obligation, covenant or condition shall be valid unless it is in writing signed by the Party against whom the waiver is asserted. The mention in this Amended Lease of any specific right or remedy shall not preclude Landlord or Tenant from exercising any other right or remedy or from commencing and maintaining any action to which it may be otherwise entitled either at law or in equity except to the extent such right or remedy is expressly waived herein. For the purpose of any suit, action or proceeding by Landlord brought or based on this Amended Lease, this Amended Lease shall be construed to be a divisible contract, to the end that successive actions may be maintained as successive periodic sums shall mature under this Amended Lease and it is further agreed that failure to include in any suit, action or proceeding any sums or sums then matured shall not be a bar to the maintenance of any suit, action or proceeding for the recovery of said sum or sums so omitted.

ARTICLE 19. WAIVER OF LIABILITY/INDEMNIFICATION

Section 19.1 Limitation of Liability. Notwithstanding anything herein to the contrary, Landlord is not and shall not be liable for any claims for damage to the Property or the Project or damage to property or injuries to persons in, on or about the Property or elsewhere occurring during the Term, except to the extent caused by or attributable to the material breach of this Amended Lease by Landlord or the gross negligence or willful misconduct of Landlord or its contractors, agents and representatives and its and their employees and agents. This limitation on liability shall apply without limitation to claims by Tenant, its funding parties, Lenders, Leasehold Mortgagees, affiliates, related parties, contractors, agents and representatives and its and their employees, agents, invitees, licensees, customers, guests, or related entities and successors or permitted assigns. Furthermore, in no event shall Landlord have any liability to

Tenant or its funding parties, Lenders, Leasehold Mortgagees, affiliates or contractors on account of any consequential, incidental, special, punitive, exemplary or any other indirect damages, whether in contract, tort (including negligence and strict liability) or under any other legal or equitable principles whatsoever, or for any loss of profits, opportunity, reputation or revenue. The Parties intend that except as expressly provided herein any damages awarded to either Party shall be limited to actual, direct damages sustained by the aggrieved Party and each Party's liability shall be limited to its respective interest in the Property, the Project.

Section 19.2 Indemnification by Tenant. Tenant agrees that, from and after the date of execution of this Amended Lease, Tenant shall indemnify, defend (with counsel reasonably acceptable to the Indemnified Parties) and hold harmless Landlord and the Board and their respective officers, officials, employees, trustees, and governors (collectively, the "**Indemnified Parties**") from and against any suits, actions, proceedings, investigations, damages, claims, liability, costs and expense, including reasonable attorneys' fees and costs, which may be threatened or asserted against, imposed upon or incurred by the Indemnified Parties (collectively, "Claims") (a) to the extent arising from or out of any occurrence at, in, or from the Project or any part thereof during the Term by reason of the site investigation, design, demolition, construction, operation, maintenance, repair, rehabilitation, occupancy, or use of the Project by or at the direction of the Tenant, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees; (b) by reason of Tenant's breach, nonperformance or default under any provision hereof during the Term; (c) by reason of any lien, violation of Law or any Governmental Authority, injury to any person or damage to any property, infringement of intellectual property rights, releases of Hazardous Materials or liens occurring during the Term and caused by Tenant, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees; or (d) by reason of any act or omission by Tenant, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees during the Term. Tenant's indemnification obligation under this Section 19.2 shall not extend to Claims to the extent resulting from or out of any act or omission by Landlord, its employees, representatives, agents, contractors, partners, servants licensees, or invitees during the Term, (iii) the gross negligence or willful misconduct by any Indemnified Party or (iv) any material breach of this Amended Lease by Landlord.

Section 19.3 Indemnification by Landlord. Subject to the provisions of Florida Statute 768.28, Landlord agrees that, from and after the date of execution of this Amended Lease, Landlord shall indemnify, defend (with counsel reasonably acceptable to the Indemnified Parties) and hold harmless Tenant and their respective officers, officials, employees, trustees, and governors (collectively, the "**Indemnified Parties**") from and against any suits, actions, proceedings, investigations, damages, claims, liability, costs and expense, including reasonable attorneys' fees and costs, which may be threatened or asserted against, imposed upon or incurred by the Indemnified Parties (collectively, "Claims") (a) by reason of Landlord's breach, nonperformance or default under any provision hereof during the Term; (b) by reason of any lien, violation of Law or any Governmental Authority, injury to any person or damage to any property, infringement of intellectual property rights, releases of Hazardous Materials or liens occurring during the Term and caused by Landlord, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees; or (c) by reason of any act or omission by Landlord, its employees, representatives, agents, contractors, partners, servants, licensees, or invitees during the Term. Landlord's indemnification obligation under this Section 19.3 shall not extend to Claims to the extent resulting from or out of any act or omission by Tenant, its employees, representatives, agents, contractors, partners, servants licensees, or invitees during the Term, (i) the gross negligence or willful misconduct by any Indemnified Party or (ii) any material breach of this Amended Lease by Tenant. The provisions of this Section 19.3 shall not operate to waive, limit, or negate in any manner, the provisions of Florida Statute 768.28.

Section 19.4 Tenant Personalty. Tenant shall locate Personalty at and occupy and use the Project at its own risk. The Indemnified Parties are not responsible or liable at any time and Tenant expressly releases them from any loss or damage to Tenant's Personalty except to the extent resulting from or arising out of the gross negligence or willful misconduct of any Indemnified Party.

Section 19.5 Violation of Requirements. Tenant shall indemnify, defend (with counsel reasonably acceptable to Landlord) and hold Landlord and the Board harmless from and against any and all suits, actions, cost, damages or claims, liability, cost or expense, including reasonable attorney's fees and costs arising during the Term out of (a) the failure of any portion of the Project to comply with all requirements of applicable Law (including applicable terms of the Americans With Disabilities Act of 1990 (excluding any alterations, modifications or replacements to the Project performed by the Landlord or a third party contractor for the Landlord)); or (b) any violation by or order or duty imposed upon Landlord or Tenant arising from or out of, or in connection with Tenant's operation, maintenance, repair, rehabilitation, alteration, occupancy or use of any portion of the Property or the Project (including any occupancy, use or manner of use that constitutes a "place of public accommodation" under the Americans With Disabilities Act), or any installations in or on the Property or Project by reason of a breach of any of Tenant's obligations, covenants or agreements under this Amended Lease. Tenant's indemnification obligation under this Section 19.4 shall not extend to the gross negligence or willful misconduct by Landlord or any of its employees, trustees, or agents.

Section 19.6 Survival. This Article 19 will survive the early termination of, or the expiration of the Term of this Amended Lease.

