## CRIMINAL JUSTICE - APPLIED INTELLIGENCE STUDIES (8500)

**BACHELOR OF SCIENCE DEGREE** 

This program prepares students for employment throughout the criminal justice system at all levels of government (local, state, and federal) and related private-sector fields. The program focuses on intelligence studies, encouraging critical thinking and criminal analysis for law enforcement, criminal investigations, evidence gathering, and crime prevention purposes. Building on an analytical foundation, students will assess presentday concerns related to the criminal justice field through theoretical perspectives and advanced technologies. In addition to preparing graduates for work as intelligence analysts, this program will provide current law enforcement and corrections officers with preparation for leadership roles within their agencies.

The Criminal Justice – Applied Intelligence Studies degree program is offered fully online.

For additional information, visit our website at SJRstate.edu/bachelors or call (904) 808-7490.
