The FTO course is designed to prepare the student to become a Field Training Officer with their agency. The student will learn the history and role of the FTO program in the training and hiring of new officers. The course is based on the San Jose FTO model of field training. The San Jose model field training and evaluation program has become synonymous with the most progressive techniques for training officers. Students must pass a written end of course exam with a score of 80% or better.