ARTICLE 20. SURRENDER AND HOLDING OVER

Tenant shall deliver up and surrender to Landlord possession of the Property and the Project in compliance with the requirements of this Amended Lease, and shall execute mutually agreeable transfer documentation of transfer and assignment in connection therewith, upon the expiration or earlier termination of this Amended Lease and transfer of the Project from Tenant to Landlord. Should Tenant or any party claiming under Tenant remain in possession of the Project or Property, or any part thereof (excluding, however, any Eligible Residents in the Project), after any expiration or termination of this Amended Lease, no tenancy or interest in the Project or the Property shall result therefrom, but such holding over shall be an unlawful detainer and all such parties shall be subject to immediate eviction and removal, and Tenant shall, upon demand, pay to Landlord on monthly demand, as liquidated damages, a sum equal to one hundred fifty percent (150%) of the prevailing market rent (as reasonably determined by Landlord) with respect to the affected portion of the Property and the Project for any period during which Tenant shall hold the Property after the stipulated term of this Amended Lease may have expired or terminated, in addition to any other costs, charges, expenses or fees incurred by Landlord to enforce its rights hereunder.

ARTICLE 21. CONDEMNATION

Section 21.1 Condemnation. In the event of a Taking or the commencement during the Term of this Amended Lease of any proceedings, negotiations or threats which might result in a Taking, Landlord and Tenant shall give notice thereof to the other upon the President of the College or the Tenant obtaining knowledge of the same. Landlord, Tenant and any Leasehold Mortgagee shall each have the right to appear and intervene in any such proceedings and be represented by their respective counsel. Tenant shall be authorized to collect, settle and compromise, in its discretion, the amount of Tenant's award related to the leasehold estate created by this Amended Lease and Tenant's interest in the Project including, without limitation, any claim for loss of business goodwill, relocation expenses, Tenant's or any other claims that

Tenant is permitted to make). The Parties will cooperate in good faith in all such proceedings, and agree to execute any and all documents that may be reasonably required in order to facilitate the collection of the maximum award to which each Party is be entitled under applicable laws. Notwithstanding anything to the contrary set forth in this Article 21, to the maximum extent permissible by law, Landlord is prohibited from exercising any power of condemnation it may now or hereafter have with respect to condemning the Property, the leasehold estate created by this Amended Lease or any Improvement, element, facility or component of the Project. “**Taking**” means any condemnation, requisition or other taking or sale of the use or occupancy of or title to all or any part of the Property, the Tenant’s leasehold estate and/or any Improvement, element, facility or component of the Project owned by Tenant in, by or on account of any actual or threatened eminent domain proceeding or other action by any Governmental Authority or other person or entity under the power of eminent domain or otherwise. A Taking shall be deemed to have occurred on the earliest to occur of the dates that use, occupancy or title of the affected property is taken. As of the date hereof, Landlord represents and warrants that to the actual knowledge of the President of the College, no portion of the Property is subject to any pending proceeding for Taking.

Section 21.2 Lease Termination. If at any time during the Term of this Amended Lease there shall be a Taking of the whole or substantially all of the Property and/or the Project by any Governmental Authority, then, this Amended Lease shall terminate and expire on the date title is transferred to such Taking entity. No Base Rent shall be apportioned in connection with such Taking. For the purpose of this Section 21.2, “substantially all” of the Property and/or an Improvement, element or component of the Project located on the Property shall be deemed to have been taken if the remaining part thereof, as applicable, not so taken cannot be adequately restored, repaired or reconstructed, , so as to constitute a complete, architecturally sound facility of substantially the same usefulness, design and construction as prior to the Taking. No termination of this Amended Lease in connection with a Taking of substantially all of the Property and/or the Project shall be deemed to have occurred, unless and until Tenant affirmatively elects to terminate this Amended Lease in writing after making the determination contemplated in the prior sentence.

Section 21.3 Demolition of Project Improvements. If this Amended Lease is terminated with respect to a portion of the Property and/or an Improvement, element or component of the Project as a result of such Taking, then Tenant shall either restore the portion of the Property that remains following the Taking to complete, architecturally sound buildings with the proceeds of the award, or demolish and remove any Improvements on the Property which are affected by the Taking, provided Landlord shall have the right, at its option, to receive ownership of the remaining Improvements in their as-is, where-is condition, with all faults.

Section 21.4 Award. If this Amended Lease is terminated with respect to a portion of the Property and/or an Improvement, element or component of the Project as result of such Taking by any Governmental Authority, then as between Landlord and Tenant, the Parties agree that each shall be entitled to its fair and equitable share of any award or awards which such awards shall be allocated as follows: (a) to Tenant in an amount equal to the fair market value of the portion of the leasehold estate and the Improvements and use of the Project thereon owned by Tenant apportioned to the remaining Lease Term and any Personalty of Tenant so taken; the costs incurred by Tenant in connection with the collection of such proceeds and awards (including, without limitation, all fees for experts, counsel fees, costs of surveys and appraisals, and court costs), and costs incurred or to be incurred by Tenant in demolishing or restoring the remaining portion of the Project to a complete, architecturally sound facility of substantially the same usefulness, design and construction as prior to the Taking, and (b) to Landlord in an amount necessary to compensate it for the fair market value of the portion of the Property (subject to, and burdened by, this Amended Lease for the Term) and the Improvements after the remaining Term and the costs incurred by Landlord in connection with the collection of such proceeds and awards (including, without limitation, all

fees for experts, counsel fees, costs of surveys and appraisals, and court costs). The portion of the Leasehold estate award and the portion of the Project award shall be deemed to be that part of the award which shall be specifically attributable by the condemnation court (or condemnation commissioner or other body authorized to make the award) to the affected portions of the Leasehold estate and the Improvement, element or component of the Project. If any such awards are made without explicit allocation of an amount representing Tenant's interest under this Amended Lease and/or the Project and Personalty, Landlord and Tenant shall use good faith efforts to agree thereupon in accordance with the standards and principles applicable generally in condemnation proceedings before the courts of the State of Florida and in accordance with the terms of this Amended Lease. If this Amended Lease shall continue after any such Taking, this Amended Lease shall remain unaffected except that this Amended Lease shall terminate as to the part of the Project and Property so taken (unless such Taking is a temporary taking, in which case this Amended Lease shall terminate with respect to the portion of the Project taken only so long as it remains taken and in the event of any such temporary taking the entirety of the award shall be payable to Tenant), except that Tenant shall, promptly after such Taking and at its expense, restore such Improvements to a complete architectural unit to the reasonable satisfaction of Landlord, and the Base Rent payable by Tenant hereunder shall be equitably reduced. The portion of the Project remaining shall thereafter be referred to as the "Project."

ARTICLE 22. EXCEPTIONS TO DEMISE

Section 22.1 Pre-Existing Recordings. This Amended Lease is subject to all applicable College policies and procedures, , the Permitted Exceptions, and the easements, agreements, instruments and documents that are executed or imposed from time to time after the date of execution of this Amended Lease, as long as such future matters do not materially impair Tenant's ability or rights under this Amended Lease, including rights to design, construct, manage, operate, use, maintain, repair rehabilitate and renovate the Project or increase Tenant's costs, obligations or liabilities with respect thereto or under this Amended Lease. Landlord does not hereby warrant or guaranty title, right or interest in the Property to Tenant; and to the Leasehold estate created by this Amended Lease in favor of Tenant.

Notwithstanding anything to the contrary herein, Landlord shall not have the right to cause any mortgage, lien or encumbrance to be placed on or against the Project or the Personalty except to the extent consistent with Landlord's reversionary interests, Landlord's Buyout Option or the right of Landlord to access, acquire, possess, occupy, use and enjoy any portion of the Property or Project.

ARTICLE 23. LEASE INURES TO BENEFIT OF ASSIGNEES

Subject to the limitations on Transfers as set forth in Article 15 hereof, this Amended Lease and all terms, covenants, provisions and conditions herein contained shall inure to the benefit of and be binding upon the permitted successors and permitted assigns, if any, of the Parties, provided, however, that no

assignment, transfer, exchange, conveyance or change of control by, from, through or of Tenant in breach or violation of this Amended Lease shall vest in the assignee, transferee or controlling party any right, title or interest in, to or under this Lease, the Property, Tenant's Leasehold interest or the Project. Subject to Section 15.1(b) and Article 22, it is expressly understood and agreed that this Amended Lease and any and all rights of Landlord hereunder shall be fully and freely assigned, transferred, or conveyed by Landlord without notice to or the consent of Tenant including Landlord's right to access, acquire, possess, occupy and use certain portions of the Project and Landlord's Buyout Option as set forth herein.

**ARTICLE 25.
NO PARTNERSHIP**

By entering into this Amended Lease, a Party does not, in any way or for any purpose, become a partner of the other Party in the conduct of its business, or otherwise, or a joint venturer or a member of a joint enterprise with the other Party, it being understood and agreed that neither the method of computation of Rent, nor any other term, condition, covenant or provision contained herein, nor any acts or course of conduct or dealing of the Parties, shall be deemed to create any relationship between Landlord and Tenant other than landlord and tenant.

Accordingly, Tenant shall be authorized to use the College’s symbols, logos, trademarks, and other representations of the College for marketing and advertising purposes with the approval of Landlord, which said approval shall not be unreasonably withheld. Landlord reserves all naming rights and associated rights, interests, property, privileges, and benefits in any way related to the Project.

Section 29.1 Dispute Resolution. The Parties shall utilize the following process for the resolution of any claim, dispute or disagreement.

(a) **Direct Communication.** Management-level representatives of the Parties shall meet in an attempt to resolve any Dispute within twenty (20) days after one Party sends notice to the other Party of the existence of such Dispute. If such management representatives of each Party are unable to resolve the Dispute within such twenty (20) days after the initial notice the Parties shall have the right to refer the Dispute to mediation.

(b) **Mediation.** If the Dispute cannot be resolved through direct communication and meetings of representatives of the Parties as provided in paragraph (a) immediately above, either Party may request appointment of a neutral mediator with demonstrated subject matter expertise and experience mutually agreeable to the Parties. Both Parties shall participate in the mediation proceedings and conferences convened by a mediator until earlier of resolution of the Dispute and twenty (20) days after the first mediation proceeding with the mediator. The mediator’s fee shall be divided equally between the Parties.

The mediator is to act impartially and independently in the consideration of facts and conditions surrounding any dispute presented by Landlord and Tenant; however, the mediator's recommendations concerning any such dispute are advisory only. The mediator's recommendations shall be based on the pertinent Lease provisions, and the facts and circumstances involved in the dispute.

(c) Litigation. If Landlord and Tenant cannot reach an agreement resolving the dispute pursuant to the process set forth in Sections 29.1(a) and (b), Landlord and Tenant shall have the right to pursue litigation. In no event shall the existence of litigation of any controversy or the settlement thereof in and of itself delay the performance of obligations under this Agreement.

(d) Venue. The sole and exclusive venue for resolution of any dispute, claim or controversy arising out of or relating to this Agreement shall be the state and federal courts for Putnam County, Florida. All parties shall be responsible for their own expenses, including attorneys' fees, paralegal fees, legal assistants' fees and costs including those incurred on the appellate level, for any actions taken as a result of failure by any party to comply with any terms of this Amended Lease or in any way arising out of this Amended Lease.

ARTICLE 30. GOVERNING LAW

Section 30.1 Governing Law; Venue. This Amended Lease and all claims or disputes arising therefrom is governed by laws of the State of Florida without regard to its choice of law provisions.

ARTICLE 31. FORCE MAJEURE

The Party affected by a Force Majeure shall use its best reasonable efforts to mitigate the effect of such event on its performance and to resume performance of affected obligations. Landlord and Tenant acknowledge that normal and customary rain, storms, wind and lightning in Putnam County, Florida shall not, of themselves, constitute a Force Majeure.

(b) If a Force Majeure event occurs which will delay commencement of construction of the Project by more than one (1) year in the reasonable determination of Tenant, Tenant shall have the right to terminate this Amended Lease within ninety (90) days following such Force Majeure event.

(c) In the event Tenant exercises the right to terminate this Amended Lease as a result of a Force Majeure event Tenant shall assign all of its rights, title and interest in the development work product, including the Plans and Specifications and assign its interest in the Construction Contracts to Landlord free and clear of any claims or liens and without further approval or compensation.

ARTICLE 32. ENVIRONMENTAL MATTERS

Tenant hereby acknowledges that Tenant will perform all environmental, engineering, geotechnical, seismic, hydrologic, archeological, and other due diligence desired by Tenant with respect to the Property and land, buildings, structures, installation, facilities, works, utility, equipment and improvements on and under the Property that Tenant deems necessary prior to the Financial Closing.

Section 32.2 Environmental Compliance Requirements.

(a) Tenant agrees that during the Lease Term, the Property and the Project will remain free from contamination by Hazardous Materials in excess of amounts, concentrations, levels and rates permitted by Environmental Laws which would require remediation or clean-up to conform to applicable remediation criteria established under applicable Environmental Laws, and the Project and the Property and the activities conducted or to be conducted thereon by Tenant and its employees, contractors, and invitees do not and will not violate any Environmental Laws. Tenant shall not cause or permit the Project or Property to be used for the generation, handling, storage, transportation, disposal or release of any Hazardous Materials, except as specifically exempted or permitted under applicable Environmental Laws, which are the subject of prior notice to Landlord. Tenant shall not cause or permit the Project or Property or any activities conducted thereon to be in violation of any current or future applicable Environmental Laws. Tenant will promptly notify Landlord of any actual or alleged violation of any Environmental Laws relating to the Project or the Property or the release or suspected release of Hazardous Materials in, under or about the Project or the Property potentially in violation of Environmental Laws, and Tenant shall promptly deliver to Landlord a copy of any notices, filings or permits sent or received by Tenant, or on behalf of Tenant, with respect to any of the foregoing events, occurrences, conditions or circumstances. Consistent with the terms of this Amended Lease, Tenant shall have the right to direct decisions regarding remediation activities affecting the Project and Property which are the responsibility of Tenant under this Amended Lease, all of which shall be performed at Tenant's cost, but Landlord, shall have reasonable input into decisions regarding remediation activities and any obligation, ownership interest, covenant, condition, requirement, limitation or restriction which will potentially affect Landlord's possession, occupancy or use of or interest in the Project. Notwithstanding the foregoing, in no event is Tenant entitled to agree to any lesser clean-up standard than is required by applicable Law or to any limitation on use that would bind the Landlord, Project, Property or Campus following the expiration of the Term without Landlord's express written consent, which may be withheld in Landlord's sole and absolute discretion.

(b) In the event Landlord suffers any claims or loss pursuant to Tenant's breach of this Section 32.2, any such amounts shall constitute Additional Sums due from Tenant to Landlord and shall be payable in full upon written demand by Landlord. Tenant's liability under this Section 32.2 for matters existing on or prior to the expiration or termination of this Amended Lease shall survive the expiration or any termination of this Amended Lease. This Section 32.2 shall be construed as prohibiting the use at the Property and the Project of substances regulated by Environmental Laws, including Hazardous Materials,

that are normally or routinely used in the construction of improvements such as the Improvements or are normally or routinely used in the operation, repair, maintenance, and use of residential and retail projects, such as fuels, solvents, cleaning materials, paint and printing materials so long as the same are used in a manner that complies with all applicable Environmental Laws, and Tenant shall not be responsible for and have no liability in connection with, including the remediation or removal thereof, any Hazardous Materials that (i) are specifically exempted or permitted under applicable Environmental Laws, (ii) are the subject of prior notice to Landlord, (iii) arise out of or result from any act of third parties or Landlord or its employees, contractor, agents or invitees, (iv) may have existed in, under or about the Property or the Project as of or prior to the Financial Closing Date, or (v) migrate from any property adjacent to the Property (collectively, a “**Permitted Exclusion**”). In the event of any actual or alleged violation of any Environmental Laws relating to the Project or the Property or the release or suspected release of Hazardous Materials in, under or about the Project or the Property potentially in violation of Environmental Laws arising out of or resulting from (x) any act of Landlord or its employees, contractor, agents or invitees, (y) any Hazardous Materials which may have existed in, under or about the Property or the Project as of or prior to the Financial Closing Date which were not brought onto the Property by Tenant, its Affiliates or its or their contractors, or (z) any Hazardous Materials that migrated from any property adjacent to the Property, Landlord shall be responsible, at its sole cost and expense, for any cleanup, remedial, removal or restoration work necessary to conform to applicable Environmental Laws and return the Project, Property and surrounding area to the condition existing prior to the introduction of such Hazardous Materials, and any claims, losses, damages, costs and expenses suffered by Tenant as a result thereof.

Section 32.3 Landlord’s Representations. This Amended Lease and all exhibits attached hereto constitute the entire agreement between the Parties pertaining to the subject matter hereof and supersede all prior and contemporaneous agreements and understandings of the Parties in connection the subject matter hereof, and sets forth the agreement between the Parties with respect to the Project. This Amended Lease is the product of negotiation and neither Party shall be burdened by any presumption in the interpretation or construction of this Amended Lease as a result of its involvement in drafting text hereof.

Section 39.2 Amendments. Except as otherwise provided herein, no amendment, modification, change or addition to this Amended Lease shall be binding upon Landlord or Tenant unless reduced to writing and signed by authorized representatives of the Parties. Each Party to this Amended Lease agrees that the other Party and its officers, employees, representatives, advisors and agents have made no representations, warranties or promises, express or implied, with respect to this Amended Lease, the Property, the Campus or the Project except as expressly set forth in this Amended Lease.

Section 39.3 Severability. No waiver by Landlord of any provisions of this Amended Lease or the other Project Agreements shall be deemed to have been made unless expressed in a writing signed by an authorized representative of Landlord.

Section 39.11 No Third Party Beneficiary. Except as otherwise expressly set forth in this Amended Lease, the Parties agree that no individual and/or entity is intended to have, nor shall any individual and/or entity be deemed to have, any rights, benefits, privileges, causes of action, rights of action or remedies as a third party beneficiary to or under this Amended Lease or otherwise.

Each of Landlord and Tenant represents and warrants to and agrees with the other Party that it: (a) will comply with all anti-bribery and anti-corruption laws applicable to its business and operations; (b) has not and will not offer, promise, give or authorize the payment of anything of value (including cash or cash equivalents, gifts, travel and entertainment, stock or offers of employment), directly or indirectly, to any Government Official or others in a position of authority with a Governmental Authority with the intention of inducing any such person to engage in improper or unlawful conduct or to secure an improper business advantage; (c) has not and will not make facilitation payments or "grease payments" to Government Officials or others in a position of authority with a Governmental Authority to expedite routine non-discretionary government or lawful actions; and (d) has not and will not offer, promise, give, request, receive or accept anything of value, directly or indirectly, to or from any person for the purpose of influencing, inducing or rewarding the improper performance of an act or decision. A "**Government Official**" means any (i) officer or employee of a Governmental Authority; (ii) officer or employee of a public international organization; (iii) political party or party official; (iv) candidate for political office; or (v) other person acting in an official capacity. Landlord and Tenant agree that failure to comply with this Section 39.12 will constitute a material breach of this Amended Lease.

Section 39.13 No Option. The submission of this Amended Lease for examination does not constitute a reservation of or option for the Property, and shall vest no right in any Party. This Amended Lease becomes effective only upon execution and delivery thereof by Landlord and Tenant and receipt of the Board's consent.

Section 39.14 Survival. Tenant's obligations, covenants and agreements which by their nature should survive the expiration or earlier termination of this Amended Lease and other provisions of this Amended Lease, including with respect to accrued obligations and liabilities of Tenant hereunder, and provisions which this Amended Lease expressly states will survive, will remain in full force and effect following the early termination or expiration of this Amended Lease.

Section 39.15 No Guarantees. Tenant acknowledges that it has conducted due diligence with respect to the costs, risks and uncertainties of developing, constructing, operating and maintaining the

Project and evaluated the demand for, and the financial prospects of the Project utilizing its personnel, advisors, contractors, resources, experience and expertise and without reliance on any statement, description or analysis made or information, document or data furnished by Landlord or its officials, employees, representatives, agents, contractors, consultants and advisors. Tenant acknowledges and agrees that Landlord does not and will not guarantee or otherwise support or backstop in any way any obligations incurred by Tenant in the performance of its obligations, covenants and agreements under this Amended Lease, or other contract or agreement relating to the Project. Landlord makes no covenant, representation, warranty or other undertaking with respect to demand for the Project, the financial viability of the Project, future enrollment at the College, changes to Landlord's policies and requirements regarding eligibility for residency on campus and mandatory residency on campus, applications for units in the Project, priority of assignment or placement of students or other eligible residents in the Project, levels of occupancy of the Project, revenue of the Project, payment of rent by residents and tenants, the outcome of efforts related to enforcement of rental agreements, the nature, extent and success of efforts to market the Project, the conduct of residents or others at the Project, or the cost to design, construct, own, manage, and maintain the Project.

Section 39.16 Counterparts. This Amended Lease may be executed in multiple counterparts each of which shall be an original and all of which taken together shall constitute one and the same instrument.

Section 39.17 Future Development. Landlord agrees not to add additional beds on Campus for a period of five (5) years following Substantial Completion of the Project. Section 39.18 Sovereign Immunity This Amended Lease does not affect the rights, privileges, immunities, exemptions, limitations of liability and defenses of Landlord or the Board under Florida Statute Section 768.28 and other applicable Laws of the State of Florida. Nothing in this Amended Lease shall be deemed to affect the rights, privileges, benefits, immunities, exemptions and defenses afforded the Board or Landlord by law. AMENDMENT #1 TO GROUND LEASE AGREEMENT

THIS AMENDMENT #1 TO GROUND LEASE AGREEMENT (herein called the "Amended Ground Lease") is made and entered into this 29th day of August, 2024 (the "Effective Date"), by and between **THE DISTRICT BOARD OF TRUSTEES OF ST. JOHNS RIVER STATE COLLEGE**, a political subdivision of the State of Florida having its principal place of business at 5001 St. Johns Avenue, Palatka, Florida 32177 (the "Lessor"), acting for and on behalf of **ST. JOHNS RIVER STATE COLLEGE** (the "College"), and **ST. JOHNS RIVER STATE COLLEGE STUDENT HOUSING CORPORATION**, a Florida not for profit corporation having its principal place of business at 5001 St. Johns Avenue, Palatka, Florida 32177 (the "Corporation" or "Lessee").

WHEREAS, the Lessor has the power to lease its real property in the best interests of the College pursuant to Section 1001.64(37) of the Florida Statutes and the Lessor has determined that it is in the best interests of the College to enter into this Amended Ground Lease; and

WHEREAS, the Lessor, as ground lessor, will lease the Leased Premises (defined below) to the Corporation, as ground lessee, for the purpose of permitting the Corporation and a third party developer to design, build, finance, operate and maintain a student residence facility containing approximately 182 beds and related amenities and ancillary facilities for the sole and exclusive use of students attending the College, including the Florida School of the Arts (the "Project"); and

WHEREAS, it is the intent of the parties hereto to permit the further sublease of the Leased Premises by the Corporation to an affiliate of VikingArt, Inc. or Assigns (the "Sublessee") for the purpose of undertaking the Project on terms acceptable to the Lessor; and

NOW, THEREFORE, in consideration of the respective representations and agreements hereinafter contained, the parties hereto agree to adopt this Amended Ground Lease:

Section 1. Leased Premises. Lessor hereby leases to Lessee that certain unimproved real property lying in the City of Palatka, Florida, all as more particularly described in Exhibit "A" Parcel A attached hereto and made a part hereof by reference (the same constituting the "Leased Premises").

Section 2. Term. The term of this Amended Ground Lease shall commence on the Effective Date and terminate on June 30, 2065.

Section 3. Use of Leased Premises.

(a) Student Housing. The Leased Premises shall be used by Lessee solely for the purpose of constructing the Project to be operated and managed by Sublessee or Lessee's designee at the

direction of Lessor and for no other purpose whatsoever. The Project shall further consist of such other support facilities, necessities and amenities related to such Project.

(b) Compliance with Rules and Regulations. Lessee shall not use or permit the Leased Premises to be used in violation of any valid present or future laws, ordinances, rules or regulations of any public or governmental authority at any time applicable thereto relating to sanitation or the public health, safety or welfare, or relating to the construction and operation activities in, and use of, the Leased Premises or the Project.

(c) Commercial Facilities Prohibited. It is understood and agreed by the parties hereto that no part of the Leased Premises may be used for construction or operation of any commercial facilities whatsoever, provided that concessions, franchises, coin operated equipment and machines of a similar nature, to provide services such as food, beverage, laundry, telecommunication or other services that are installed and maintained for the convenience of users of the Project shall not be considered commercial facilities for purposes of this section.

Section 4. Rental. Throughout the term of this Amended Ground Lease, Lessee covenants and agrees to pay to Lessor, as base rent, an amount equal \$1.00 per annum as additional consideration for the Amended Lease.

Section 5. Ownership of Improvements and Surrender of Leased Premises.

(a) Ownership. Lessee shall at all times during the term of this Amended Ground Lease have title to all improvements made to the Leased Premises by Lessee and shall own all personal property acquired by the Lessee and placed on the Leased Premises during the term of this Amended Ground Lease. Upon the termination of this Amended Ground Lease with respect to any portion of the Leased Premises (whether by expiration of the term hereof or prior termination for any cause set forth herein) title to all improvements and ownership of all personal property on that portion of the Leased Premises shall thereupon vest in Lessor or its successor in interest. Lessee shall, nonetheless, thereafter execute and deliver to Lessor such evidence of title as Lessor may reasonably request.

(b) Surrender of Leased Premises. Lessee shall, on or before the last day of the term hereof or upon the sooner termination hereof for any cause set forth herein with respect to any portion of the Leased Premises, peaceably and quietly surrender to Lessor the Leased Premises together with all improvements and all furniture, furnishings, and equipment (except for any commercial or other equipment not owned by Lessee) located in or upon that portion of the Leased Premises, free and clear of any liens and encumbrances other than permitted encumbrances.

(c) Lessee's Obligations. Contemporaneously with the expiration of the term hereof or sooner termination of this Amended Ground Lease for any cause set forth herein with respect to any portion of the Leased Premises, Lessee shall immediately execute and/or deliver to Lessor the following (but nothing contained herein shall in any way limit or impair the rights of Lessor in the event of a default by Lessee):

1. Such documents of title and other instruments as Lessor may request to enable Lessor's ownership of all improvements and all furniture, furnishings and equipment located on that portion of the Leased Premises to be reflected of record; and
2. All books, records, construction plans, surveys, permits and other documents relating to, and necessary or convenient for the operation of, the Project constructed on that portion of the Leased Premises.

(d) Abandonment. Any personal property of Lessee or any sublessee or of any other person (except for vending machines or other commercial equipment) that remains on the Leased Premises after expiration of the term of this Amended Ground Lease and for thirty (30) days after request by Lessor for removal, shall, at the option of Lessor, be deemed to have been abandoned and may be retained by Lessor as its property or be disposed of without accountability, in such manner as Lessor may see fit.

Section 6. Lessor's Interest Not Subject to Certain Liens.

- (a) It is mutually intended, stipulated and agreed that the Lessor's fee simple interest in the Leased Premises shall not be subjected to liens of any nature arising by reason of the construction of improvements upon the Leased Premises or by reason of any other act or omission of Lessee or any person claiming under, by or through Lessee, including, but not limited to, mechanics' and materialmen's liens. All persons dealing with Lessee are hereby placed on notice that any improvements constructed upon the Leased Premises are the property of Lessee and are constructed for Lessee's use and benefit, and that they should not look to Lessor or to Lessor's credit or assets for payment or satisfaction of any obligations incurred therefore. Lessee has no power, right or authority to subject Lessor's fee simple interest in the Leased Premises to any mechanics' or materialmen's lien or claim of lien. Each of the parties hereto agree that a memorandum of this Amended Ground Lease and any supplements hereto will be recorded in the property records of Putnam County, Florida.
- (b) In the event a lien, claim of lien or order for the payment of money shall be imposed against the Leased Premises or the Project resulting from or arising out of any act or omission of Lessee or any person claiming under, by or through Lessee, Lessee shall, within thirty (30) days after receipt of notice of the imposition of such lien, claim or order, cause the same to be discharged, satisfied, canceled or released, and the Leased Premises and the Project to be released therefrom, by the payment of the obligation secured thereby or by the furnishing of a bond or by any other method which may be prescribed or permitted by law, Lessee shall thereupon furnish Lessor with evidence of having done so in form satisfactory and requisite for recording in the Office of the Clerk of the Circuit Court, Putnam County, Florida.
- (c) Should Lessee desire to litigate the validity of any lien or claim of lien, nothing herein shall preclude Lessee from doing so, provided that Lessee shall have first posted an appropriate and sufficient bond in favor of claimant and thereby obtained the release of the Leased Premises and the Project from such lien. If judgment is obtained by the claimant of any lien, Lessee agrees to pay the same immediately after such judgment shall have become final and the time for appeal therefrom has expired. Lessee shall, at its own expense, defend the interests of Lessee and Lessor

in any and all such suits. Lessor may, at its own expense, engage its own counsel and assert its own defenses, in which event Lessee agrees to cooperate with Lessor and make available to Lessor all information and data deemed by Lessor to be necessary or desirable for such defense.

Section 7. Insurance.

Lessor shall obtain and maintain, at Lessee's expense, such insurance coverages and limits as agreed to in writing by both Lessor and Lessee.

Section 8. Condition of Leased Premises - Fill, Utilities.

(a) Lessee agrees to accept the Leased Premises in their presently existing condition, "as is."

(b) It is understood and agreed that Lessor has not determined that the Leased Premises will safely or adequately support the type of improvements desired to be erected and maintained by Lessee upon the Leased Premises.

(c) Lessor, at its sole expense, shall bring or cause to be brought to the Leased Premises adequate connections for water, electrical power, storm sewerage and sewerage, and shall arrange with the appropriate utility companies for furnishing such services. Lessee shall have the right, at its own expense, to request and receive telephone and communication services from the utility companies furnishing such services subject to the customary rules and regulations of said utility companies whether the companies deliver such services directly through their own conduits or pipes, or through conduits and pipes owned by Lessor. Lessor agrees to grant such utility companies' rights of access over, under and across the remaining property of Lessor as shall be necessary and convenient for the efficient operation of the housing system facilities, and which do not materially impair the present and future uses of the remaining property of Lessor. Any construction or extension of facilities shall be subject to prior written approval of Lessor, and shall be made without cost to Lessor.

(d) Lessee shall at all times prevent entrance of objectionable quantities of deleterious wastes into Lessor's sewerage system, storm water drainage system and conduit system as required by the applicable governmental authority.

(e) Drains or other facilities provided by Lessee for the purpose of disposing of storm or other waters shall conform to the requirements of all applicable governmental authorities.

Section 9. Fee Unencumbered; No Pledge of Credit of State. Under no circumstances will the fee title to the Leased Premises be encumbered other than by the leasehold interest created herein, or easements created pursuant hereto. No act taken pursuant to or in furtherance of this Amended Ground Lease shall be, or be construed to be, a pledge of the credit of the State of Florida or any agency, department or board thereof.

Section 10. Assignment, Subletting and Mortgaging of Leasehold Interest.

(a) Lessee shall not have the right to assign this Amended Ground Lease, or any portion thereof, or to sublease all or any portion of the Leased Premises without the prior written consent of Lessor. Any assignment of this Amended Ground Lease or subletting of all or any portion of the Leased Premises shall be subject to Lessor's prior written consent, which consent Lessor shall not unreasonably withhold. Except as expressly permitted herein, any purported assignment, partial assignment or sublease without Lessor's prior written consent in violation of this paragraph (a) shall be null and void, and the attempt to so assign or sublease, shall constitute a default under this Amended Ground Lease.

(b) It is expressly understood and agreed that any such assignment, sublease, sale or transfer shall not relieve Lessee of any of its responsibilities and obligations under this Amended Ground Lease and that any and all assignees, sublessees or transferees shall be subject to, and bound by all of the applicable terms, covenants and conditions contained in this Amended Ground Lease except that Lessee shall be relieved from any and all obligations hereunder if Lessee shall sell or assign all of its interest in the Leased Premises with Lessor's prior written consent.

Section 11. Utility Easements. Lessor reserves the right to grant nonexclusive utility easements, licenses, rights-of-way and other rights or privileges in the nature of easements to others over, under, through, across or on the Leased Premises; provided, however, that such grant is not detrimental to the use or operation of the Project, will not damage or disrupt the physical facilities of said Project, and will not impose any cost upon Lessee.

Section 12. Approval of Height of Structures. Lessee shall, with the cooperation of Lessor but at Lessee's sole expense, secure any required approvals as to the height of any buildings, structures or objects proposed to be erected upon the Leased Premises from all governmental agencies having jurisdiction.

Section 13. Indemnification of Lessor. Lessee shall defend, protect, save, hold harmless and indemnify Lessor and its officers, directors, agents, servants, employees and assigns of each, from and against any and all claims, demands, losses, costs, damages, liens, suits, judgments, penalties, expenses, and liabilities of any kind or nature whatsoever (including attorneys' fees) which are caused by any acts or omissions of Lessee, its employees, servants or agents except where such are caused by the tortious, unlawful or negligent conduct of those indemnified hereunder.

Section 14. Taxes and Fees.

(a) Lessee agrees to pay any applicable taxes, assessments, license fees and charges on goods, merchandise, fixtures, appliances, equipment and property in or about the Leased Premises.

(b) It is understood that Lessor is exempt from ad valorem taxation with respect to its facilities that are used for its purposes. However, should the Leased Premises or any interest therein or improvement (including the Project) thereon ever become subject to any taxes of any kind, Lessee agrees to pay any and all such lawful taxes, assessments or charges which at any time may be levied by any federal, state, county, city, or any tax or assessment levying body upon the

Leased Premises, or any interest in this Amended Ground Lease, or any possessory right which Lessee may have in or to the Leased Premises or the Project thereon by reason of its use or occupancy thereof or otherwise.

(c) Notwithstanding the foregoing provision, Lessor shall, after notifying Lessee of its intention to do so, have the right to contest in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment, and in connection with such contest Lessor may refrain from paying such tax or assessment so long as such contest will not, in the opinion of Lessor's attorney, subject any part of the Leased Premises or the Project to forfeiture or loss, in which event such taxes, assessments or charges shall be paid promptly. Lessee shall, upon request by Lessor, assist and cooperate with Lessor in any such proceedings and Lessee shall bear any costs or expenses of Lessee in connection with the rendering of such assistance. This provision shall in no way be construed as restricting Lessee from contesting, at its own expense, the legality of such tax or assessment if it so desires.

Section 15. Default by Lessee.

(a) Each of the following events shall be deemed a default by Lessee hereunder and a breach of this Amended Ground Lease:

1. If Lessee shall fail to pay, when due, any rent or portion thereof, or any other sum which Lessee is obligated to pay under the terms of this Amended Ground Lease, and such sums remain unpaid for a period of thirty (30) days after receipt of written notice by Lessee from Lessor;
2. If Lessee shall attempt to assign this Amended Ground Lease, or any portion thereof, in violation of the terms of this Amended Ground Lease, or to sublease any portion of the Leased Premises in violation of Section 10 hereof;
3. If Lessee shall use the Leased Premises and/or the Project for any purposes not expressly permitted by this Amended Ground Lease, and such use shall continue for a period of fifteen (15) days after Lessor shall have given written notice to Lessee to desist from such use;
4. If Lessee shall abandon the Leased Premises and/or the Project;
5. If Lessee shall otherwise fail to comply with any other covenant or condition of this Amended Ground Lease and such failure to comply shall continue for a period of fifteen (15) days after receipt of written notice thereof by Lessee from Lessor.

(b) In the event that any of the items of default set forth in subparagraphs (a) 3. or (a) 5. above is of such nature that it cannot be remedied within the time limits therein set forth, then Lessee shall have such additional time as is reasonably necessary to cure such default, provided Lessee commences the curing of such default within said time limits and proceeds to completely cure the same in a timely and diligent manner.

(c) Lessor will send to the Lender all notices of default it sends to Lessee at the same time it sends such notice to Lessee.

Section 16. Remedies of Lessor.

(a) Upon the occurrence of any event of default Lessor may then terminate this Amended Ground Lease by written notice to Lessee and re-enter upon and take possession of the Leased Premises and the Project. In the event Lessor elects to avail itself of the rights and remedies contained in this Section, then such election by Lessor shall entitle Lessor to assume all of Lessee's right, title and interest in and to the Project, as well as all structures and improvements on the Leased Premises, and the furniture, furnishings, fixtures and equipment therein or thereon all subject to the interests of the Sublessee under its sublease, and Lessee shall surrender and deliver possession of the same to Lessor. In addition to the foregoing remedy, Lessor shall be entitled to collect from Lessee any and all costs, including reasonable attorney's fees, which Lessor may incur by reason of Lessee's default hereunder. All of Lessor's rights and remedies shall be subject to Sublessee's rights and interests under the terms of its sublease.

(b) In no event shall the Lessor terminate this Amended Ground Lease prior to the payment in full of the indebtedness of Sublessee under its sublease with Lessee without the prior written consent of the Sublessee's lender.

Section 17. Waivers. No waiver by Lessor at any time of any of the terms, conditions, covenants or agreements of this Amended Ground Lease, or non-compliance therewith, shall be deemed or taken as a waiver at any time thereafter of the same, nor of any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by Lessee. No delay, failure or omission of Lessor to re-enter the Leased Premises, nor to exercise any right, power, privilege or option arising from any default shall impair such right, power, privilege or option, or be construed to be a waiver of any such default, relinquishment thereof or acquiescence therein, and no notice by Lessor shall be required to restore or revive time as being of the essence hereof after waiver by Lessor of default in one or more instances. No option, right, power, remedy or privilege of Lessor shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options or remedies given to Lessor by this Amended Ground Lease are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law.

Section 18. Waiver of Claims. Lessee hereby waives any claim against Lessor and all of its officers, agents or employees thereof for loss of anticipated profits or other damages caused by any suit or proceeding by any third party directly or indirectly attacking the validity of this Amended Ground Lease or any part hereof, or by any judgment or award in any suit or proceeding declaring this Amended Ground Lease null, void or voidable, or delaying the same, or any part hereof by any third party, from being carried out. In the event a suit or other proceeding results in this Amended Ground Lease or any part hereof being declared void or invalid the parties hereto agree to enter into renegotiation efforts to arrive at a valid agreement which will be satisfactory to both parties and the Lender. Lessor hereby represents and warrants that Lessor is duly authorized to enter into this Amended Ground Lease.

Section 19. Quiet Enjoyment. Lessor agrees that Lessee, upon the payment of the rent and all other payments and charges to be paid by Lessee under the terms of this Amended Ground Lease, and observing and keeping the agreements and covenants of this Amended Ground Lease on its part to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Leased Premises during the term of this Amended Ground Lease, without hindrance or molestation.

Section 20. Terms Binding Upon Successors. All the terms, conditions and covenants of this Amended Ground Lease shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

Section 21. Condemnation.

(a) In the event that any person or corporation, public or private, shall by virtue of eminent domain or condemnation proceedings, or by purchase in lieu thereof, at any time during the term of this Amended Ground Lease acquire title to the Leased Premises (which for the purpose of this Section only shall include not only the land hereby demised but also the Project and other improvements erected thereon by Lessee) or acquire title to such substantial portion thereof that Lessee cannot make use of the residue for the purposes intended by this Amended Ground Lease, such acquisition of title shall terminate this Amended Ground Lease, effective as of the date on which the condemning party takes possession thereof. Lessor and Lessee shall be entitled to separate awards with Lessor entitled to the value of the land taken and all damages to the remainder property, including, without limitation, severance damages, and Lessee entitled to the cost of the improvements taken and any damages relating thereto.

(b) If the condemning party acquires title to a portion of the Leased Premises only, and Lessee can make beneficial use of the residue thereof for the purposes intended by this Amended Ground Lease, then this Amended Ground Lease shall continue in full force and effect and the total proceeds of condemnation after payment of reasonable attorney's fees and other necessary expenses incurred by either party in connection therewith shall be applied first to the repair or restoration of the housing system facilities by Lessee in accordance with plans and specifications approved by Lessor. Any remaining balance of the condemnation proceeds shall be for the benefit of Lessor.

(c) It is understood that the foregoing provisions of this Section shall not in any way restrict the right of Lessor or Lessee to appeal the award made by any court or other public agency in any condemnation proceeding.

Section 22. Estoppel Certificates. Lessor, at any time and from time to time, upon not less than thirty (30) days' prior written notice from Lessee, will execute, acknowledge and deliver to Lessee or to whomsoever Lessee may direct or to the Lender on the request of the Lender, a certificate of Lessor certifying that this Amended Ground Lease is unmodified (or, if there have been any modifications, identifying the same); that this Amended Ground Lease is in full force and effect; and that there is no default hereunder (or, if so, specifying the default).

Section 23. Miscellaneous.

(a) Laws of Florida Govern. This Amended Lease shall be governed by and be construed in accordance with the laws of the State of Florida without regard to conflict of laws principles.

(b) Force Majeure. Except as otherwise expressly provided herein, neither party shall be responsible for any delay in their respective performances called for under this Amended Ground Lease which is caused by acts of God, war, national emergency, labor strike, shortages of material, or governmental regulations or control.

EXHIBIT C-1

Construction Period Insurance

Tenant agrees to furnish a current Certificate(s) of Insurance to Landlord as evidence that the following coverages remain in effect:

- **Builders Risk Insurance.** Tenant shall obtain and maintain builder's risk insurance on a completed value form, at replacement cost, covering the full value of the construction being performed, including where applicable, the existing structure. Such policy shall be written on an all-risk coverage form including flood and windstorm coverage, only containing exclusions acceptable to Landlord in writing, and shall include coverage for reasonable compensation for professional services and expenses required as a result of such insured loss. This insurance shall insure the interests of Tenant, subcontractors, and sub-subcontractors in the work. Property covered by the insurance shall include temporary buildings or structures at the Project site and portions of the work, materials, and equipment stored offsite or in transit. The Landlord and BTITF shall be named as "Additional Insureds", and the policy shall include a waiver of subrogation endorsement.
- **Worker's Compensation and Employer's Liability Insurance.** Worker's Compensation insurance shall be obtained in accordance with Chapter 440 Florida Statutes with the prescribed limits of liability for all employees who will be working at the project site whether working for contractor or any subcontractor. Tenant and its insurance carrier waive all subrogation rights against Landlord.
- **Public Liability Insurance.** Comprehensive general liability (broad form) including Property-operations, products/completed operations, contractual liability, and explosion, collapse and underground (XCU) coverages. The limits of liability must be at least \$1,000,000 each occurrence, \$5,000,000.00 annual aggregate combined single limits for bodily injury and property damage liability. The limit may include umbrella or excess liability insurance. The Landlord and the Board shall be named as "Additional Insureds." Tenant's insurance coverage shall be primary insurance with respect to Landlord, its officials, and employees. Tenant's insurance shall protect from claims which may arise whether such claims may arise out of operations of the Tenant or by anyone directly or indirectly employed by Tenant.
- **Comprehensive Automobile Liability Insurance.** All owned, hired, leased or non-owned vehicles used on the construction project shall be covered. Policy limits shall be at least \$500,000 each occurrence, \$1,000,000 annual aggregate combined single limit for bodily injury and property damage liability. This limit may include umbrella or excess liability insurance. Landlord and the Board shall be named as a "Additional Insureds."
- **Professional Liability Insurance.** All architects, engineers and consultants providing design services for the Project shall maintain professional liability insurance of \$1,000,000 per claim, \$5,000,000 aggregate, naming Tenant, Landlord and the Board as "Additional Insureds." This insurance shall be written on a claims-made form, and it shall continue for five (5) years following completion of the performance or the attempted performance of the provisions of the contract for construction.

All of the above policies shall be issued by insurance companies authorized to do business in the State of Florida and with general policy holder's rating of not less than A- and a financial rating of not less than Class VIII as rated in the most current available "Best's" insurance reports.

The above paragraphs establish minimum insurance requirements. It remains the responsibility of the Tenant and/or the contractor to secure and maintain any additional insurance that may be necessary in connection with the construction contract.

Tenant's procuring of insurance policies required hereunder shall not relieve Tenant of any obligation or liability assumed under this Amended Ground Lease, including indemnity obligations.

Tenant waives and shall cause insurers of each Contractor and subcontractors to waive all rights and claims against Landlord and the Board for all claims, losses or damages covered by such policies of insurance, and all rights of subrogation of its insurers.

EXHIBIT C-2

Operating Period Insurance

Tenant shall, after the Project is constructed, obtain and maintain at its expense, the following policies of insurance covering activities performed under and contractual obligations undertaken during the Lease Term. Insurance requirements established hereafter shall be increased by Tenant, if necessary, to meet any statutory insurance requirements which may be established by Florida Statutes, rules, or regulations.

- **Commercial Property Insurance:** Project and Improvements shall be insured against loss by fire, windstorm, lightning, vandalism, malicious mischief and other hazards customarily insured by extended coverage, all risk (now known as causes of loss-special form), for their full replacement value, which shall be adjusted from time to time to reflect current replacement value. Landlord shall be named as an Additional Insured as its interests may appear.

- **Worker's Compensation and Employer's Liability Insurance:** Worker's Compensation insured shall be obtained in accordance with Chapter 440 Florida Statutes with the prescribed limits of liability for all employees who will be working at the project site whether working for Landlord or any subcontractor.

- **Commercial General Liability Insurance:** Broad form comprehensive general liability insurance including Property-operations, products, completed operations and contractual liability, and explosion, collapse and underground (XCU) coverages. Limits of coverage shall be at least \$2,000,000.00 combined single limits for bodily injury and property damage liability, and \$5,000,000 excess umbrella coverage. Landlord shall be named as an "Additional Insured." Tenant's insurance coverage shall be primary insurance with respect to Landlord, its officials, and employees. Tenant's insurance shall protect from claims which may arise whether such claims may arise out of operations of the Tenant or by anyone directly or indirectly employed by Tenant.

- **Comprehensive Automobile Liability Insurances:** All owned, hired, leased or non-owned vehicles used by the Tenant shall be covered. Policy limits shall be at least \$1,000,000 each occurrence combined single limit for bodily injury and property damage liability.

The above policies of insurance must be with insurance companies authorized to do business in the State of Florida and with general policy holder's rating of not less than A and a financial rating of not less than Class X as rated in the most current available "Best's" insurance reports and locally qualified to do business. Tenant shall furnish a current Certificate(s) of Insurance to the Landlord as evidence that the above required insurance coverages remain in effect. Executed copies of such policies of insurance shall be delivered to Landlord within ten (10) days after delivery of possession of the Property, and thereafter Tenant shall endeavor in good faith to deliver executed copies of renewal policies to Landlord within thirty (30) days prior to the expiration of the term of each existing policy. All public liability and property damage policies shall contain a provision that Landlord, although named as an insured, shall nevertheless be entitled to recover under such policies for any loss occasioned to it, its servants, agents and employees by reason of the negligence of Tenant. As often as any such policy shall expire or terminate, renewal or additional policies shall be procured and maintained by Tenant in like manner and to like extent.

The policies of insurance described in Exhibit C-2 are minimum insurance requirements. It remains the responsibility of Tenant, each Contractor and each subcontractor to secure and maintain any additional

insurance policies that may be necessary or advisable in connection with the work related to the Project. The absence of a requirement herein for any type of insurance policy or insurance coverage, or for higher coverage limits shall not be construed as a waiver of Tenant's, Contractors' and all subcontractor's obligations to carry and maintain the types of insurances at limits that are appropriate to the liability exposure associated with design, equipping and operating the Project.

Tenant waives and shall cause insurers of each Contractor and subcontractors to waive all rights and claims against Landlord and the Board for all claims, losses or damages covered by such policies of insurance, and all rights of subrogation of its insurers.

Tenant hereby represents and warrants that Tenant's insurance policies and those of contractors and subcontractors shall be endorsed so that such waiver of subrogation shall not affect Tenant's rights to recover thereunder.

Joe H. Pickens, J.D., President
St. Johns River State College
5001 St. Johns Avenue
Palatka, FL 32177

Dear President Pickens:

Thank you for providing the information outlining the structure of the St. Johns River State College's Student Housing Project. A request was made of our office as to the immune/exempt status related to the taxation of the real and tangible property on the aforementioned project. Our office only has the statutory authority to issue decisions regarding the taxable status of property for the current year. Typically, when a decision is made, and there is no change to the information or status of a particular property, or, no legislative action changes the circumstances surrounding the initial decision, the immune/exempt status does not change from year to year.

I have included a copy of the information provided by you and correspondence by legal counsel outlining the basis for the immune/exempt status going forward. Based on your statement on page two of your letter dated July 1, 2024 (attached hereto), *"At all times material hereto the fee simple title to the property on which the Student Housing Project will be constructed and operated will remain under the exclusive ownership of St. Johns River State College as part of the much larger tract of land constituting the St. Johns River State College campus in Palatka."*, and additionally, if the College or Corporation were deemed to be the equitable owner of the improvements to be constructed as part of the Project, they would be immune from taxation.

If our office can be of further assistance in the future, please let me know. If anything changes in any aspect related to the project/property, contact our office immediately. Thank you for your time in this matter.

Sincerely yours,

Timothy E. Parker, C.F.A.
